Priority Highest

To,
Registrar at Supreme Court, India.

I would like to get 30 minute discussion time with CJI Mr. Bobde. How can we arrange for it?

Alternately, I could also discuss my lawsuit subject with one of the 12 Registrar's listed on your website. I do not know who would be the Registrar who would be working in the area of "Intellectual Property (Patent related) and Patent Cooperation Treaty"? Ideally, I must speak with him / her.

THIS SUBJECT NEEDS TO BE MOVED FAST. AS IT CONCERNS GLOBAL ECONOMICS, LINKED TO 62 WORLD COUNTRIES AND IS VALUED AT 93 TRILLION.

The lawsuit is filed in Bangalore City Civil Court with case number OS 4961 of 2018. However, the defendants D2 and D4 are using delay tactics and this is delaying the payment of their liability to me (the full global rights value) of 93 Trillion.

I know that special courts are set-up for much smaller subjects, cases, lawsuits. I need to discuss how we can set-up a special court for this, so that the settlement could be expedited and contracts completed within the next six months or before this year ends. Alternately, I also want to discuss how we could take this up at ICJ level - International court of Justice.

I would like to explain the entire lawsuit and its subject to you, discuss what are our best options to force or expedite a settlement within the next six months or before this year ends. I have authored subjects 'Project Earthling(c)' and 'United Nations Global Governance Model 2020(c)', to enable such a large settlement. You can also read about them at my website listed below.

Who can I speak with? And when could I speak, for a 30 minute window?

You can find all the information pertaining to the lawsuit in Bangalore at my website Srinivasdevathi.com.

Provide response at your earliest convenience.

Thanks,
Srinivas DS
