DEADLINE: JUNE 21, 2018

RESPONSE REQUESTED BY: MAY 30, 2018

Dear Mr Devathi,

Please be advised that the term for filing a response in Eurasia can be extended for unlimited number of months upon payment of the prescribed Official extension fee. The amount of the Official fee is RUR 1000 (about EUR 16.00 (USD 17.0)) for each of the first two months. For each subsequent month the extension fee is increased by RUR 1000 (about EUR 16.00 (USD 17.00)) per month up to the twelfth month, and by RUR 1250 (about EUR 20.00 (USD 21.0)) per month starting from the thirteenth month.

This applicant is authorized to pay 50% of all official fees.

Example:

1st month - $17 * 0.5 = 8.5$ USD

2nd month - $17 * 0.5 = 8.5$ USD

3rd month - $(17+17) * 0.5 = 17$ USD

4th month - $(17+17+17) * 0.5 = 25.5$ USD

5th month - $(17+17+17+17) * 0.5 = 34$ USD

And so on up to the 13th month.

Extension can be requested month-by-month or for several months at a time. The professional fee for filing one extension request is USD 125.

Therefore, please advise us urgently the time period for which you wish to seek extension, so that we may send you our invoice for advance payment accordingly.

Best Regards

Garima Sethi (Ms.)
Managing Associate I Patent Agent

One last question relevant for next few days. Korea response is due by Feb 18th; and you have given extension of time options. Can I exercise the extension option before paying the 3 Lakhs that is requested? Or that is also not doable as per your management guidelines?

Kindly check with your management and let me know.

Thanks,

Dear Tarun / Chetan,

Here is a kind request to accommodate work on Japan, Korea and Australia applications before Feb end. Once again, I confirm that this is the last extension I seek and you could freeze the account by Feb end if I do not clear the past balance. **Note that I will pay the incremental expenses for these applications work.**

Here is the estimated sale price of these applications (loss if I lose the application):

- 1) **Japan - 8 Trillion \$**
- 2) **Korea - 5 Trillion \$**
- 3) **Australia - 2.7 Trillion \$**

My income loss and thus India's progress and development wealth will diminish by that much if I lose one or more of these applications.

Kindly make exception and allow work on these 3 applications, before Feb end.

Dear Tarun / Chetan,

I request you to provide an extension of final 2 months to pay off the balance and in the interim allow the response / action filing pertaining to Japan, Korea and Australia. These are 3 important markets coming up and loss of rights runs into Trillions (\$) of income for me and India. Note that I shall pay the incremental response / action filing costs.

I shall certainly be able to pay off all the past pending balance before February end to bring the account current.

Kindly accommodate this one last request of mine; and provide a final 2 month extension to pay off the balance.

Thanks,
