The other 90 or more PCT countries	PCT/US2014/046619	July 15, 2014	ABANDONED	On the respective national stage entry date deadlines

In summary, it is full liability claim from the defendants in USA.

A PCT international application when filed will have the same effect as filing applications in all the PCT contracting states on the same day of filing the PCT international application. In the countries where you do not enter the national stage within the national stage filing deadline, it is considered abandoned on the deadline for filing date.
