

PROJECT EARTHLING©. RESET GLOBAL ECONOMICS.

A MACRO-ECONOMIC REFORM WHICH HAS NUMEROUS BENEFITS TO INDIA AND THE WORLD (ALL 193 COUNTRIES); IS BEING BLOCKED BY DEFENDANTS, FROM BEING INTRODUCED BY PUBLISHED AND TELEVISED MEDIA HOUSES.

I NEED IMMEDIATE INTERIM RELIEF BY COURT ORDERS TO MEDIA HOUSES ACCORDING TO PRAYER POINTS 16 AND 17. IT MUST ALSO BE INTRODUCED AT UNGA (UNITED NATIONS GENERAL ASSEMBLY) AND BROUGHT TO DECISIVE VOTING FOR ITS IMPLEMENTATION.

PROJECT EARTHLING© GOING LIVE WILL ALLOW ME TO BRING 93 TRILLION \$ INTO INDIA AND CONVERT IT INTO EARTHLINGS CURRENCY AND BUILD INDIAN NATIONAL TREASURY OF 93 TRILLION IN EARTHLINGS. IT WILL SECURE THE FUTURE OF INDIA, HINDUS LIVING IN INDIA, AND ALLOW ME TO ACHIEVE GOAL YEAR 2050. WHILE ACHIEVING THESE OBJECTIVES, IT TRANSFORMS THE WORLD AND DELIVERS FREEDOM AND PROSPERITY TO ALL 193 COUNTRIES.

USA cheated all the world countries for 160 to 240 years; by manipulating their currency (\$) and thus the price of commodities imported by countries. This is an ongoing problem, and it must stop. The immediate relief world countries are looking for:

To eliminate the ongoing import bill fraud being committed by USA.

Eliminate the two varying frames of reference. Manipulated \$ value, against the varying commodity price by its own demand and supply.

\$ (USD) must cease to exist as a global trade / transaction and bribing currency.

Introduction of Earthlings as a new global trade currency and national reserve currency is the immediate need of the world countries.

Project Earthling© going live will deliver:

REAL independence to all 192 non-USA countries.

TRUE freedom to all 192 non-USA countries.

Economic equality and freedom to all 192 non-USA countries.

Trade equality to all 192 non-USA countries.

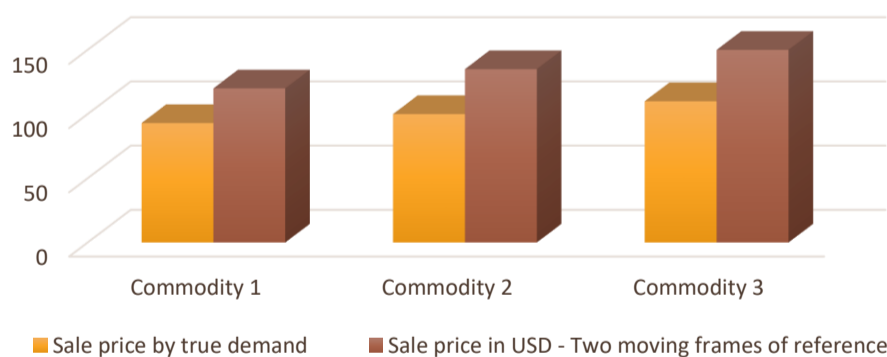

Knock out punch to the ongoing USA import bill fraud imposed on 192 non-USA countries.

Simplifies the international banking system and eliminates multiple currency forex transactions between countries.

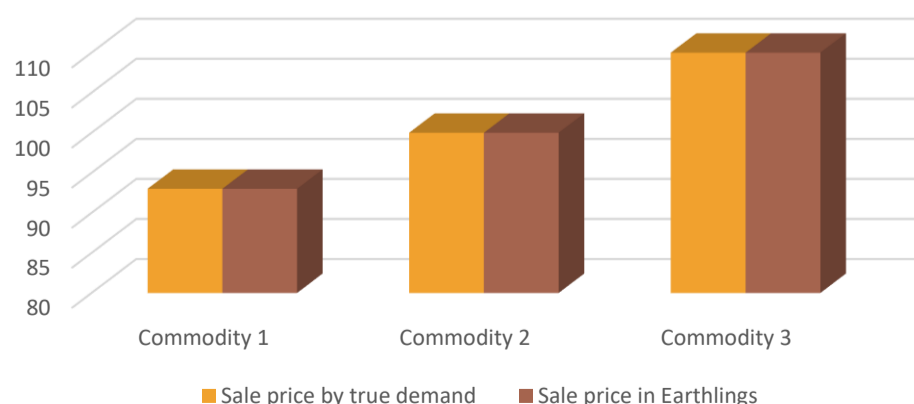

It has several other advantages, benefits and features, all of which can be accessed at my website webpage:

The higher import bills paid by most countries due to second moving frame of reference (a manipulated USD (\$)) and its monopoly, for a sustained period of 160 to 240 years.

Import bills of all 193 countries in Earthlings currency (Non-moving frame of reference). No one will get cheated.

EARTHLINGS CURRENCY SYMBOL

Earthlings currency will hold its value for a period of 10 years, before it is either strengthened or weakened for the benefit of global economy by GEC.

The list of top commodities traded by most world countries: Crude oil, Natural gas, Cotton, Coffee, Gold, Iron, Silver, Copper, Aluminum, Sugar, Corn, Soyabeans. There are also other commodities which have all be incorrectly priced because of the manipulated \$ (USD) over the last 160 to 240 years.
