

**ALL THE NEGATIVE TACTICS USED BY DEFENDANTS.**

**MULTI-DIMENSIONAL, WORLDWIDE, MACRO, AND MICRO LEVEL PLOTS, SCAMS, NEGATIVE TACTICS USED.**

**ONE MUST THINK WHAT COULD BE DONE TO STEAL 93 TRILLION WEALTH, AND THE ANSWER IS ALL THESE NEGATIVE TACTICS AND MORE.**

**ALL USA DEFENDANTS ATTEMPTED THE FOLLOWING NEGATIVE TACTICS AGAINST ME AND INDIA. COMBINED USA-UK.**

**WHILE JOINING FORCES WITH OPEC NATIONS AND CONTROLLING UNITED NATIONS.**

**NEGATIVE STRATEGY 1** – Divide and destroy world by regions, religion (unite islam and christianity against Hindu), and incite differences and fights between countries. This is described in ‘Fire scam’ page.

**NEGATIVE STRATEGY 2** – Divide and destroy India by regions, states, language, food habits, and incite differences and fights between states with any available option. E.g., Gold reserve carrot dangling.

**NEGATIVE STRATEGY 3** – Divide and target me the inventor by attempting to frame me negatively, maybe as a person of poor mental health or similar to steal my invention or its wealth. They attempted to enforce ‘isolation strategy’ against me.

**NEGATIVE STRATEGY 4** – Defendants have spoken to every human being I have known or interacted with from my birth until now and have attempted to turn them against me, and are having them state lies, and fabricated negative stories in an attempt to frame me negatively. By way of bribe, corporate lever, or executive lever where available. This may include all of my past college friends, and divorced ex-wife.

**NEGATIVE STRATEGY 5** – Control, maneuver, and manipulate united nations with five of the six organs headquartered in NYC, USA. Only ICJ – international court of justice, is expected to share true facts from UN.

**NEGATIVE STRATEGY 6** – Use their global brands and name to negatively frame me, defame me, and target me; by creating a file in my name at united nations which is unknown to me and this honorable court. Only ICJ, a UN organ can validate if defendants attempted to frame me at global / worldwide level or at a country level where I have IP rights. We must validate this fact to deliver justice to me, India, and Hindus living in India.

**NEGATIVE STRATEGY 7** – Bribing at all levels. With the achieved USD monopoly, they have attempted to bribe people at all levels. Bribes could be cash, or favors, or franchisee outlets. What constitutes a bribe to steal 93 trillion? 500 Billion? 2 Trillion? 5 Trillion? 10 Trillion?

**NEGATIVE STRATEGY 8** – USA famed ‘eagle eye’ to track the movements of anyone 24\*7\*365, by using advanced nano-technology of invisible cameras, invisible transmitters / receivers that seamlessly integrate into surroundings. Home, office, and car. They have used this against me. They have bugged or hacked all my electronic devises.

**NEGATIVE STRATEGY 9** – Selective drugging by privacy invasion, to create / fabricate audio files, video files, audio-visuals, movies, data, content, material, reports; to frame me negatively.

**NEGATIVE STRATEGY 10** – IT industry and Nasscom used like slaves given the number of American clients they used to work for. Bribes doled out in large numbers to film industry people across India, since the ‘Slumdog Millionaire’ year 2009, to target my invention and block wealth from coming into India through me. This is Treason.

**NEGATIVE STRATEGY 11** – Possible use of medical force to execute agreements in hospitals or ICU, on my deceased father. I do not have proof of this, however it is a possible foul play by defendants given the wealth.

**NEGATIVE STRATEGY 12** – Wrong economic models, incorrect economic advice to derail India and my legitimate claim to the wealth. All of this driven by bribetaking nri-abcd population in USA and UK.

**NEGATIVE STRATEGY 13** – Hold Indian media houses hostage along with world media houses to block introduction of reforms like Project Earthling© and my invention US 8,910,998 to their subscribers.

**NEGATIVE STRATEGY 14** – Create new psychological theories by bribing KOL’S (Key opinion leaders) in an attempt to target me. Thankfully, Indian law and world law puts the onus on defendants to prove legal insanity or poor mental health allegations in the subject’s presence and in front of the honorable court. They are yet to face me in the court with such allegations, as they know that I will give a response thus disclosing their fraud to the honorable court.

**NEGATIVE STRATEGY 15** – USA ivy league network derailing and destroying Indian college students to strangle the progress and development of this country.

Prayer points 18 and 19 pertaining to ICJ.  
Point 120 of plaint specially drafted for ICJ.

Hence I must represent myself before defendants, and serve summons myself and not through the court.

Prayer points 16 and 17.  
Request immediate interim relief from the Honorable court.

Prayer points 12 to 15.
