WORLDS LARGEST LAWSUIT BY FINAL LIABILTY CLAIM VALUE**

TO:

Mr. Prakash Gupta,

Joint Secretary, United Nations Political Division and Summits Division,

MEA India, JNB, Room no. 2025, A-wing, Janpath, New Delhi - 110011

FROM:

Srinivas S. Devathi, Indian citizen,

Plaintiff in OS 2487 of 2021 in Bangalore city civil court,

63, 11th B Cross, 3rd Main, Prashanthnagar, Bangalore - 560079

Subject: Sharing additional details about the second stage 'Liability claim stage of lawsuit'. Includes a laminated brochure about 'Project Earthling©'.

Mr. Prakash Gupta,

I, Srinivas S. Devathi, an Indian citizen, aged about 44 years, S/O Late D. Satyanarayana, residing at No. 63, 11th B Cross, 3rd Main, Prashanthnagar, Bengaluru – 560079, INDIA, am the plaintiff in OS 2487 of 2021.

In this communication, I attach (a) Press release from Press Club Bengaluru dated 18-03-2021. I also attach laminated enclosures A1 to A6 sent out with the Press Release. (b) I attach another laminated enclosure A7 that communicates the significance of my wealth allocation for Goal Year 2050, and the effects of the initiatives launched by me, and their cascading effects on at least 100 poor countries of the world. It also states the benefits of macroeconomic reform Project Earthling©. (c) My e-mail communication dated 01-09-2021 to EAM, MEA asking for your (Indian government) independent valuation of the final sale price of the

worldwide IP rights to patent US 8,910,998. It also includes my earlier communication dated 07-06-2021. If the price is reset to a higher sale price, the reset final price value will be distributed across the 62 sale agreements appropriately. (d) The Press release was also routed to the official communication ID'S of 62 PTO'S that are linked to my lawsuit, and correspond to 62 countries that must receive their country IP rights. In this context, I want to add that my earlier lawsuit details, worldwide fraud committed by D1-USPTO has already been communicated to 62 PTO'S, European regional office, Eurasian regional office, WIPO, worldwide media houses, all UN organs, ICJ, and Indian courts.

I request you and your Division to help trigger an invitation to me, to introduce the macroeconomic reform Project Earthling(c) at one of the world summits with 193 country member participation, such as WIPO assembly, or UNGA and bring it for its decisive voting and rollout, to take it LIVE. If you think it must be introduced to Indian media houses first, we could take that approach. The going live of Project Earthling(c) is relevant to the execution of 61 non-USA sale agreements.

I want to bring the wealth in a 'Neutral currency' that is not a domestic currency of any one country such as USA and that will enable us to build our own national treasury in Earthlings. This will ensure India is not a slave to USA by holding wealth in USD-\$. I want India to be a free and independent country, and not a slave country. In order to achieve these objectives, I need your attention, guidance, and participation in taking the reform LIVE. I look forward to your response.
