

PROJECT EARTHLING©. RESET GLOBAL ECONOMICS.

A GLOBAL MACRO-ECONOMIC REFORM WHICH HAS MONETARY AND ECONOMIC BENEFITS TO INDIA AND ALL THE 193 COUNTRIES IN THE WORLD. IT IS ALSO A GLOBAL BANKING REFORM.

- I authored Project Earthling©:
- To execute 62 IP rights sale agreements, one with each of the 62 countries where I have invention patent number US 8,910,998 IP rights according to patent cooperation treaty signed by 153 countries.
 - To bring a total of 93 trillion wealth into India and build our own national treasury reserve of 93 trillion in Earthling's currency (and not USD (\$)).
 - To secure the future of Hindus living in India and allow me to achieve goal year 2050 to realize my vision of making India a developed country by year 2050.
 - To end economic slavery of 192 countries, deliver real independence and true freedom to 192 countries, deliver economic independence and trade equality to all 192 countries.
 - To transform the world and deliver progress, development, and prosperity to all 192 countries.

This reform is 200 years too late. To terminate an ongoing macro-economic anomaly, end an economic flaw causing economic losses to 192 countries right now due to incorrect and higher import bills:

THIS REFORM MUST BE INTRODUCED AT UNGA (UNITED NATIONS GENERAL ASSEMBLY) AND BROUGHT TO DECISIVE VOTING OF ALL 193 COUNTRIES FOR ITS IMPLEMENTATION.

First step would be to introduce the reform to your subscribers by published and televised Indian media houses. Further, reach the world population. And make them aware of the reform and conduct healthy discussions about the reform. I request the cooperation of Indian media houses to carry the reform on its merits and do what is right for India and the world. (Articles 19, 21, 51, 51A of Indian constitution are cited in this regard).

USA cheated all the world countries for 160 to 240 years; by manipulating their currency (\$) and thus the price of commodities imported by countries. This is an ongoing problem, and it must stop. The immediate relief world countries are looking for:

To eliminate the ongoing import bill fraud being committed by USA.

Eliminate the two varying frames of reference. Manipulated \$ value, against the varying commodity price by its own demand and supply.

\$ (USD) must cease to exist as a global trade / transaction and bribing currency. Observe that it is the domestic currency of one country USA.

Introduction of Earthlings as a new global trade currency and national reserve currency is the immediate need of the world countries.

Project Earthling© going live will deliver:

REAL independence to all 192 non-USA countries.

TRUE freedom to all 192 non-USA countries.

Economic equality and freedom to all 192 non-USA countries.

Trade equality to all 192 non-USA countries.

Knock out punch to the ongoing USA import bill fraud imposed on 192 non-USA countries.

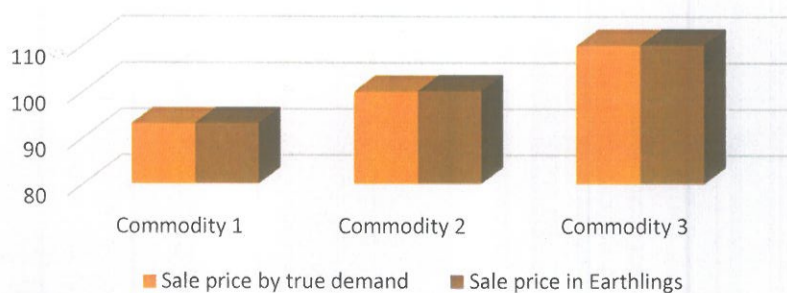

Simplifies the international banking system and eliminates multiple currency forex transactions between 193 countries.

It has several other advantages, benefits, and features, all of which can be accessed at my website webpage:
<https://srinivasdevathi.com/project-earthling/>

The higher import bills paid by most countries due to second moving frame of reference (a manipulated USD (\$)) and its monopoly, for a sustained period of 160 to 240 years.

Import bills of all 193 countries in Earthlings currency (Non-moving frame of reference). No one will get cheated.

EARTHLINGS CURRENCY SYMBOL

Earthlings currency will hold its value for a period of 10 years, before it is either strengthened or weakened for the benefit of global economy by GEC.

The list of top commodities traded by most world countries: Crude oil, Natural gas, Coffee, Gold, Iron, Silver, Copper, Aluminum, Sugar, Corn, Cotton, Soyabans. There are also other commodities which have all be incorrectly priced because of the manipulated \$ (USD) over the last 160 to 240 years.

160 years – since Goldman Sachs has been formed.

240 years – since USA got its independence.

Project Earthling© Implementation / Roll out steps:

Step 1 – The initiative must be introduced at several global forums, such as Economic forums, WTO, UN (UNGA), and informed to all country governments and Central banks (CB).

Step 2 – Discussions and voting. The introduction would lead to discussions at many levels. Post discussions, a UN voting must be conducted, with one vote per country on the subject. This initiative will be voted in. A governing body must be established (name (e.g., GEC - Global Earthling Council), governing team (e.g., One member from each country) and other details (e.g., role, responsibility, scope of work, charter, etc.)). Record opening national treasury balances of all 193 countries.

Step 3 – Once the initiative is voted in, we need to design the currency bills. (a) Billion, Half Billion, Million and Half Million Earthling bills for CB holdings and exchanges. (b) 10000, 5000, 1000, 500, 100 Earthling bills for citizen (international travelers) exchanges only. There shall be no other denomination (for e.g., currency bills of 50, 10, 5, 2 or 1 used for local purchase transactions). No country will allow purchase/sale (or local / domestic retail businesses) by using Earthlings. It is only an International trade currency, foreign exchange currency, national reserve currency, and not a currency for domestic trade or business.

Step 4 – Mint(s) that will print Earthlings shall be set-up in a single location. These mints will be governed by all countries (their representatives); and will be under 24*7 surveillance. The location should ideally be in India or Europe. City to be selected.

Step 5 – Flushing USD from all non-USA countries. Earthlings shall be printed to replace USD holdings of all countries (their CB'S). The exchanged USD'S should be retrieved and trashed / shredded (as in truly replaced). The replacement amounts will be equal to the recorded opening national treasury balances (see step 2).

Step 6 – Monitoring country treasury balances and controlling Earthling printing. Begin of normal – regular GEC operations.

Some features and advantages of Project Earthling©.

You can read about all the benefits at my website webpage: <https://srinivasdevathi.com/project-earthling/>

1. All global trade commodities will be priced in Earthlings.
2. All export items of all countries will be offered while priced in Earthlings. It will be a single global trade market, for each country's export items.
3. All global fund transfers (international wire transactions) will happen in Earthlings, thus simplifying global trade / transactions. E.g., Whether you are transferring funds to Europe, China, Japan, or Korea, you always do the international wire transfers in Earthlings, despite their local currency. The recipient Bank upon funds receipt in Earthlings, could either hold them in Earthlings or convert it to their local currency, as per its preference. Global banking is simplified. Many to many currency conversion headaches are removed for Banks.
4. All developing and least developed countries benefit significantly from this. USA and its economy will also be subjected to checks and balances.
5. Each country must have a special 'International trade Bank' which allows bulk (high value) Earthling transactions for registered global traders who do import / export of goods, to other entities in other countries who are in turn registered import / export traders in those countries. As another thought, all registered global traders who do import / export of goods must showcase their products online on their website, for bulk import / export deals ONLY and 'not for retail sales in the local or any foreign country'. This allows the registered global traders to be transparent to the government, CB, and the International trade Bank in the country.
6. All banks should allow international wire transactions in Earthlings, in smaller amounts with a cap, for regular citizens. This will be subjected to amendments by GEC over time.
7. Local or domestic business; whether online or offline, must be conducted in the local national currency only.
8. The initial exchange of each country's holdings into 'Earthlings' will be on record with GEC (Global Earthling Counsel); and such information will be fully transparent to all country's governments. Along with such data, the international trade numbers (done in Earthlings) of each country will also be on record and available to all countries. This curbs all fraudulent activities funded by bribes using any one local currency in a different country.
9. All global 'Money based rankings' could be done in Earthlings. For example, Forbes richest people listing cut-off could be by Billion Earthlings or more, GDP (nominal) of countries will be listed in Earthlings (GDP-PPP (by Purchasing Power Parity) will cease to exist as a national economic indicator), Global movies earnings and rankings could be in Earthlings, International flight tickets could be priced in Earthlings, International hotel stay pricing could be in Earthlings, International tourism packages pricing could be in Earthlings, Global commodity pricing will be in Earthlings, International products or services pricing by exporters will be in Earthlings, International sports tournament prize money could be in Earthlings.
10. Most forex reserves held by each country must be in Earthlings.
11. World Bank and IMF will cease to exist. So would the need for any world regional banks.
12. At international airports, point of departure, the forex stations should allow buying Earthlings against local currency. At the point of destination, forex counters should be able to convert Earthlings to the local currency of that country. So, most international travelers could only carry Earthlings and travel to any country and shall do fine upon landing.

About Author:

Completed BE (Mechanical) in year 1998. Inventor to patent US 8,910,998 with grant date of 16-12-2014.

Always interested in the subjects of economics, business, and corporate world.

Project Earthling© - A timeline marker for the World.

End of year 2015 – Conceived the macro-economic reform.

11/1/2019 – Authored, documented, and published Project Earthling©.

16/1/2019 – Filed for copyright with Indian Copyright office.

22/2/2019 – Indian copyright office issues copyright with registration number L-81033/2019.

One must not be surprised, if the 'AD' years (which came into effect after BC years) would now be reset to begin 'FE' years. Freedom by Earthling; or Freedom to Earthlings; years. Begin of a new era.

Each Country Earthlings reserve equation

Current Earthling reserve = Last year 'Earthling reserve' – Total FY Earthling reserves spent on national development work – Total FY imports + Total FY exports plus or minus Citizen activity.

Wherein;

Citizen activity is international travelers (incoming and outgoing) exchange of Earthlings to local currency and vice versa at forex counters; and plus or minus Non-business citizen remittances in Earthlings (incoming and outgoing) through Banks.

THIS IS THE CURRENT STATUS OF ALL THE NATIONAL AND REGIONAL STAGE APPLICATIONS THAT I FILED BY USING MY PCT INTERNATIONAL APPLICATION. I FILED A TOTAL OF 17 APPLICATIONS COVERING 61 NON-USA COUNTRIES. EPO APPLICATION PROVIDES COVERAGE TO 38 COUNTRIES. EAPO APPLICATION PROVIDES COVERAGE TO 8 COUNTRIES.

Name of the invention: Systems and methods for altering the color, appearance, or feel of a vehicle surface.				
Inventor: Srinivas S. DEVATHI		Citizenship: INDIAN		
Priority application #	14/227,859	Filed with a USA virtual office address. Regus paid correspondence address. 111, Congress Ave, Suite 400, Austin, TX - 78701, USA.	Other Sector PCT Applications

The other 91 PCT countries	PCT/US2014/046619	July 15, 2014	ABANDONED	On the respective national stage entry date deadlines

In summary, it is full liability claim from the defendants in USA.

A PCT international application when filed will have the same effect as filing applications in all the PCT contracting states on the same day of filing the PCT international application. In the countries where you do not enter the national stage within the national stage filing deadline, it is considered abandoned on the deadline for filing date.

BECAUSE OF THE USPTO FRAUD, THE COSTS OF REPEAT OFFICE ACTIONS BECAME UNSUSTAINABLE CAUSING LOSS OF APPLICATIONS AND CAUSING LIABILITY. USPTO IS LIABLE FOR LOSS OF FULL VALUE 93 TRILLION EARTHLINGS / \$.

THE INVENTION US 8,910,998 IP RIGHTS SALE PRICE BY THE NATIONAL STAGE AND REGIONAL STAGE APPLICATIONS IS GIVEN HERE.

COUNTRY / REGIONAL APP	Valuation (sale price) T – Trillion. Sorted descending.
Europe (38 Countries)	30.5 T
USA – Priority / Original application	22.5 T
Japan	12 T
Korea	7.5 T
China	7.5 T
Canada	3 T
India	2.25 T
Australia	2 T
Brazil	1.5 T
Mexico	1.5 T
Eurasia (8 countries)	0.55 T
South Africa	0.45 T
New Zealand	0.4 T
Philippines	0.3 T
Malaysia	0.3 T
Indonesia	0.3 T
Thailand	0.3 T
Nigeria	0.15 T
Total value of invention global IP rights (as conservative sale price)	93 Trillion Earthlings / \$

FOR WORLDWIDE IP RIGHTS SALE PRICE I HAVE CHOSEN CONSERVATIVE:

Expression of the range	10% of the 100-year projected economic activity of my invention across 62 countries. In Earthlings / \$
Conservative	<u>93 Trillion (Chosen)</u>
Conservative-Realistic	94 Trillion – 125 Trillion. I considered 110 Trillion as a final claim in this range.
Realistic	125 Trillion – 150 Trillion. Numerically, I can justify up to 150 Trillion.
Aggressive	150 Trillion – 250 Trillion
Exaggerated	250 Trillion – 300 Trillion

Can media houses conduct a poll locally or nationally to get the pulse of India and Hindus living in India; about the final sale price chosen?

Would India and Hindus living in India want me to claim conservative number of 110 Trillion?

Or a realistic number of 125 Trillion or 150 Trillion?

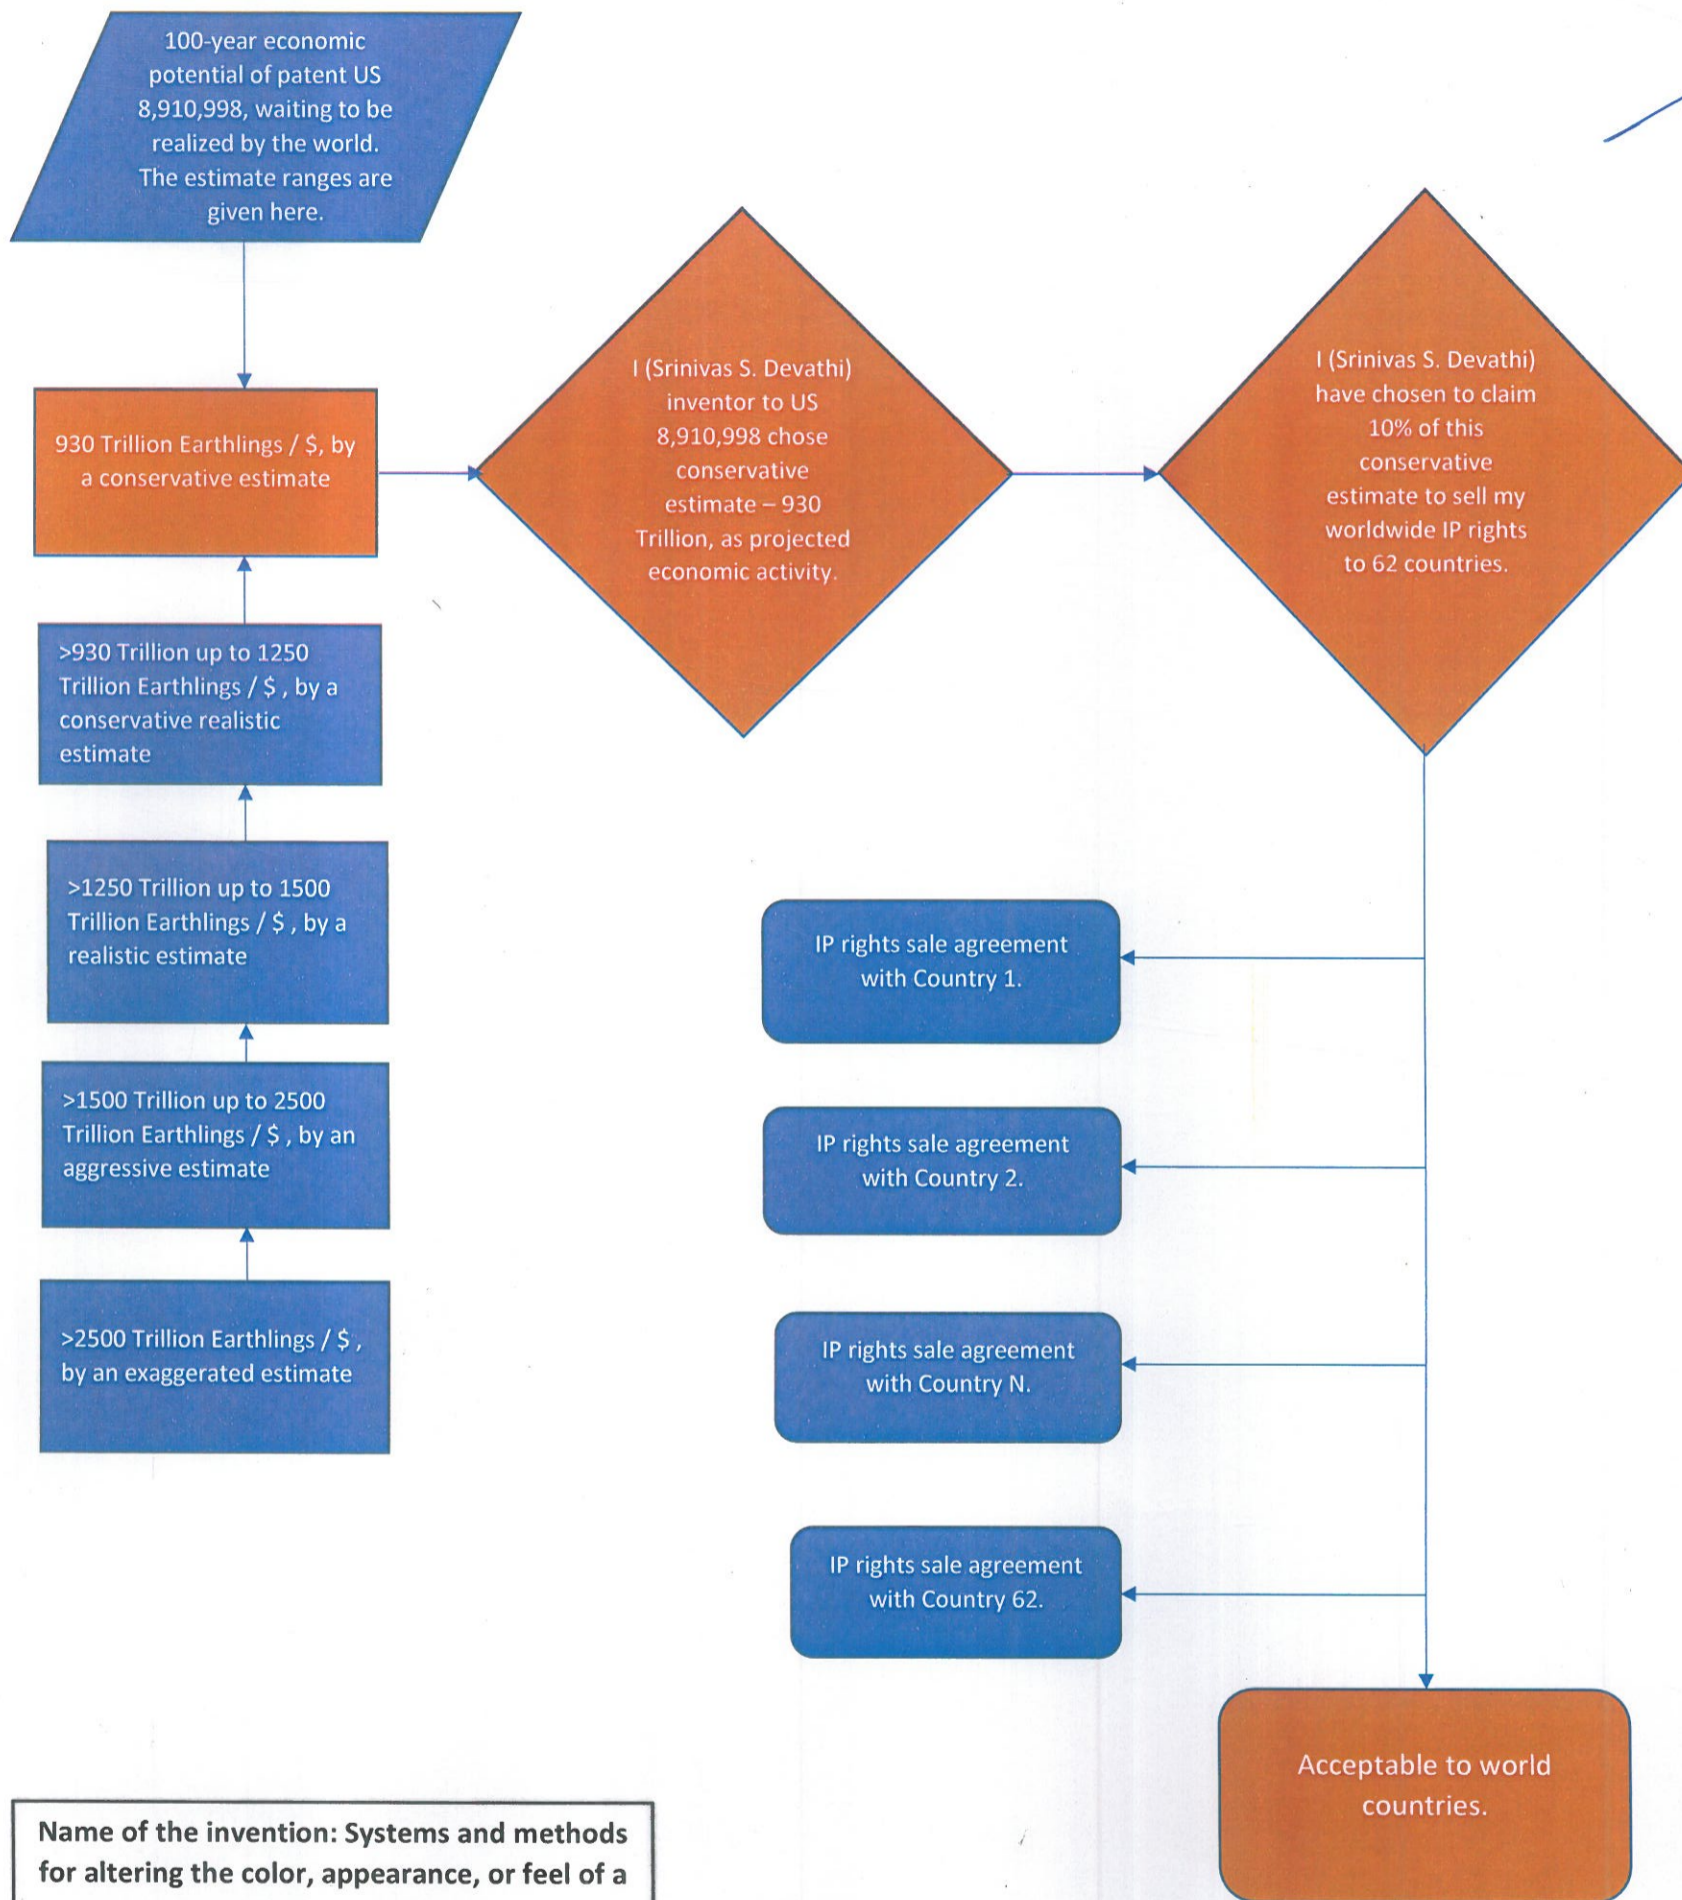

Or an aggressive number?

Because there is no 'asset valuation' authority in India that could certify my sale price, getting a public opinion on the final sale price would not hurt. The poll result might still be inconclusive, but will enable healthy discussions and awareness of the subject among Indian citizens. I will anyway be the final decision maker on the sale price.

USA IP RIGHTS SALE PRICE HAS ALSO BEEN SET CONSERVATIVE:

Expression of the range	10% of the 100-year projected economic activity of my invention for USA territory (\$)
Conservative	<u>22.5 Trillion (Chosen)</u>
Realistic	30 Trillion
Aggressive	40 Trillion

THE RIGHT (CORRECT) OPTION TO 193 COUNTRIES FOR DEALING WITH INVENTION OF SRINIVAS S. DEVATHI US 8,910,998 WITH A GRANT DATE OF 16-12-2014.

Total	93,000,000,000,000		

LIVING WILL

OF MR. SRINIVAS S. DEVATHI; LIVING AT 63, 11TH B CROSS, 3RD MAIN
PRASHANTH NAGAR, BANGALORE - 560079, INDIA

WILL EXPIRING ON - DEC 31, 2022

A NEXT VERSION WITH UPDATES CAN TAKE EFFECT SOONER. HOWEVER, THE OVERALL ALLOCATIONS WILL REMAIN SAME AS GIVEN IN THIS LIVING WILL.

ENCLOSURES: ID PROOF OF SRINIVAS S. DEVATHI - 2 PAGES. COPYRIGHT OF PROJECT EARTHLING © - 6 PAGES.

CONTEXT:

I, Srinivas S. Devathi, Inventor to 'Vehicle Color Change Technology' with patent grant from USPTO (Patent number US 8,910,998 with issue date of 16-12-2014 which is valued at 22.5 Trillion Earthlings/\$; and the technology's IP rights valuation from the other 61 Non-USA countries (17 national stage applications filed by using PCT international application number PCT/US2014/046619 with filing date of 15-07-2014, the value of which is set at 70.5 Trillion Earthlings/\$)); is valued and worth a total of 93 Trillion Earthlings/\$; as of today at a conservative estimated sale price of the invention global IP rights. This is the most important asset that must be addressed in this Will. It is fair to say that all my property / assets / wealth is intellectual property in the form of patents, patent applications and Trademarks.

Outside of the above listed intellectual property assets; I have some property and income from other regular sources which allows me to live my regular 'Middle class' income life in India. This property is nothing that anyone in India, or certainly USA citizens or their corporations would envy about or look to steal from me.

NO LEGAL HEIRS:

I, Srinivas S. Devathi, do not have any legal heirs. I am single (Divorce concluded in July 2012) with no children. So, I do not have any legal heirs; as all intellectual property in a person's name qualifies as his own earnings and any legal heirs of such property can only be his own family descendants.

Further, my siblings have no legal claim in this wealth either.

My father, who passed away on Jan 1st, 2018; has left enough (of his wealth) for my mother, to ensure her comfortable living for many years to come. Additionally, my mother would not know what to do with crores of rupees, and certainly does not know what to do with Trillions of Earthlings / \$.

Despite my mentioning of the names of my Father or Mother in one or more financial instrument forms (such as bank accounts, LIC policies, post office saving accounts, investment accounts, or other) as my nominee (for that financial instrument), this 'Living Will' shall override any such nomination forms being extrapolated for my Intellectual property assets listed above. Further, Intellectual property is not something that is claimed or inherited upwards in the family tree.

So, neither my mother nor my deceased Father can inherit or claim any portion of the 93 Trillion Earthlings / \$ wealth or asset.

SEPARATE INSTRUMENT:

In summary I do not have any legal heirs for the 93 Trillion Earthlings / \$ valued Intellectual Property. If I choose to assign anything to my mother or siblings, it shall be done so only by 'Executing a separate contract or agreement or legal instrument'.

CURRENT ASSIGNMENTS OF WEALTH FROM INTELLECTUAL PROPERTY:

The 93 Trillion Earthlings / \$ will be brought into India as my wealth in this year and next, legally via court proceedings. Depending on the way I execute contracts (Invention – Intellectual Property sale agreements) with all 62 countries; I may attract the wealth in partial payments spread over the IP tenure of my invention which ends in year 2034. As the wealth comes into my Indian Bank account(s), my yearly allocation of funds will be as given here:

- 90% of this 93 Trillion Earthlings / \$ wealth will be 'year-marked' or 'pledged' for a visionary goal defined by me called 'Goal Year 2050'; to make India a developed country.
 - o Half of this 90% (45% of total wealth) will be paid to Indian Government, all State Governments and Union Territories, with the following breakdown.
 - 20% as Long-term capital gains tax on the wealth earned to Indian Govt, payable to Commissioner of Income tax department.
 - 10% as 'India's Progress & Development' funds payable to Indian Govt, to Prime Ministers India development fund.
 - 15% distributed across all States and Union Territories, in proportion to their population (use census data from most recent census). For states, payable to each state Chief Ministers (respective) State development fund. For Union Territories, payable to Presidents Union Territory development fund.
 - According to the points mentioned above, I shall annually pay (or distribute) this portion of wealth and provide guidance to Indian Government and all 29 State Governments on doing the right projects, the right way until 'Goal year 2050' is achieved, by heading a unit called 'Indian Economic Council'.
 - o The other half of this 90% (45% of total wealth) is 'year-marked' or 'pledged' for Private side development projects / work which will be driven by me across India (which will further be followed and possibly emulated by at least 100 other developing and economically backward countries); through 'Earthling Foundations'. Initiatives will be rolled out through two Earthling foundations, one public and another private, which will get funds allocation with the following breakdown.
 - 22.5% will be allocated to the Public charitable Earthling Foundation Trust.
 - 22.5% will be allocated to the Private Earthling Foundation Trust.
 - The Legal entity of Foundation is expected to be formed soon. The registration papers for the foundation are prepared and can be registered anytime at the local sub-registrar office. However, recruiting the second trustee and other trustees is taking time, as I am looking to find the right Trustee who is patriotic, and energetic to work for this country all his life with commitment and dedication with my guidance. Updates on this will be provided in the next version of Living Will.
 - Both Public and Private charitable Earthling Foundation Trusts will roll out series of initiatives over the next 30 years, with allocated expenditure annually for projects that must be completed within that year; to achieve 'Goal year 2050'.
- 10% of this 93 Trillion Earthlings / \$ wealth will be 'My personal wealth' in my personal bank account and spent on my personal expenses and select personal projects across India.

I, Srinivas S. Devathi, Inventor to 'Vehicle Color Change Technology'; state that this is my Current active Living Will and this is how I want the money allocated, while alive or dead.

Srinivas S. Devathi
Inventor and Author

Bangalore, India

Date: 12/11/2020

TO, INDIAN MEDIA HOUSES,

I PRESENT THE DISTRIBUTION OF 93 TRILLION WEALTH IN INDIA, ACCORDING TO MY EXECUTED AND LEGALIZED LIVING WILL. THERE IS NO BETTER WAY TO CHANNEL THIS WEALTH GIVEN INDIA'S GDP TO POPULATION RATIO.

MY OBJECTIVE IS TO ROUTE THIS WEALTH FROM MY INVENTION TOWARDS 'GOAL YEAR 2050', A VISIONARY GOAL DEFINED BY ME TO MAKE INDIA A DEVELOPED COUNTRY BY YEAR 2050.

WHILE DOING SO, I WANT MY WORK TO BECOME ROLE MODEL TO 100 COUNTRIES THAT FALL INTO CATEGORIES OF POOR COUNTRIES, ECONOMICALLY BACKWARD COUNTRIES, EMERGING ECONOMIES, AND DEVELOPING COUNTRIES. I INTEND TO ACHIEVE THIS BY COVERAGE OF MY WORK BY WORLDWIDE MEDIA HOUSES AND/OR BY ESTABLISHING 'OBSERVER GROUPS'.

Distribution of 93 Trillion Earthlings wealth within India according to executed and legalized LIVING WILL of Srinivas S. Devathi, over the next 15 years period.		
		EARTHLINGS / \$
62 country IP rights sale	I, Srinivas S. Devathi, will bring the wealth via liability claim lawsuit proceeding to be filed in Indian courts, as per law for justice and equity, and enforcement of PCT, the Treaty.	93,000,000,000,000
45% of the total 93 Trillion wealth	Earthling Foundations Public Trust (22.5%). I will be heading the Earthling Foundations public trust and rolling out initiatives over the next 30 years, to achieve Goal Year 2050 for India.	20,925,000,000,000
	Earthling Foundations Private Trust (22.5%). I will be heading the Earthling Foundations private trust and rolling out initiatives over the next 30 years, to achieve Goal Year 2050 for India.	20,925,000,000,000
45% of the total 93 Trillion wealth	Indian Government, to Commissioner of Income tax department (20%)	18,600,000,000,000
	Progress & Development funds paid to (Indian Government), to Hon'ble Prime Ministers India Development Fund (10%)	9,300,000,000,000
	Progress & Development funds paid to (State Governments and Union Territories), to respective Chief Ministers State development fund, and for Presidents Union Territory development fund in case of Union Territories (15%)	13,950,000,000,000
	The distribution of the 15% contribution to State Governments and Union Territories is given in the table next page. The wealth distribution of 13,950,000,000,000 will be done according to population distribution across the states and union territories. 2011 population census data has been used for the wealth distribution.

I WANT TO COMMUNICATE TO THE MEDIA HOUSES THAT MY WORK WILL:

MAKE INDIA THE RICHEST COUNTRY BY ITS TREASURY HOLDINGS.

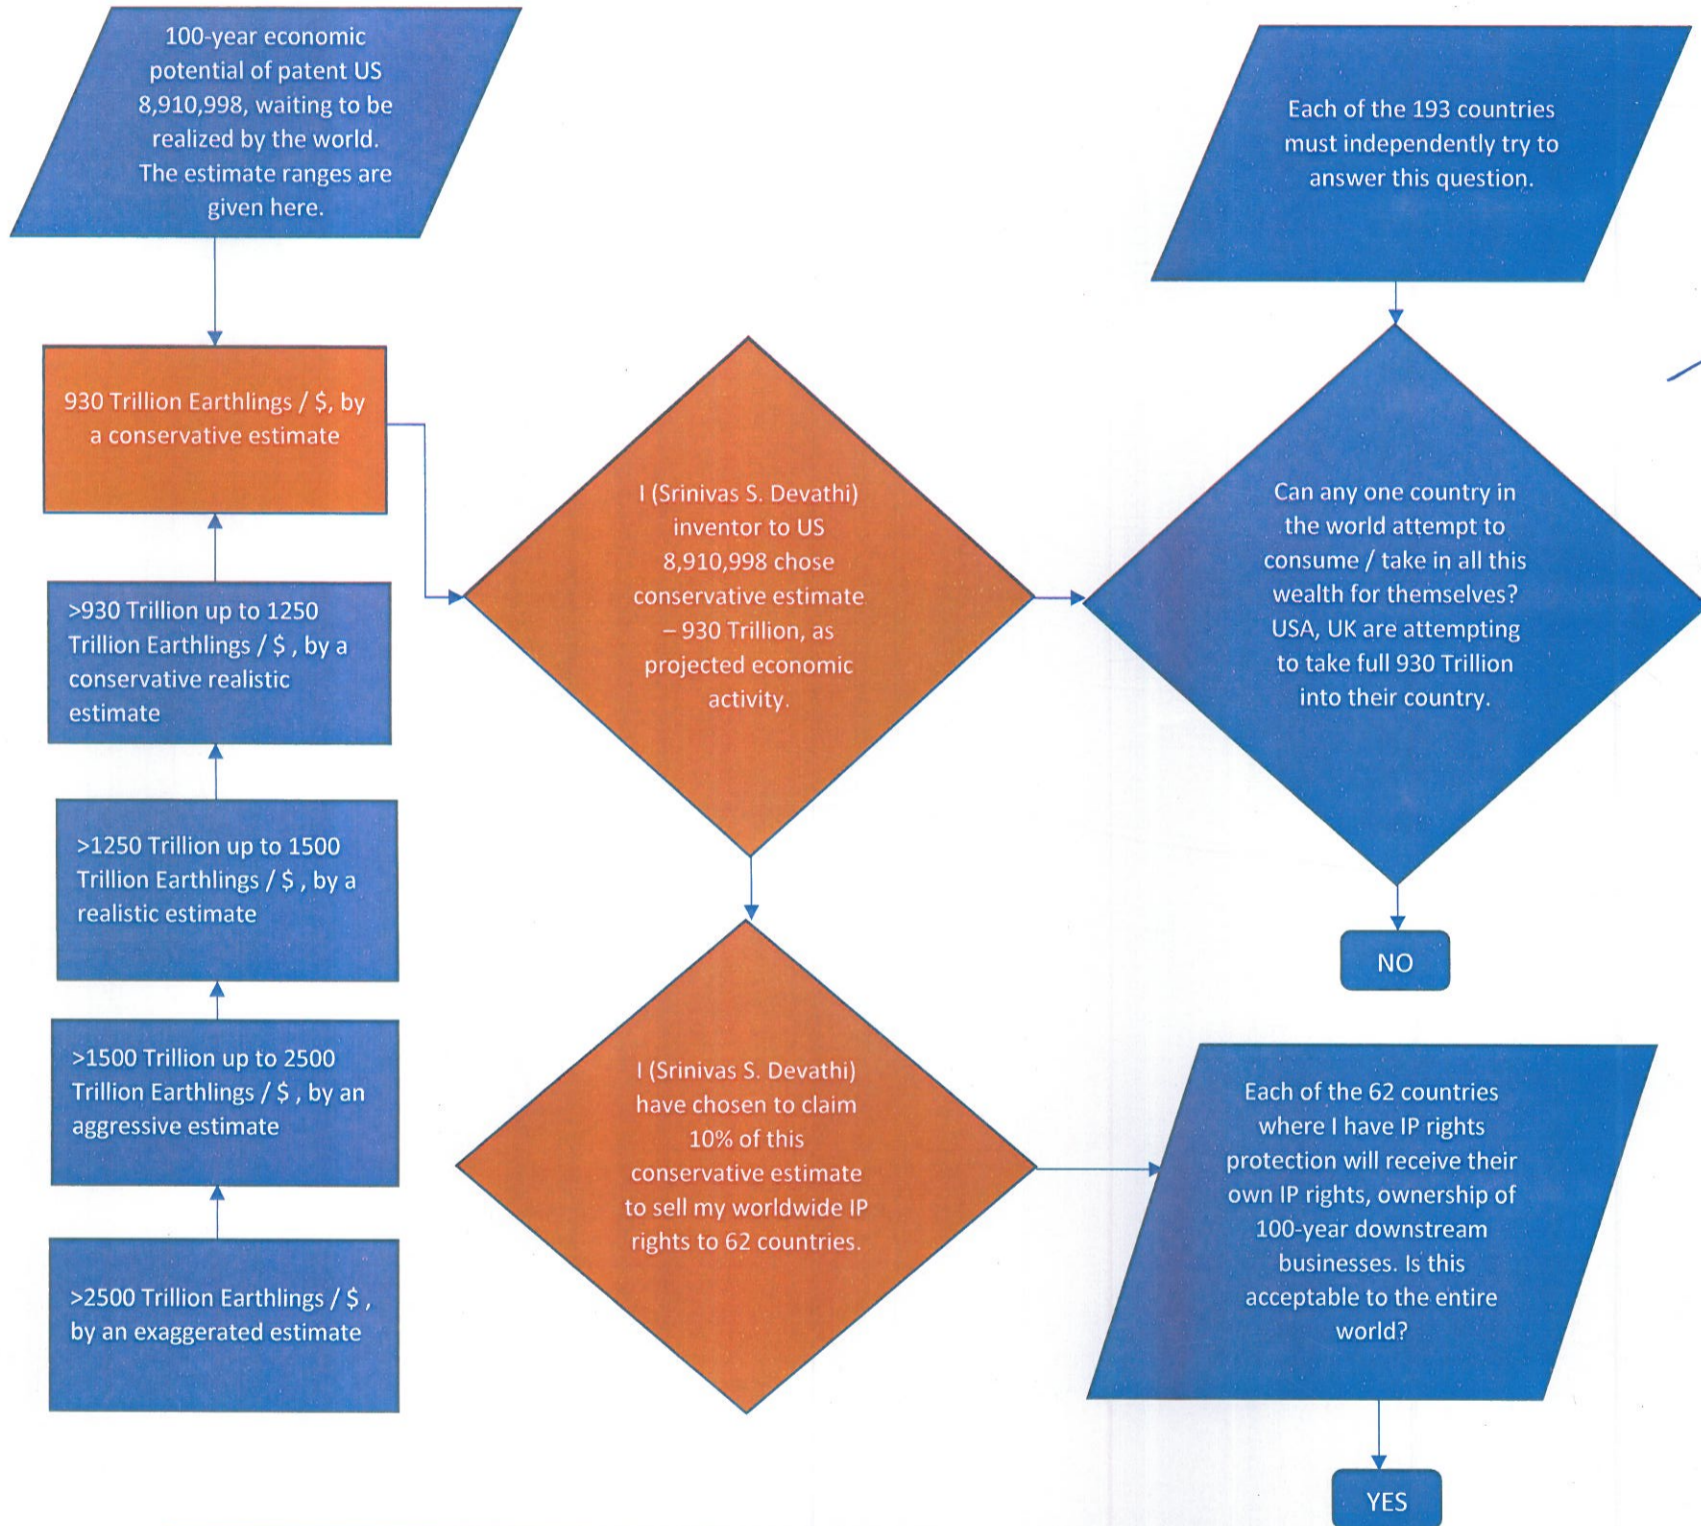

SECURE THE FUTURE OF INDIAN CITIZENS LIVING IN INDIA.

ENABLE END TO END PROGRESS & DEVELOPMENT WORK IN INDIA.

WHILE DOING ALL THE ABOVE, CONTRIBUTE TO THE BENEFIT OF THE WORLD.

THE GREED OF USA. THEY WANT TO STEAL THE FULL VALUE.
ANOTHER NEGATIVE TACTIC OF USA - FIRE SCAM IS DISCUSSED IN PAGE 2.

THE ONLY AVAILABLE OPTION TO 193 COUNTRIES FOR DEALING WITH INVENTION OF SRINIVAS S. DEVATHI US 8,910,998 WITH A GRANT DATE OF 16-12-2014.

[Handwritten signature]

CONCLUSION – THE ONLY OPTION AND THE PERFECT ONE AVAILABLE TO THE WORLD

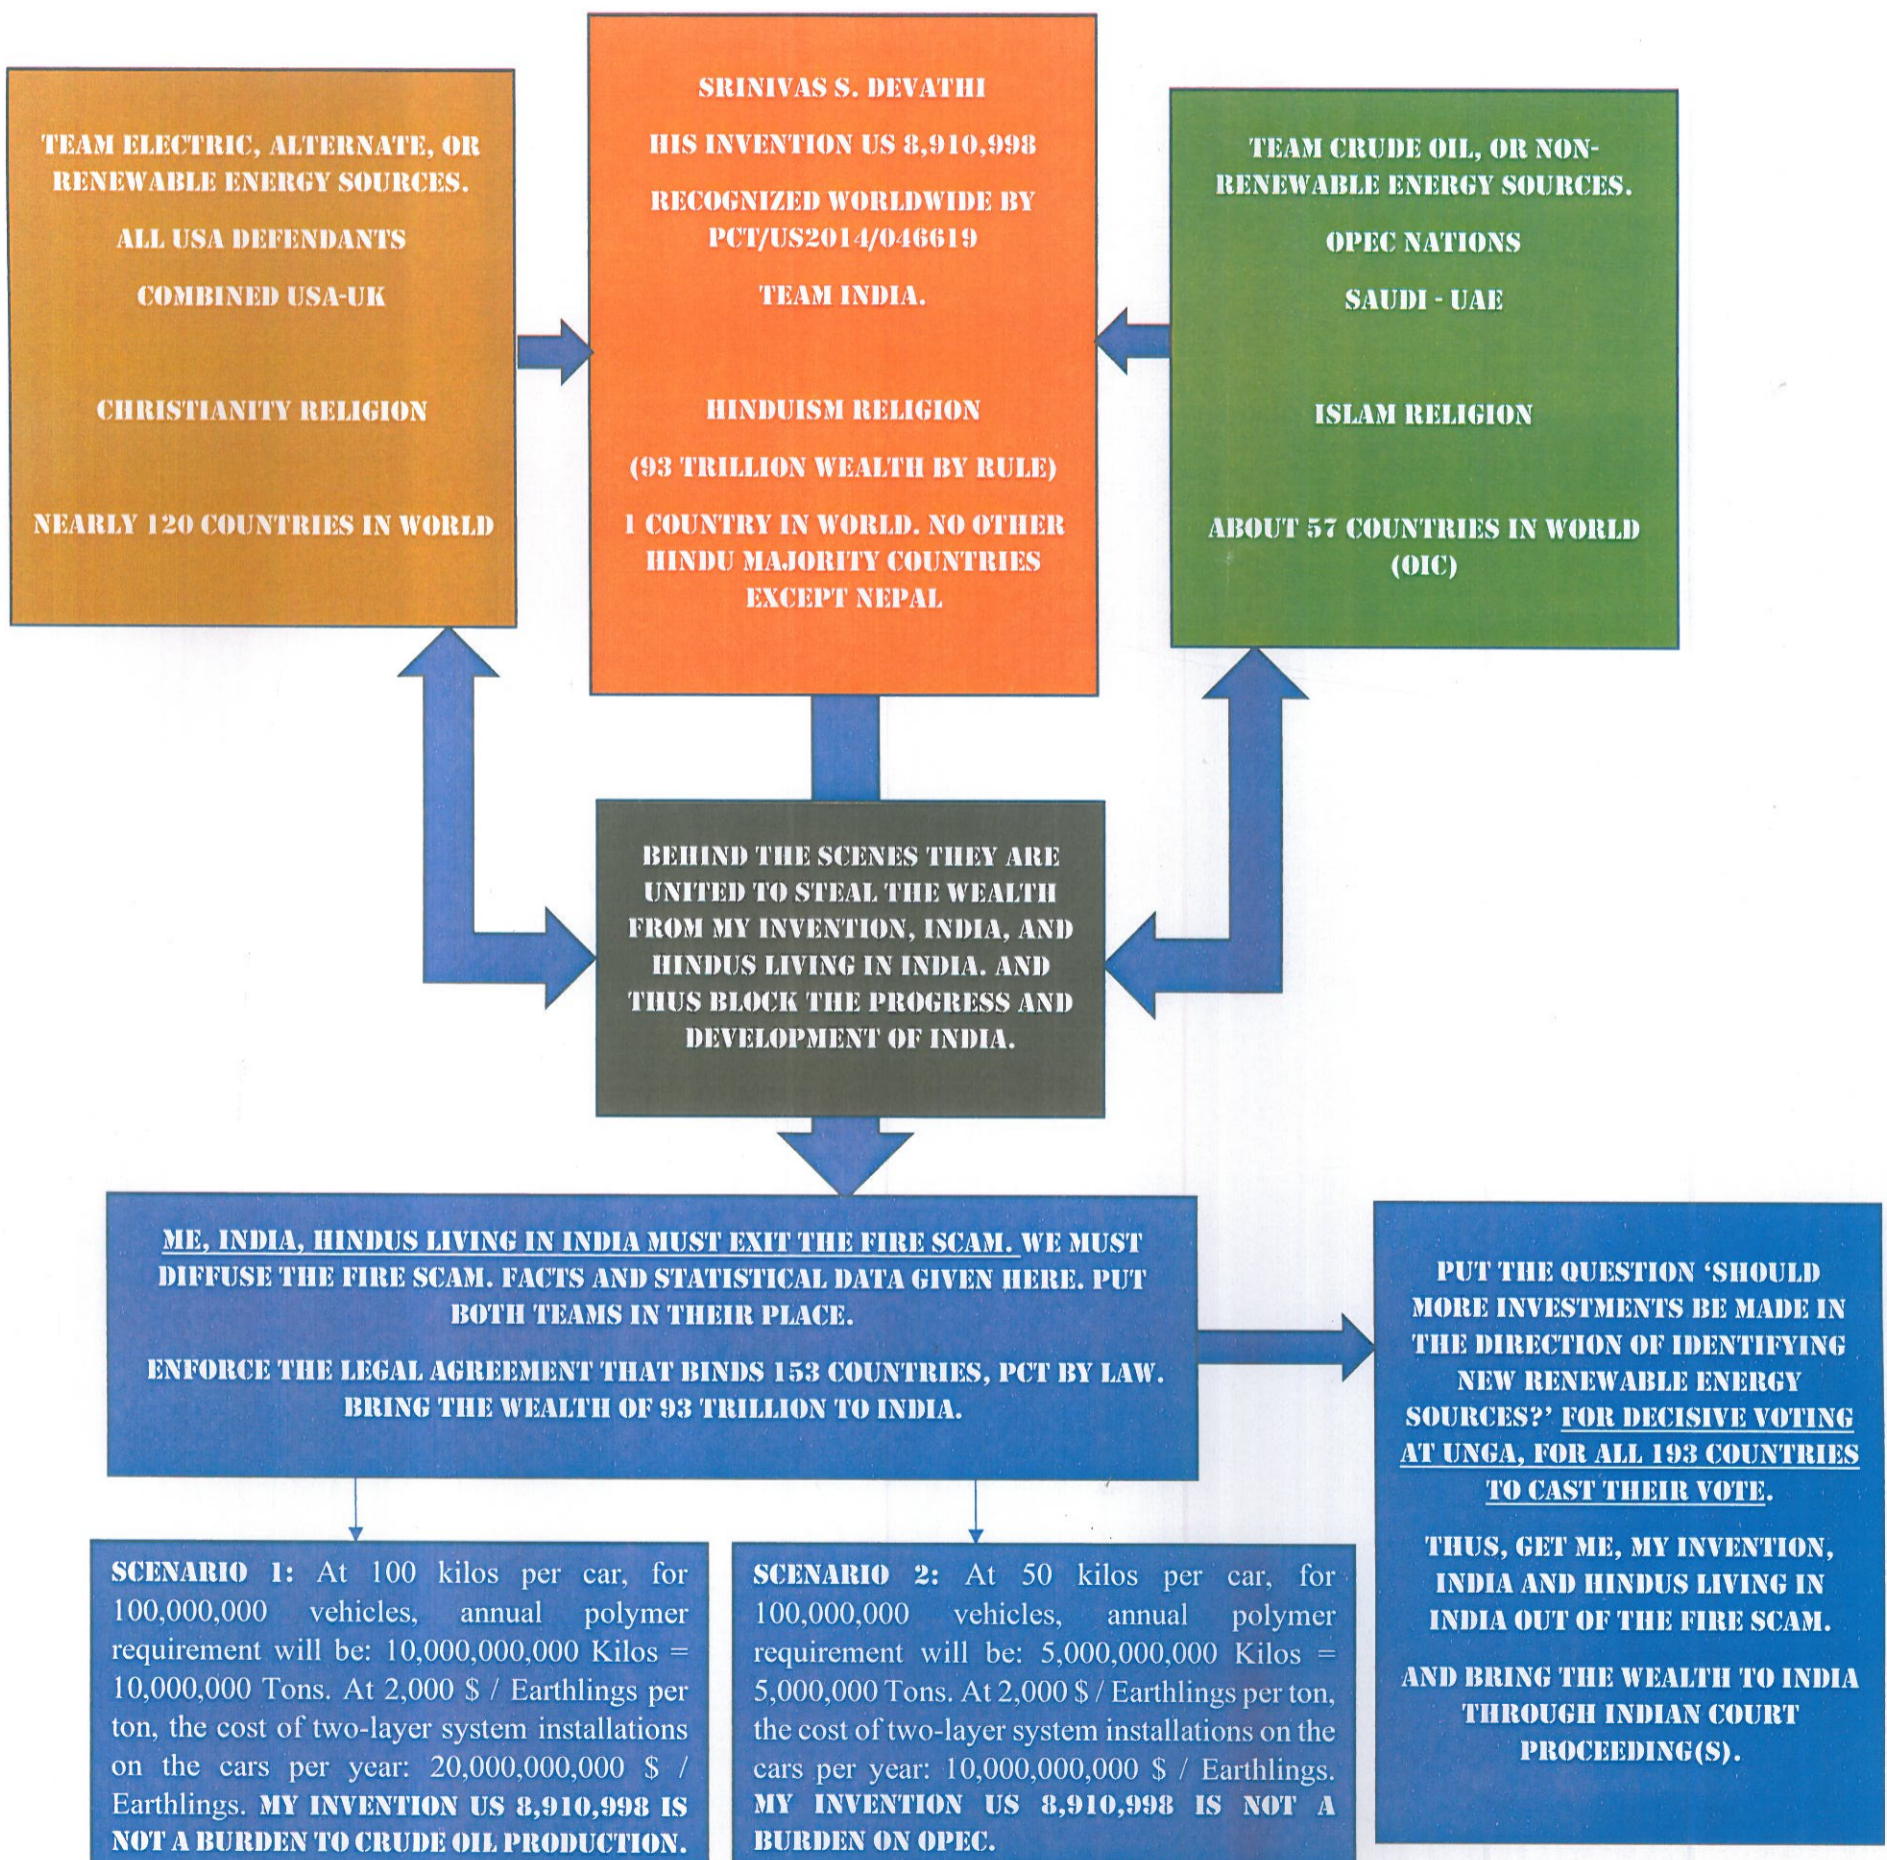

EACH OF THE 193 COUNTRIES MUST INDEPENDENTLY EVALUATE AND ANSWER THE QUESTIONS POSED IN BOXES ABOVE. A STRUCTURED DISTRIBUTION OF INTELLECTUAL PROPERTY RIGHTS (TO EACH OF THE 62 COUNTRIES) IS THE ONLY ACCEPTABLE AND FEASIBLE OPTION TO ALL 193 COUNTRIES. THERE IS NO OTHER METHOD OR OPTION AVAILABLE TO THE WORLD. WE CERTAINLY CANNOT HAVE ONE COUNTRY CONSUME ALL THIS WEALTH (E.G., 930 TRILLION). USA AND UK HAVE PRECISELY ATTEMPTED TO TAKE ALL 930 TRILLION TO LEAVE THE REST OF THE WORLD THAT MUCH POORER.

FIRE SCAM USED BY USA, UK, AND THEIR SELECT ALLIES.

MULTI-DIMENSIONAL SCAM – PLOT USED AGAINST MY INVENTION AND 93 TRILLION WEALTH.

INTENTIONALLY CREATED THE BI-POLAR WORLD, TO BLOCK MY WEALTH FROM COMING INTO INDIA.

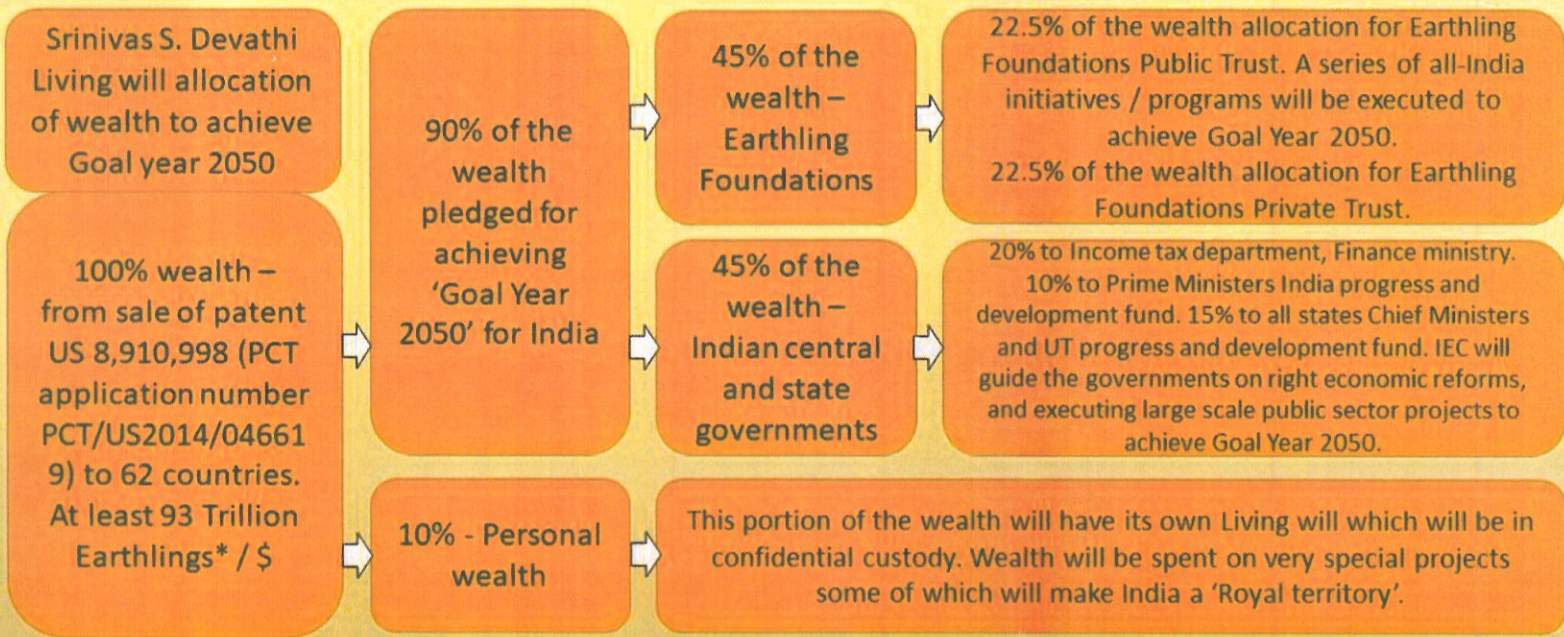

ME, MY INVENTION, INDIA, AND HINDUS LIVING IN INDIA MUST EXIT THE FIRE SCAM; HAND IT OFF TO UNGA AND BRING THE WEALTH FROM MY INVENTION (93 TRILLION) TO INDIA.

While this is one illustration, it must be understood that not all Christian countries are pro-renewable and anti-crude; and not all Islamic countries are pro-crude and anti-renewable. Only a decisive vote at UNGA will set the direction for the world and research investments. India must not be stuck in this created / fabricated 'Fire scam'.

THE TRANSFORMATIVE EFFECT OF INVENTION PATENT US 8,910,998, ITS ECONOMIC ACTIVITY, ITS WORLDWIDE IP RIGHTS SALE PROCEEDS, 90% OF THE WEALTH PLEDGED AND APPLIED TO ACHIEVE 'GOAL YEAR 2050' FOR INDIA, AND ITS REPLICATING AND CASCADING EFFECT ON AT LEAST 100 COUNTRIES IN THE CATEGORIES OF POOR, ECONOMICALLY BACKWARD, DEVELOPING COUNTRIES, AND EMERGING ECONOMIES.

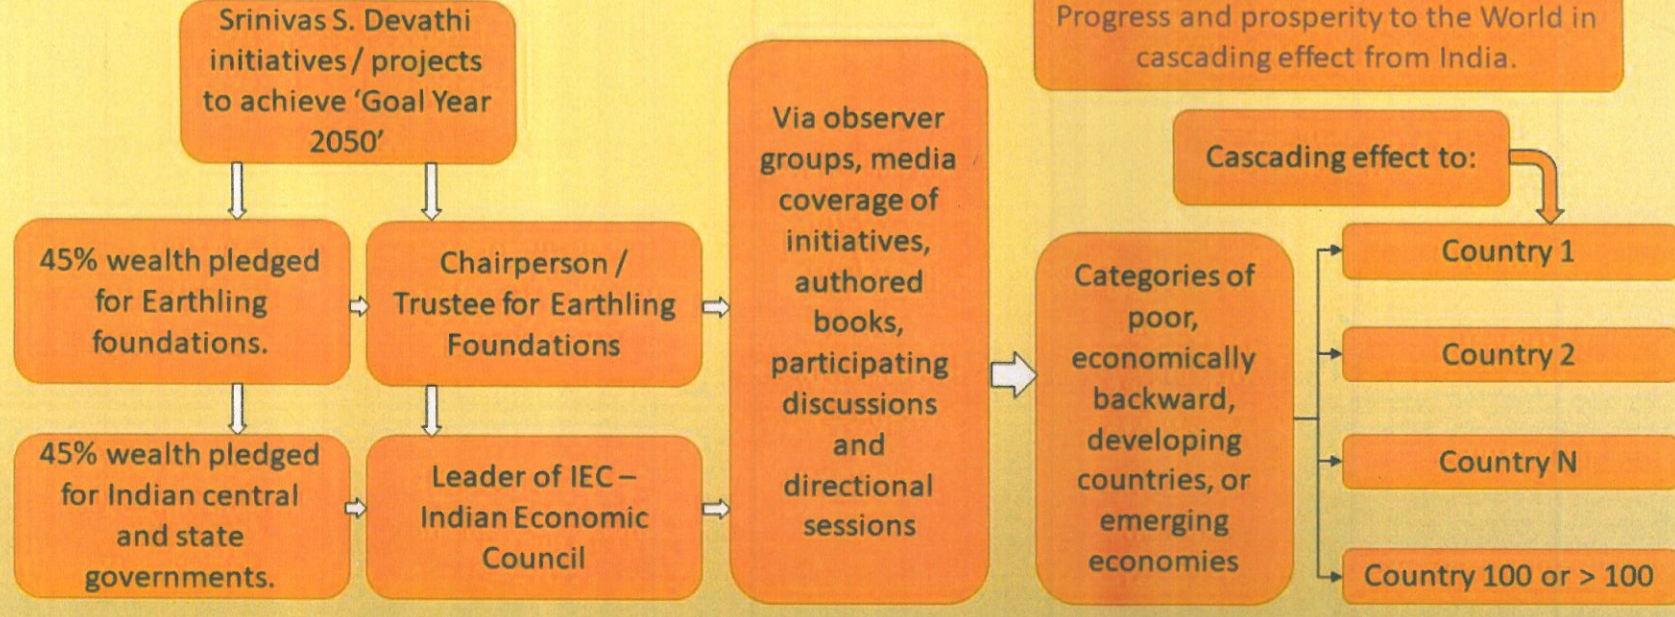

Srinivas S. Devathi – Allocation of wealth to achieve Goal year 2050.

30 April 2021 Allocation of wealth to achieve Goal Year 2050. * Read about Project Earthling©.

MY ALLOCATION OF WEALTH AND WORK OVER THE NEXT 30 YEARS, DONE THROUGH EARTHLING FOUNDATIONS AND ECONOMIC POLICY MAKING AND GUIDANCE THROUGH INDIAN ECONOMIC COUNCIL, WILL DELIVER A BLUEPRINT TO THE 100 POOR COUNTRIES OR MORE IN THE WORLD. MY WORK / INITIATIVES WILL ALL BE EXECUTED WITH FULL COVERAGE BY WORLDWIDE MEDIA HOUSES. THUS, ECONOMIC GROWTH, PROSPERITY, PROGRESS, AND DEVELOPMENT WOULD BE DELIVERED TO ALL THE POOR COUNTRIES IN THE WORLD.

Goal year 2050 – Cascading effect to 100 or more world countries.

30 April 2021 Goal Year 2050, Earthling Foundations, IEC work will be followed worldwide.

THE INVENTION, MY ALLOCATION OF WEALTH, AND ITS DOWNSTREAM EFFECT HAS SUCH POSITIVE EFFECTS TO ALL THE WORLD COUNTRIES, THAT IT IS IMPOSSIBLE TO IGNORE TRACKING THE PROGRESS OF THE LEGAL RESOLUTION OF THE LAWSUIT, AND THE EXECUTION OF THE 62 SALE AGREEMENTS TO THE FULL AND FINAL SALE PRICE OF THE WORLDWIDE IP RIGHTS TO PATENT US 8,910,998.

THE ETERNAL POSITIVE EFFECTS OF MY AUTHORED REFORM 'PROJECT EARTHLING©' ARE IMPOSSIBLE TO IGNORE BY THE WORLD COUNTRIES AND IN FACT IT IS A REFORM THAT SHOULD HAVE GONE LIVE 240 YEARS OR EVEN 500 YEARS AGO. IT MUST GO LIVE NOW.

Positive effect to all 193 world countries. Only a few listed.
Project Earthling© and Cascading effect of Goal Year 2050.

PROJECT EARTHLING©

The list of non-monetary benefits: It delivers equality across all 193 countries

- Trade equality
- Business equality
- Economic equality

It ends all forms of slavery

End of economic slavery
Economic slavery imposes all other forms of slavery across world. This must be clearly understood by all countries and the world citizens. When the economic slavery is eliminated by a neutral currency such as 'Earthling' currency that is not a local domestic currency of any one country, that terminates all forms of other slavery.

It delivers true independence to the World

Real Freedom to all 193 countries
The day Project Earthling© goes live might be declared as the 'WORLD INDEPENDENCE DAY'. THE DAY WHEN ALL 193 COUNTRIES GOT FREEDOM AND INDEPENDENCE.

It ends all forms of bribing and sponsoring illegal activities in another country

A suitcase of USD has been used as a bribe by USA for the last 240 years across the world covering all 193 countries. They were the one who built the 'havala' network to exchange the USD bribes doled out in all other 192 countries in local currency to get the USD currency back into their country.
When bribes in USD across the world are terminated, the worldwide problems 'created by USA, UK, in a planned, well thought out plots to destroy the other countries' would come to an end. Real 'law and order' shall start to show its effects across the 191 other countries. It will have its positive effects on USA and UK also. They will begin to cure their diseases and vices.
The world must be properly governed by a real union of countries, a genuine version of UN that is paid in Earthling currency.

CASCADING EFFECT OF GOAL YEAR 2050

For the 100 or more countries that are looking to get rid of poverty and achieve progress and prosperity:

It delivers a roadmap to all the countries to follow and emulate for their own country's economic growth. This roadmap could be used by poor, economically backward, developing countries, and emerging economies.

GEC will give 'Economic development' packages for poor and economically backward countries.

The combination of economic policies rolled out by Indian economic council, and the series of initiatives that will be launched by Earthling foundations over the next 30 years will be the full roadmap or blueprint for the world countries to emulate.

The 100 or more countries looking for progress and development, will reach their own countries economic goals in decades to come, and at the pace at which they choose to emulate the efforts within their countries.

17 May 2021

Project Earthling© and cascading effect of goal year 2050.

HIGH LEVEL OBJECTIVE OR GOAL ACHIEVEMENT TIMELINE THAT COULD BE SET BY 100 OR MORE COUNTRIES FOR THEMSELVES:

BY THE END OF THIS CENTURY (YEAR 2100), ALL 100 OR MORE COUNTRIES MUST STRIVE TO BE IN THE CATEGORY OF ECONOMICALLY RICH, FULLY DEVELOPED WITH PEACE AND PROSPERITY WITHIN THEIR COUNTRIES.

THE BENEFITS OF PROJECT EARTHLING© WILL BE FELT BY ALL HUMAN BEINGS AND ALL 193 COUNTRIES FOR AT LEAST NEXT FEW MILLENNIA.
