**MEMORANDUM UNDER ORDER V RULE 3 (1) OF CODE OF CIVIL
PROCEDURE**

I, Srinivas S. Devathi, plaintiff, party-in-person in this lawsuit request court to issue orders under order V rule 3 (1) of CPC, issue summons for personal appearance of the defendants for the next court hearing date.

Further, I request the court to issue orders to have the defendants 'appear in person' for all the upcoming court hearings of this lawsuit, until the conclusion of the lawsuit, for the following reasons specified:

REASONS:

To achieve the 'UNITED INDIA OBJECTIVE':

I want to get USPTO to remediate their worldwide fraud and breach of Patent Cooperation Treaty, and then execute 62 sale agreements, one each with each of the 62 countries, and bring the right amount of wealth into India in the new currency that I have defined, Earthlings. While doing so, we deliver real freedom to 192 world countries. Further go onto deliver the right governance model for 193 countries, that is sustainable and will last for Millenia to come.

SCALE OF THE LAWSUITS: CONNECTED TO ALL THE WORLD COUNTRIES

The lawsuit is connected to 62 countries directly, 153 countries via Patent Cooperation Treaty, and all the world countries economically.

- 1) The legal course of action will involve bringing leaders of 62 world countries into India for executing all 62 sale agreements as part of lawsuit OS 2487 of 2021, and build 'Indian own treasury, largest in the world', according to law, and Patent cooperation Treaty.
 - a. Further, to achieve this objective in the planned and proposed timeline of two-years, described in the plaint and document 15.
 - b. To execute, implement, take action upon the court orders, given for all the listed prayer points in this lawsuit.
- 2) Nothing is more important than national security, patriotism for India, economic growth, and progress of India.
 - a. The wealth I bring will allow me, us to achieve 'Goal year 2050' for India. Which will have cascading effects to many other countries.
 - b. Duty to the country is above everything else. Hence, we must give this lawsuit the highest priority.
- 3) All the activities from the event of 'Fraud elimination by USPTO' will be in the eye of the worldwide media houses.
 - a. The attention of the entire world is expected to be on these court proceedings.
 - b. Further, there might be a need to conduct regular media conferences to address their curiosity, and get the right media coverage.
- 4) This lawsuit along with the related other lawsuits, are going to be case studies for law schools of all the world countries.
 - a. Given the work involved, all our actions must be aligned with the law, and must be judicially accurate.
 - b. By way of judicial court orders, actions at the highest level can be enforced across India and the linked world countries.

EXERCISE COMMAND AND AUTHORITY WITHIN THEIR ORGANIZATION UPON COURT ORDERS:

For the reasons stated above and the united India objective the defendants must take executive action, issue orders within their respective organizations,

exercise necessary authority, to get the planned activities, tasks completed on time, thus adhering to the two-year proposed plan. Hence, the following Heads, Leaders, Executives, Decision makers of the defendants must be present in the court, for all the hearing dates until the lawsuit conclusion.

Given that the lawsuit is linked to 62 countries directly, 153 countries via PCT, all the world countries economically, the valuation of my invention US 8,910,998 B1, and the wealth that will be brought into India by me through this Honorable court, the mentioned Heads, Leaders, Executives, Decision makers of the defendants must make this lawsuit their 'subject of full attention, and concentration', and must make full time for this lawsuit.
