To,
Mrs. Uma Sekhar, Mr. Neeraj Kumar, Mr. Dua

Thanks for organizing this webex meeting. I have taken time to describe the 'Breach of Patent Cooperation Treaty articles 18(2) and 19(1) committed by uspto on 5-8-2015'. The Honorable court is ready to initiate the proceeding against uspto, and summon other defendants including 'World intellectual property organization, International Bureau, who would assist the court with discovery and fact finding'. When OS 2487 of 2021 was dismissed the court indicated that I come back with the 'Consent letter of Indian central government' and that they would initiate the proceeding.

I request that the 'Consent letter of Indian central government certified in writing by a secretary to Indian central government, to sue united states patent and trademark office, uspto, and summon World intellectual property organization, International Bureau, WIPO to assist the court with discovery and fact finding' be issued by your division and ministry.
