To,
Mr. Daren Tang, Director General of WIPO, International Bureau
Mrs. Reischle Matthias, Legal Officer at WIPO,
and Mrs. Agnes, The contact for all subjects related to the PCT international application
PCT/US2014/046619

WIPO, International Bureau is a self-financing organization as disclosed on your website. You are now familiar with the organization 'Earthling Council, EC' or 'Global Earthling Council' - GEC referred in my copyright work, and are also appraised about some of the core world councils of the New world order. Given this, a world organization such as WIPO, International Bureau must be financed in an 'annual reimbursement model' against your presence in any country and its related expenses in local currency, in the world neutral currency 'Earthlings' directly by EC / GEC.

I attach a document, pdf file with this communication that I would request you to 'read in detail' at your earliest convenience. The document lists the benefits of direct financing for your organization, WIPO, International Bureau by EC/GEC. Do not hesitate to write to me with your questions or remarks.
