REMARKS: I, Srinivas S. Devathi, Inventor and seller of intellectual property rights to your territory for invention US 8,910,998 B1 recognized worldwide by PCT international application PCT/US2014/046619; would sign the sale agreement as seller through the Indian court proceeding. In different countries; powers, role and responsibilities bestowed to their government Prime Minister, and President are different. I have listed the one who would exercise executive and legislative powers to head and govern the country from information available online. Upon elimination of worldwide fraud by USPTO, and upon the orders of Indian court, I would like to structure and coordinate the execution of these sale agreements by co-ordinating with the divisions of Indian Ministry of External Affairs say in a span of four months in the year 2024. Upon Indian court orders, Legal and Treaties division of MEA India would join me in the court proceeding, to participate and assist the Honorable court with the required legal documentation, legal verification of the buyer, payor, co-ordinate the leaders visits to the Honorable court in India, and get the 62 sale agreements executed. The sale includes the claims in PCT international applications PCT/IB2016/050993, PCT/IB2016/050994, and PCT/IB2016/050995.

PROJECT EARTHLING©. RESET GLOBAL ECONOMICS.

A GLOBAL MACRO-ECONOMIC REFORM WHICH DELIVERS REAL FREEDOM, TRUE INDEPENDENCE, TRADE EQUALITY, BUSINESS EQUALITY, AND ECONOMIC EQUALITY TO 192 COUNTRIES IN THE WORLD. IT IS ALSO A GLOBAL BANKING REFORM, THAT SIMPLIFIES INTERNATIONAL BANKING. FURTHER, THE REFORM ENDS ALL FORMS OF SLAVERY IN THE WORLD, BY BRINGING DISTINCTION BETWEEN LOCAL DOMESTIC CURRENCY AND A NEUTRAL INTERNATIONAL CURRENCY.

ALL THE 192 COUNTRIES IN THE WORLD, IN A LEVEL ECONOMIC PLAYING FIELD, CAN BUILD THEIR ECONOMIES INDEPENDENTLY, ACHIEVE PROSPERITY, AND PLAN TO BUILD THEIR OWN NATIONAL TREASURY WEALTH. THE ECONOMIC INDEPENDENCE WITH NO OTHER COUNTRY CONTROLLING YOU WITH A FINANCIAL LEVER IS PRICELESS.

A macro-economic flaw persisted in the world for 245 years. Usa by building their usd-\$ monopoly has cheated the rest of the world countries and used it as a FINANCIAL LEVER to control, dominate, and render 192 countries as their slave countries. This reform is 250 years too late. To terminate the persisting macro-economic anomaly, that is causing economic losses to 192 countries right now due to incorrect and higher import bills:

THIS REFORM MUST BE INTRODUCED AT WIPO (WORLD INTELLECTUAL PROPERTY ORGANIZATION) SUMMIT AND BE BROUGHT TO DECISIVE VOTING OF ALL 193 COUNTRIES FOR ITS IMPLEMENTATION. IT COULD ALSO BE INTRODUCED IN ECONOMIC FORUMS AND AT WTO OR UNGA.

USA cheated all the world countries for 162 to 245 years; by manipulating their currency (\$) and thus the price of commodities imported by countries. This is an ongoing problem, and it must stop. The immediate relief world countries are looking for:

To eliminate the ongoing import bill fraud being committed by USA.

Eliminate the two varying frames of reference. Manipulated \$ value, against the varying commodity price by its own demand and supply.

\$ (USD) must cease to exist as a global trade / transaction and bribing currency. Observe that it is the domestic currency of one country USA.

Introduction of Earthlings as a new international trade, international business, foreign exchange, and national reserve currency is the immediate need of the world countries.

Project Earthling© going live will deliver:

REAL independence to all 192 non-USA countries.

Ends all forms of slavery imposed on 192 non-USA countries.

Economic equality and independence to all 192 non-USA countries.

Trade equality and business equality to all 192 non-USA countries.

Knock out punch to the ongoing USA import bill fraud imposed on 192 non-USA countries.

Simplifies the international banking system and eliminates multiple currency forex transactions between 193 countries.

It has several other advantages, benefits, and features, all of which can be accessed at my website webpage:

<https://srinivasdevathi.com/project-earthling/>

The higher import bills paid by most countries due to second moving frame of reference (a manipulated USD (\$)) and its monopoly, for a sustained period of 162 to 245 years.

Import bills of all 193 countries in Earthlings currency (Non-moving frame of reference). No one will get cheated.

EARTHLINGS CURRENCY SYMBOL

Earthlings currency will hold its value for a period of 10 years, before it is either strengthened or weakened for the benefit of global economy by GEC.

The list of top commodities traded by most world countries:

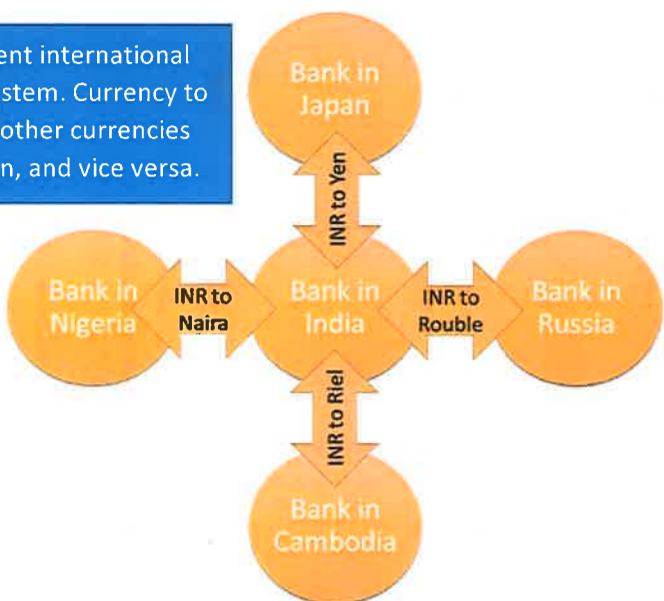

Crude oil, Natural gas, Coffee, Gold, Iron, Silver, Copper, Aluminum, Sugar, Corn, Cotton, Soyabeans. There are also other commodities which have all be incorrectly priced because of the manipulated \$ (USD) over the last 160 to 240 years.

162 years – since Goldman Sachs has been formed.

245 years – since USA got its independence.

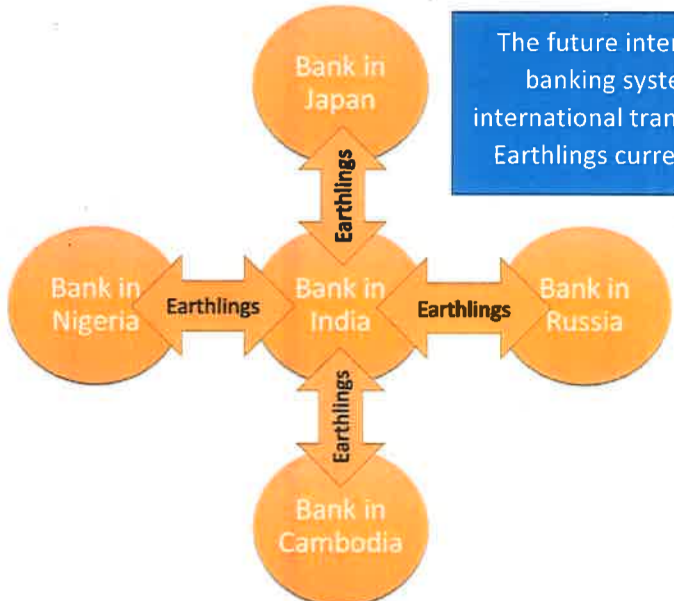

INTERNATIONAL BANKING SIMPLIFIED. BANKS DO NOT HAVE TO DO THEIR LOCAL CURRENCY TO MULTIPLE OTHER COUNTRY CURRENCIES CONVERSIONS FOR INTERNATIONAL TRANSACTIONS, OR WIRE TRANSFERS. ALL INTERNATIONAL TRANSACTIONS, AND WIRE TRANSFERS TO ALL COUNTRIES COULD BE DONE IN EARTHLINGS CURRENCY.

The current international banking system. Currency to multiple other currencies conversion, and vice versa.

As shown in left side illustration, Indian banks allowing international wire transfers must convert Indian Rupees into other currencies as shown, to Yen, to Naira, to Riel, to Ruble. Mutatis mutandis for banks of other countries Japan, Nigeria, Cambodia, Russia. As shown on the right side, international banking and wire transfers fully simplified, and will happen in Earthlings currency only.

The future international banking system. All international transactions in Earthlings currency only.

Some features and advantages of Project Earthling©.

You can read about all the benefits at my website webpage: <https://srinivasdevathi.com/project-earthling/>

1. All global trade commodities will be priced in Earthlings.
2. All export items of all countries will be offered while priced in Earthlings. It will be a single global trade market, for each country's export items.
3. All global fund transfers (international wire transactions) will happen in Earthlings, thus simplifying global trade / transactions. E.g., Whether you are transferring funds to Europe, China, Japan, or Korea, you always do the international wire transfers in Earthlings, despite their local currency. The recipient Bank upon funds receipt in Earthlings, could either hold them in Earthlings or convert it to their local currency, as per its preference. Global banking is simplified. Many to many currency conversion headaches are removed for Banks.
4. All developing and least developed countries benefit significantly from this. USA and its economy will also be subjected to checks and balances.
5. Each country must have a special 'International trade Bank' which allows bulk (high value) Earthling transactions for registered global traders who do import / export of goods, to other entities in other countries who are in turn registered import / export traders in those countries. As another thought, all registered global traders who do import / export of goods must showcase their products online on their website, for bulk import / export deals ONLY and 'not for retail sales in the local or any foreign country'. This allows the registered global traders to be transparent to the government, CB, and the International trade Bank in the country.
6. All banks should allow international wire transactions in Earthlings, in smaller amounts with a cap, for regular citizens. This will be subjected to amendments by GEC over time.
7. Local or domestic business; whether online or offline, must be conducted in the local national currency only.
8. The initial exchange of each country's holdings into 'Earthlings' will be on record with GEC (Global Earthling Counsel); and such information will be fully transparent to all country's governments. Along with such data, the international trade numbers (done in Earthlings) of each country will also be on record and available to all countries. This curbs all fraudulent activities funded by bribes using any one local currency in a different country.
9. All global 'Money based rankings' could be done in Earthlings. For example, Forbes richest people listing cut-off could be by Billion Earthlings or more, GDP (nominal) of countries will be listed in Earthlings (GDP-PPP (by Purchasing Power Parity) will cease to exist as a national economic indicator), Global movies earnings and rankings could be in Earthlings, International flight tickets could be priced in Earthlings, International hotel stay pricing could be in Earthlings, International tourism packages pricing could be in Earthlings, Global commodity pricing will be in Earthlings, International products or services pricing by exporters will be in Earthlings, International sports tournament prize money could be in Earthlings.
10. Most forex reserves held by each country must be in Earthlings.
11. World Bank and IMF will cease to exist. So would the need for any world regional banks.
12. At international airports, point of departure, the forex stations should allow buying Earthlings against local currency. At the point of destination, forex counters should be able to convert Earthlings to the local currency of that country. So, most international travelers could only carry Earthlings and travel to any country and shall do fine upon landing.

About Author:

Completed BE (Mechanical) in year 1998. Inventor to patent US 8,910,998 with grant date of 16-12-2014.

Project Earthling© - A timeline marker for the World.

End of year 2015 – Conceived the macro-economic reform.

11/1/2019 – Authored, documented, and published Project Earthling©.

16/1/2019 – Filed for copyright with Indian Copyright office.

22/2/2019 – Indian copyright office issues copyright with registration number L-81033/2019.

One must not be surprised, if the 'AD' years (which came into effect after BC years) would now be reset to begin 'FE' years. Freedom by Earthling; or Freedom to Earthlings; years. Begin of a new era.

Each Country Earthlings reserve equation

Current Earthling reserve = Last year 'Earthling reserve' – Total FY Earthling reserves spent on national development work – Total FY imports + Total FY exports plus or minus Citizen activity.

Wherein;

Citizen activity is international travelers (incoming and outgoing) exchange of Earthlings to local currency and vice versa at forex counters; and plus or minus Non-business citizen remittances in Earthlings (incoming and outgoing) through Banks.

161

Factor / Parameter	usd V/S EARTHLINGS, 9-9-2022.	
	usd	EARTHLING
Definition	Domestic currency of one country.	Not a domestic currency of any one single country.
	Rouge currency for last 245 years.	Will go live soon by introduction and voting at WIPO.
	Sponsored illegitimate activity across 191 world countries.	Cannot be used to sponsor illegitimate work in any foreign country.
	Not a world neutral currency.	Neutral world currency.
Manipulation	Artificially manipulated and kept strong.	Will hold its value for a period of 10 years before it would be either strengthened or weakened for the benefit of the world economy, and will hold the new reset value for another period of 10 years.
	Forced on world countries as a world standard currency to cheat them.	191 countries will embrace the Earthlings currency with 100% confidence.
	Monopoly of currency made only usa rich.	191 countries can set goals and economic objectives for their own countries and can get rich.
	Monopoly of currency resulted in 191 slave countries.	191 countries are NOT slaves anymore.
World economy	Was manipulated negatively for the last 245 years.	Cannot be manipulated anymore. World economy will see positive growth by the contributions coming from economic growth of 191 world countries.
	goldman sachs was set-up to create 191 slave countries in the world.	goldman sachs cannot influence Earthlings.
	goldman sachs built the planned, and methodically executed monopoly of usd.	Earthlings will end the monopoly of usd.
	For the full history of 245 years, usd was kept artificially strong against the world currencies by goldman sachs.	Earthlings will hold its value without changing against world currencies for a period of 10 years at a time.
	Due to the above, 191 world countries were cheated for the prolonged period of 245 years.	usa cannot cheat the 191 world countries anymore. No one can cheat the 191 world countries anymore.
Commodities	Import-export traders were cheated by manipulated currency usd by incorrectly pricing world commodities.	When world commodities are priced in Earthlings, no import-export trader will be cheated.
	Importers paid more than what they should have for their imports from across the world.	Importers will pay the right price / value for imports, when imports are paid for in Earthlings.
	Trade by governments has also been impacted by the manipulated usd.	Trade will be in Earthlings currency which cannot be manipulated by usa.
	All commodity prices have been incorrectly priced and artificially kept high for all 245 years.	Commodities will be correctly priced in Earthlings.
Business Equality	Non-existent and dead under usd monopoly.	Earthlings will deliver business equality.
	It has been dead for 245 years.	Business equality will come alive when Project Earthling© goes live.
	Manipulated usd only proliferated business inequality.	End of all business inequality across the world.
	Business was biased to the likes and dislikes of usa, subject to other bias of racism, religion, language, ethnic origin, skin color, or food habit.	usa can keep their likes, and dislikes to themselves. They cannot deliver alternate business outcomes to the world anymore.
Trade Equality	Non-existent and dead under usd monopoly.	Earthlings will deliver trade equality.
	It has been dead for 245 years.	Trade equality will come alive when Project Earthling© goes live.
	Manipulated usd only proliferated trade inequality.	End of all trade inequality across the world.
	Trade was biased to the likes and dislikes of usa, subject to other bias of racism, religion, language, ethnic origin, skin color, or food habit.	usa can keep their likes, and dislikes to themselves. They cannot deliver alternate trade outcomes to the world anymore.
Economic Equality	Trade and Business inequalities resulted in Economic inequality.	Finally, the world will realize Economic equality across all the world countries.
	Non-existent and dead under usd monopoly.	Economic equality will come alive when Project Earthling© goes live.
	It has been dead for 245 years.	Economic equality will be sustained after Project Earthling© goes live.
	Manipulated usd only proliferated Economic inequality.	usa cannot control the economies of world countries anymore.
	Economic growth was delivered based on likes and dislikes of usa, subject to other bias of racism, religion, language, ethnic origin, skin color, or food habit.	All the poor countries of the world can aspire to get out of their poverty.
	It explains the current day world with so many poor countries, and only a few that are economically well off.	Economic growth opportunities available for all world countries in an equal world. Real competence, and capability will be rewarded.
Slave Trade	If you are not english speaking catholic christian white supremacist, you were forced to become a slave.	No one can force you to become a slave.
	Many poor countries forced to send people as slaves for doing labor work in usa.	usa cannot impose slavery on the world any more.
Economic Slavery	Abuse of all human rights, all ethics, all morals, with no international law in place, forcing questionable demands for paltry pay, rendering most world countries into economic slaves.	End of economic slavery. Human rights, ethics, morals, upcoming international law will be upheld by all the world countries.
Political Slavery	All the 191 world governments were made to go beg with usa for progress and development funds. They were refused for all the racial reasons.	End of political slavery. 191 world country governments need not beg with anyone.
	The world leaders, prime ministers, presidents, kings of 191 countries themselves were rendered slaves in the last 245 years.	World leaders, prime ministers, presidents, kings of 191 countries need not be slaves to anyone anymore.

Given the benefits of Project Earthling© as described in this comparison, the Honorable court must expect a thumping majority vote, at WIPO assembly, from 191 world countries in support of the macro-reform.

Factor / Parameter	usd V/S EARTHLINGS, 9-9-2022.	
	usd	EARTHLING
Financial Slavery	Businesses and corporations of all 191 world countries were rendered slaves to usa.	End of financial slavery. 191 world country businesses and corporations need not report to anyone.
	Thus the ceo, cfo, cto, all executives from companies across 191 world countries were rendered slaves in the last 245 years.	Ceo, cfo, cto, all executives from companies across 191 world countries need not be slaves anymore.
Sex Slavery	Depending on their likes, or dislikes, they forced and imposed sex slavery across many countries of the world.	End of sex slavery in the world.
	It is the monopolized usd that was used to build the payment network to build such a supply chain of sex slaves. All ethics, all morals murdered for paltry pay.	There will be no illegitimate payment network to build any supply chain of sex slaves.
Treasury	While usa has its own treasury, they kept all 191 world countries away from the word 'Treasury', or 'Their own national wealth'.	All world countries can aspire to build their own national wealth, or Treasury.
	Countries that were made to earn wealth in usd were made to re-invest the wealth back in banks of usa because it is usd. Thus no other country has built their own treasury yet.	All world countries will hold their wealth in Earthlings currency in their own country, in their own banks, with full control of the wealth. They can choose to invest Earthlings with GEC for a standard yield, same for all the world countries.
National Wealth	Deprived for 191 world countries.	You can build you own national wealth.
	The only recognized national wealth of last 245 years is that of usa, as they have a treasury built out of unlimited usd printing.	usa can plan to pay their national debt in Earthlings. Liability to be paid to 191 countries for lawsuits filed at World court at Judicial council.
International Law	There has been no definition of International law in the last 245 years.	World law, and world medical law will be defined forming the International law.
	It is non-existent. It has been intentionally kept this way, to build illegitimate money trail into all 191 world countries to sponsor illegal activities and keep them slaves. With no international law, you cannot seek justice either.	
un	Artificial un set-up as an eye wash. Entire un, its six organs, its organizations were paid in usd, and rendered useless for 191 world countries. Icj is a useless court, fully in control of usa.	New world order, United Nations Global Governance Model 2020©, fully paid for in Earthlings currency will deliver sustainable and equitable governance to the world countries.
Real Freedom and True Independence	Non-existent for last 245 years, for 191 world countries. 191 countries are only visible on a world map as separate countries, however they are slaves to usa. So, 191 countries are yet to experience real freedom and true independence.	Planet Earth, its 191 world countries will achieve real freedom and true independence when Project Earthling© goes live. You are a free country not just on the world map, however in reality.
Accountability	Not a person, not a country questioned the unlimited printing of usd and its usage by usa for the last 245 years.	Project Earthling© has questioned unlimited printing of usd by usa. And has put an end to it.
	No checks, no balances to be verified for usa or their economy.	usa and their economy will be subjected to checks and balances. Usa and uk will also get 20 year ban from all world organizations and councils so that they can introspect on their own societies and economic situation.
GDP	usa GDP built on unlimited printing of usd.	usa GDP must come to ground reality.
	It has been artificially inflated and bloated by unlimited printing. Their wealth and their GDP has not been accounted for until this date.	usa GDP must be accounted for in Earthlings.
Political Lever	Built on usd monopoly to create 191 political slave countries.	All usa imposed political levers TERMINATED.
Financial Lever	Built on usd monopoly to create 191 financial and business slave countries.	All usa imposed financial levers TERMINATED.
Pharmaceutical Lever	Built on usd monopoly to create 191 medical / chemical / drug / pharmaceutically controlled slave countries.	All usa imposed pharmaceutical levers TERMINATED.
Poison Ivy League Lever	Built on usd monopoly, poison spewing, venom delivering, derailing, destroying advise giving poison ivy league universities of usa, to create 191 slave universities of 191 countries.	All usa imposed poison ivy league levers TERMINATED.
Filmy Lever	Built on usd monopoly to create 191 movie industry slave countries, to get nixon technology into bedrooms, bathrooms, and hunt for the next sex target or slave target, identify lookalikes, and supply to usa.	All usa imposed filmy, movie industry levers TERMINATED.
Pentacage using the above five Levers	The five prong pentacage used for 245 years to create, control, rape, use, abuse, target, torture, 191 world countries and keep them slaves for ever.	The usa designed five prong pentacage has been TERMINATED.

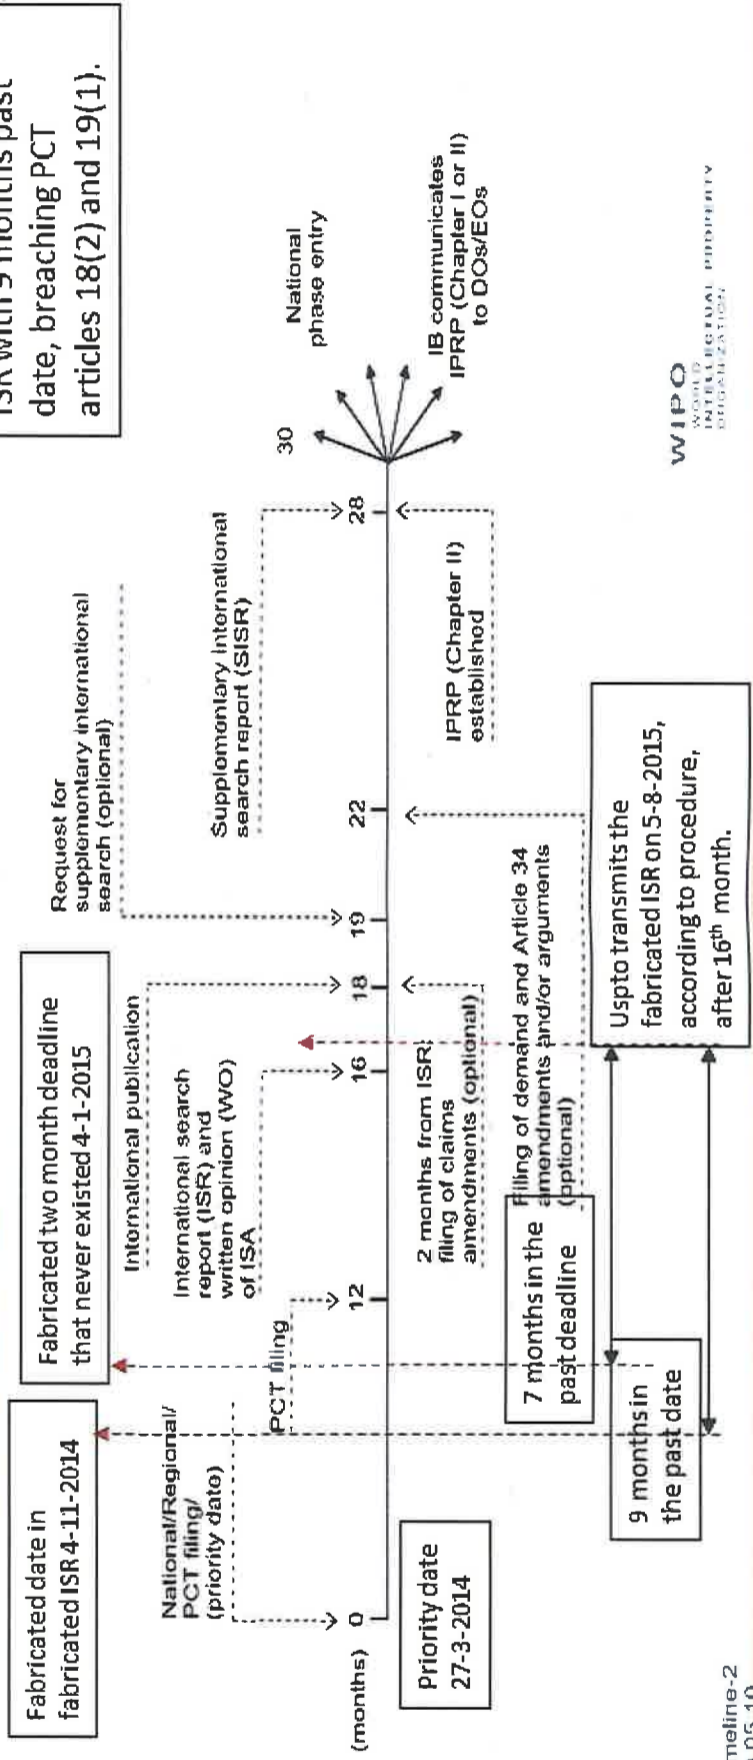

* For reasons known to the world, uk not in country count. 191 countries used across this document.

Given the benefits of Project Earthling© as described in this comparison, the Honorable court must expect a thumping majority vote, at WIPO assembly, from 191 world countries in support of the macro-reform.

199

uspto breach of PCT articles 18(2) and 19(1), published and proven with documented evidence.

PCT TIMELINE

24 June 2023

PCT Application Process defined by WIPO. Uspto issues fabricated ISR with 9 months past date.

This is the Annexure H stated in the Affidavit of Srinivas. S. Devathi

M. S. BALLAL
Advocate & Notary (Govt. Of India)
Reg. No. 2374, Bengaluru.

Inventor to 'SYSTEMS AND METHODS FOR ALTERING THE COLOR, APPEARANCE, OR FEEL OF A VEHICLE SURFACE': Srinivas S. DEVATHI	
Citizenship: INDIAN	
Priority application number	14/227,859
Filing date	27th March 2014
Patent grant number	us 8,910,998 B1
Grant date	16th December 2014
USPTO Continuation app number	14/535,867
Continuation app filing date	7th November 2014
PCT international application number.	PCT/US2014/046619.
WIPO Patentscope Publication ID.	WO2015147900.
PCT app filing date	15th July 2014
Chosen ISA/RO	USPTO

Other Sector PCT applications, name of the invention.
Systems and methods for altering the color, appearance, or feel of ELECTRONIC OR ELECTRICAL DEVICE.
Systems and methods for altering the color, appearance, or feel of FURNITURE, DECORATIVE ARTICLE, OR WALL.
Systems and methods for altering the color, appearance, or feel of FASHION ACCESSORY.

The ISR'S - International Search Reports issued by ISA - Indian PTO, for all the three PCT applications listed above for other sectors and Thermal insulation application, reject the claims by citing my patent us 8,910,998 B1 as the 'Prior art'. By using the PCT international application numbers or the WIPO publication ID'S, you can access all the legal documents related to that application. These are legal documents admissible in judicial courts and are accessible to all 193 world countries and their citizens.

The other 91 PCT countries	PCT/US2014/046619	According to Patent Cooperation Treaty, considered filed on July 15, 2014	ABANDONED	On the respective national stage entry date deadlines

This is the current status of all the national and regional stage applications that I filed by using my PCT international application PCT/US2014/046619. I filed a total of 17 (15 national stage and 2 regional stage) applications, covering 61 non-usa countries. EPO application provides coverage to 38 countries. EAPO application provides coverage to 8 countries.

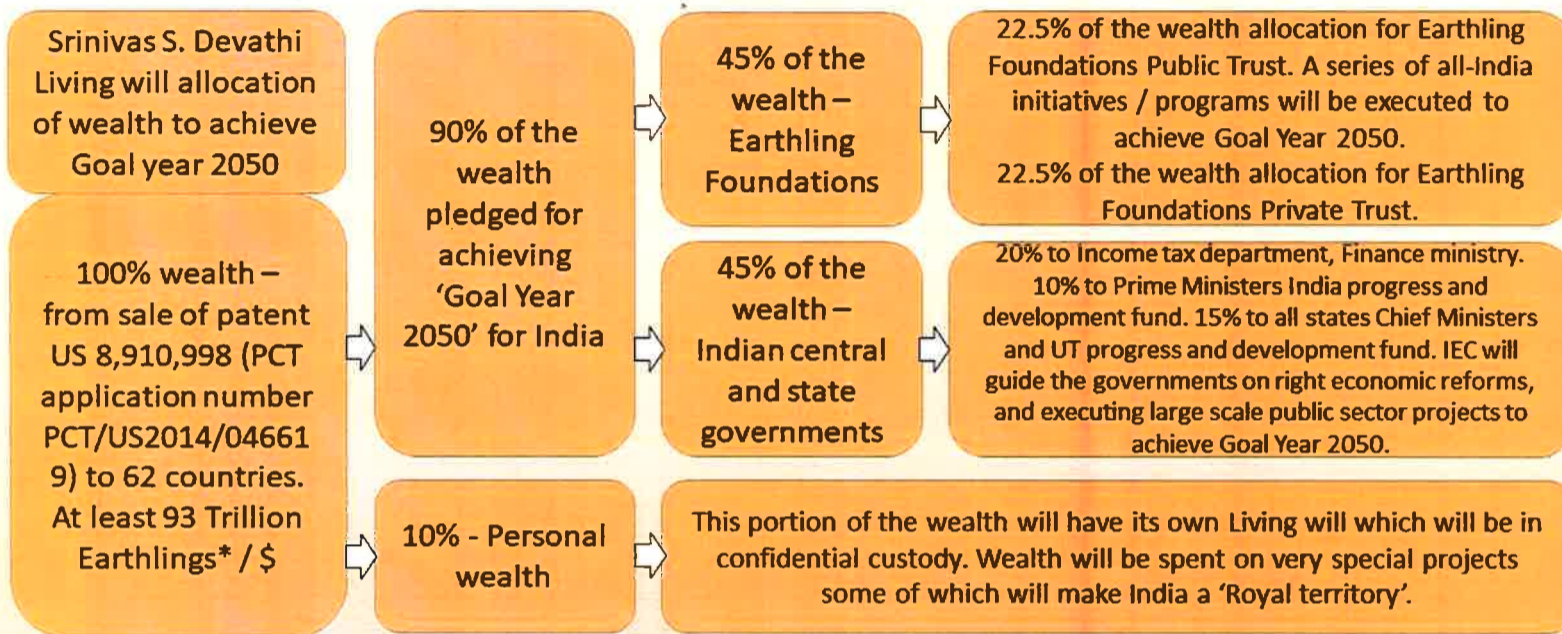

Because of uspto fraud, breach of Patent Cooperation Treaty articles 18(2), and 19(1), the costs of repeat office actions became unsustainable causing loss of applications and causing liability. While Nigeria patent is a grant, the worldwide liability was caused on 1-4-2019. Hence, uspto must pay for the full worldwide liability of 93 Trillion Earthlings / \$ by conservative estimate.

Effect of filing PCT international application on all the PCT contracting states, on the filing date.
A PCT international application when filed will have the same effect as filing applications in all the PCT contracting states on the same day of filing the PCT international application. In the countries where you do not enter the national stage within the national stage filing deadline, it is considered abandoned on the deadline for filing date.

This is the Annexure N stated in the Affidavit of.....
SRINIVAS S. DEVATHI
M.S.B
M. S. BALLAL
Advocate & Notary (Govt. Of India)
Reg. No. 2374, Bengaluru.

THE TRANSFORMATIVE EFFECT OF INVENTION PATENT US 8,910,998, ITS ECONOMIC ACTIVITY, ITS WORLDWIDE IP RIGHTS SALE PROCEEDS, 90% OF THE WEALTH PLEDGED AND APPLIED TO ACHIEVE 'GOAL YEAR 2050' FOR INDIA, AND ITS REPLICATING AND CASCADING EFFECT ON AT LEAST 100 COUNTRIES IN THE CATEGORIES OF POOR, ECONOMICALLY BACKWARD, DEVELOPING COUNTRIES, AND EMERGING ECONOMIES.

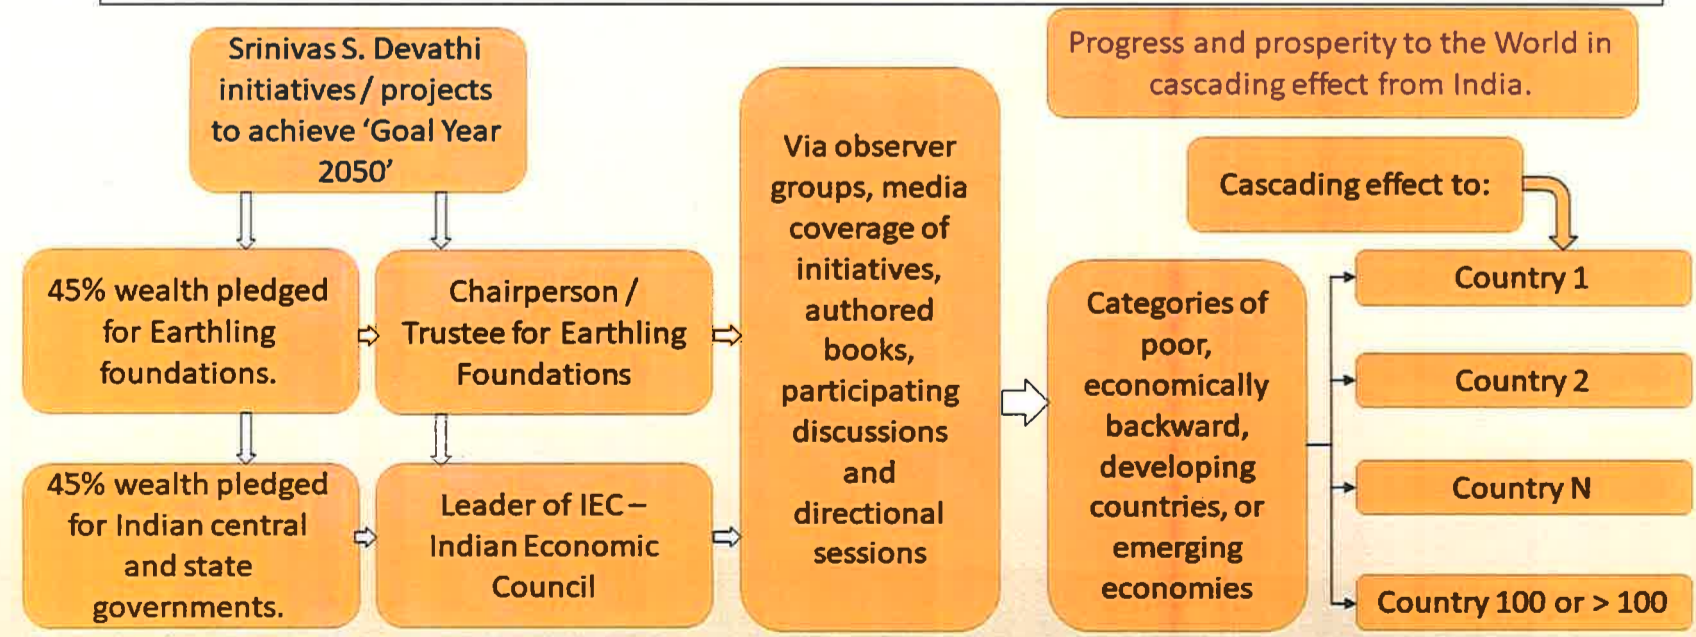

Srinivas S. Devathi – Allocation of wealth to achieve Goal year 2050.

30 April 2021 Allocation of wealth to achieve Goal Year 2050. * Read about Project Earthling©.

MY ALLOCATION OF WEALTH AND WORK OVER THE NEXT 30 YEARS, DONE THROUGH EARTHLING FOUNDATIONS AND ECONOMIC POLICY MAKING AND GUIDANCE THROUGH INDIAN ECONOMIC COUNCIL, WILL DELIVER A BLUEPRINT TO THE 100 POOR COUNTRIES OR MORE IN THE WORLD. MY WORK / INITIATIVES WILL ALL BE EXECUTED WITH FULL COVERAGE BY WORLDWIDE MEDIA HOUSES. THUS, ECONOMIC GROWTH, PROSPERITY, PROGRESS, AND DEVELOPMENT WOULD BE DELIVERED TO ALL THE POOR COUNTRIES IN THE WORLD.

Goal year 2050 – Cascading effect to 100 or more world countries.

30 April 2021 Goal Year 2050, Earthling Foundations, IEC work will be followed worldwide.

THE INVENTION, MY ALLOCATION OF WEALTH, AND ITS DOWNSTREAM EFFECT HAS SUCH POSITIVE EFFECTS TO ALL THE WORLD COUNTRIES, THAT IT IS IMPOSSIBLE TO IGNORE TRACKING THE PROGRESS OF THE LEGAL RESOLUTION OF THE LAWSUIT, AND THE EXECUTION OF THE 62 SALE AGREEMENTS TO THE FULL AND FINAL SALE PRICE OF THE WORLDWIDE IP RIGHTS TO PATENT US 8,910,998.

THE ETERNAL POSITIVE EFFECTS OF MY AUTHORED REFORM 'PROJECT EARTHLING©' ARE IMPOSSIBLE TO IGNORE BY THE WORLD COUNTRIES AND IN FACT IT IS A REFORM THAT SHOULD HAVE GONE LIVE 240 YEARS OR EVEN 500 YEARS AGO. IT MUST GO LIVE NOW.

Positive effect to all 193 world countries. Only a few listed. Project Earthling© and Cascading effect of Goal Year 2050.

PROJECT EARTHLING©

The list of non-monetary benefits: It delivers equality across all 193 countries

Trade equality
Business equality
Economic equality

It ends all forms of slavery

End of economic slavery

Economic slavery imposes all other forms of slavery across world. This must be clearly understood by all countries and the world citizens. When the economic slavery is eliminated by a neutral currency such as 'Earthling' currency that is not a local domestic currency of any one country, that terminates all forms of other slavery.

It delivers true Independence to the World

Real Freedom to all 193 countries

The day Project Earthling© goes live might be declared as the 'WORLD INDEPENDENCE DAY'. THE DAY WHEN ALL 193 COUNTRIES GOT FREEDOM AND INDEPENDENCE.

It ends all forms of bribing and sponsoring illegal activities in another country

A suitcase of USD has been used as a bribe by USA for the last 240 years across the world covering all 193 countries. They were the one who built the 'havala' network to exchange the USD bribes doled out in all other 192 countries in local currency to get the USD currency back into their country.

When bribes in USD across the world are terminated, the worldwide problems 'created by USA, UK, in a planned, well thought out plots to destroy the other countries' would come to an end. Real 'law and order' shall start to show its effects across the 191 other countries. It will have its positive effects on USA and UK also. They will begin to cure their diseases and vices.

The world must be properly governed by a real union of countries, a genuine version of UN that is paid in Earthling currency.

CASCADING EFFECT OF GOAL YEAR 2050

For the 100 or more countries that are looking to get rid of poverty and achieve progress and prosperity:

It delivers a roadmap to all the countries to follow and emulate for their own country's economic growth. This roadmap could be used by poor, economically backward, developing countries, and emerging economies.

GEC will give 'Economic development' packages for poor and economically backward countries.

The combination of economic policies rolled out by Indian economic council, and the series of initiatives that will be launched by Earthling foundations over the next 30 years will be the full roadmap or blueprint for the world countries to emulate.

The 100 or more countries looking for progress and development, will reach their own countries economic goals in decades to come, and at the pace at which they choose to emulate the efforts within their countries.

17 May 2021

Project Earthling© and cascading effect of goal year 2050.

HIGH LEVEL OBJECTIVE OR GOAL ACHIEVEMENT TIMELINE THAT COULD BE SET BY 100 OR MORE COUNTRIES FOR THEMSELVES:

BY THE END OF THIS CENTURY (YEAR 2100), ALL 100 OR MORE COUNTRIES MUST STRIVE TO BE IN THE CATEGORY OF ECONOMICALLY RICH, FULLY DEVELOPED WITH PEACE AND PROSPERITY WITHIN THEIR COUNTRIES.

THE BENEFITS OF PROJECT EARTHLING© WILL BE FELT BY ALL HUMAN BEINGS AND ALL 193 COUNTRIES FOR AT LEAST NEXT FEW MILLENNIA.
