

Each COUNTRY external world communications in New world order. Their presence at the councils.

Each country, out off the 191 world countries. Their responsible, accountable work for their countries, and the world.

Send their 'Delegation team' with its 'Delegation Leader', their representation to all the New World Order Councils.

Rigid borders will enable each country to take up responsible, accountable roles for working with world countries, at the councils. Zero tolerance will be enforced at the councils for any irresponsible behavior. Councils are serious about their work, and set objectives. Refer POV 30.

NEW WORLD ORDER COUNCILS will impose 20 year ban for usa and uk, to isolate rouge old world order ideology.

Usa to answer for their illegitimate activities of last 250 years to the World court at Judicial Council

Each COUNTRY external communications in New world order. Only through trade or business agreements, executed through ITB banks.

Will communicate, have conversations with definitive trade, or business proposal subjects only.

Each country, out off the 191 world countries. Their responsible, accountable work for their countries, their majority population.

Conduct trade, or business according to the trade agreement, or business agreement respectively, and take the transaction to completion. Transaction conducted through International Trade and Business, ITB Banks, in Earthlings.

The approved, unrejected, communication to be discussed within definitive timeframe, to decisively determine if there is an opportunity to execute a trade or business agreement.

Rigid borders to enable each country to protect their country, their citizens, their businesses and economy. Empowers them to say 'NO', 'REJECT a communication', 'REJECT a proposal', 'dismiss frivolous, useless conversations similar to those intentionally initiated in the rouge old world order'. World court will issue 'restraining, not to intrude' orders immediately upon request. You are empowered to work in the interest of your country.

Each COUNTRY, without any other external interference, to work fearlessly with full patriotism for their country and economy.

All world countries, fully decentralized, with the TRUE and REAL world Independence fully realized. End of rouge old world order and slavery.

No external interference into your country. You are free to demonstrate patriotism for your country fearlessly. You can protect your culture, society, economy, and deliver great lives to your majority population citizens.

Rigid borders to protect your country and your citizens. With the necessary New world order council guidance,

- Each country can eliminate poverty, drive their economy, build their own wealth, and treasury.
- Each country to own all immovable property in their country, except embassy buildings.
- Each country to take up 'Revision of their visa, immigration, travel, work programs'.
- Each country to remove the usage of the phrase 'country of residence'. GEC recognizes only citizenship.
