To,
Mr. Daren Tang, Director General of WIPO, International Bureau

In this communication, I draw your attention to the extra set of activities, that accompany the legal remediation of breach of PCT articles 18(2) and 19(1) by uspto, which under normal circumstances would not have existed. These extra set of activities are due to the valuation of my invention, the liability claim of which is only by way of executing 62 sale agreements, one each with each of the 62 world countries. This is for upholding the Patent Cooperation Treaty, its Preamble, and PCT article 9(1), I must receive the liability claim in a world neutral currency EARTHLINGS.

Even if we were to keep the legal requirement on the side for a moment, the MACRO ECONOMIC REFORM is such a TRANSFORMATION that comes along once in a few millenia, and the 191 world countries will vote for the reform with a thumping majority. We align with the opportunity and responsibility of our life times, in delivering this reform to the world countries and world citizens.

So, in this communication, I request you that you leave no expense unspent, in your currency of CHF, expenses incurred in your country, all expenses incurred at the WIPO assembly, in our combined endeavour to take this Macro Economic reform live, and upon the Honorable court orders. I request that you open an 'EXPENSE ACCOUNT', marked with a special code that indicates, 'Breach of PCT articles 18(2) and 19(1) by uspto, and taking MACRO ECONOMIC REFORM PROJECT EARTHLING© LIVE', and do the necessary spend of money in CHF against this expense account, special code, and cumulate it across years, if this work spans beyond an year. For this expense account, there are no foreign country expenses, non CHF, outside Switzerland expenses expected to be incurred.

With reference to and in alignment with my communication to you dated 24-4-2023, this entire expense will be paid for in the world neutral EARTHLINGS currency, for your organizations efforts and commitment to take the MACRO ECONOMIC REFORM LIVE and Transition the world into an equal world, legitimate world, free of slavery, racism, hatred, and jealousy. This includes all expenses incurred in taking action according to Prayer points j, k, and l of the Original Suit accessible at website weblink <https://srinivasdevathi.com/the-legal-resolution-of-cause-of-action-by-execution-of-62-sale-agreements/>.

In summary, I request that you open this new expense account and track all the related expenses for reimbursement from GEC upon its organization. Do write to me with your questions or remarks.
