I request this communication be circulated to 188 World country delegations at World Intellectual Property Organization. In this communication I present the following subjects, data center lever, mnc, 43 case studies about the dangers of serum technology, and induced reduction of average life expectancy of citizens of 188 World countries. If the three countries Canada, Australia, and New Zealand, align themselves with the 'REAL WORLD', 188 World countries, the country count in this communication, could be read as 191 World countries. This is an unknown, and subject to result of questioning by 188 World countries.

DATA CENTER LEVER USAGE AT ME. Reported to the Honorable court.

The attempt for applying 'data center lever' is reported to the Honorable court in WP 24623/2024. The Writ Petition filed is accessible at my website weblink <https://srinivasdevathi.com/wp-24623-of-2024/>. I request that this WP is read in detail, specifically I draw the attention of the 188 World country delegates towards annexure J of the Writ Petition, which details the risks of 'data center lever' which must be avoided by all the 188 World countries. I would ensure your own country data center set up technology and training is made accessible in the New World Order.

With reference to POV FE 14, Rouge USA, Rouge UK, have also attempted to use their country Rouge citizens, Rouges that are incompetent, to 'steal my work', take fake credit for my authored work, by creating aliases, duplicates for me, from their country, and possibly also bribe taking aliases, or duplicates from INDIA, from other minority religions of INDIA. In the WP, the Honorable court is informed about this possibility, possible negative tactic, which will be put to end by the orders of the Honorable court.

Rouge multi national corporation, rouge concept mnc is designed to kill your companies, and brands, and exercise control.

In the WP 24623/2024, I draw the attention of 188 World countries to annexure K, which describes problems related to Rouge multi national corporation, mnc, intentionally set up in your country to exercise full slave like control on your country, by exercising multitude of levers. This Rouge mnc must be fully eliminated by all 188 World countries in the mid to long term, while this must be immediately replaced by cross country 'Trade and Business agreements' transacted in EARTHLINGS currency, immediately after Project Earthling© goes LIVE. 188 countries must plan to immediately shut down, all Rouge USA, Rouge UK mnc.

43 case studies about dangers of serum technology.

I have authored 43 case studies introducing the dangers of usage of Rouge serum technology at 188 World country citizens. These are accessible at my website weblink <https://srinivasdevathi.com/medical-council/>. I request all 188 World countries to read the content in this webpage in great detail, including the introductory case studies. I will go on to author an estimated 3,000 case studies, with a team of 30 case study writers, giving all the horrible Rouge intended psycho applications of Rouge USA and Rouge UK, directed towards murdering citizens of 188 World countries to get Rouge second life with murder.

It is planned methodical reduction of most of the 188 World country citizens, average life expectancy, to around 65 years of age.

With reference to the 43 case studies, dangers of serum technology, I request the 188 World countries to re-evaluate the history of your country citizens health, and realize that the reduction in life expectancy for your country citizens is 'planned, thought out, executed, and induced'. The New World Order councils, paid in World neutral currency EARTHLINGS will provide the Macro guidance and the 'molecular science' technological assistance through Special Technology Unit, STUN, to eliminate the usage of serum poisons, restoring and giving your country citizens their natural human life, their full life into the ages of 90-99 years.

For the death trap inflicted on 188 World countries, rouge usa and rouge uk will be banned from New World Order councils, and must be awarded the liability claims of all 188 World countries, their citizens, their attacked and murdered businesses, brands, companies, their State Governments, and Central Governments, for all the incidents, events of attacks spanning last 247 years, without leaving any incident of attack, breakage of law, the International laws, and World Medical laws listed in POV'S 2-45 and 2-46. New World Order will end all these problems and deliver the greatest and fullest life to all your citizens.

Kindly circulate this communication to all 188 World country delegates, and I look forward to introducing the Macro Economic reform Project Earthling©, to 193 World country delegates at an upcoming WIPO assembly, upon the Honorable court orders. The following website weblink https://srinivasdevathi.in/?page_id=27, must also be read in full detail by all the 188 World country delegates. All the World countries must immediately pull out of the rouge old world order, terminate the rouge old world order, must prepare and take necessary actions to transition into the New World Order.
