Mr. Daren Tang, Director General of WIPO, International Bureau

Mrs. Reischle Matthias, Legal Officer at WIPO,

and Mrs. Agnes, The contact for all subjects related to the PCT international application PCT/US2014/046619

Here is the most recent communication sent to the worldwide media houses.

I draw your attention to the Memorandum filed with Honorable court on 4-10-2023 in WP 13823 of 2023. It includes Annexure F1. I look forward to court orders and scheduled introduction time to introduce the macro-economic reform 'Project Earthling(c)' at upcoming WIPO assembly sessions in January 2024.

The memorandum has some very crucial information connecting the wealth I bring into India, contributions to be made to Science and Technology, in a way that India would become fully independent with all our science and technology requirements. The wealth will overall be spent on achieving 'Goal year 30 FE for India' which will have cascading effects to the world countries. This is inline with the PREAMBLE of Patent Cooperation Treaty.

Do not hesitate to write to me with your questions or remarks.

OTHER REMARKS RELATED TO THE MACRO-REFORMS.

Given that all my devices are hacked, part of the external cage built around me, I have paused all work related to authoring the details of the MACRO-REFORMS. I am waiting for the orders of the Honorable court to get a work station to author the macro reforms to their conclusion. This includes the following.

- The subsequent copyright filing with Indian copyright office for 'Project Earthling. Decentralized we prosper.'. This copyright will include all the details and further elaborate the macro-reform along with definition of GEC, Global Earthling Council. I attach few slides with this communication which will be included in this upcoming copyright filing. I request you to read these slides in detail.
- The copyright application for 'New World Order' which will include the definition, and details of all the 'New world order councils' and the organizational structure.
- The copyright application for 'Right perspectives for the World. Freedom by Earthling years.' to be filed with Indian copyright office.
- Here is the scheduled time at the WIPO assembly that I require to introduce the MACRO-REFORMS, and bring them to their decisive voting. By way of Honorable courts orders, and respondent actions, I look forward to addressing the 193 world country delegates soon, at WIPO assembly.

Project Earthling. 24 Hours spread on consecutive days. 12 Hours for me to present the full details of the Macro-Reform to 193 world country delegates at the WIPO assembly. 12 Hours for world leaders, select speakers to share their remarks on the Macro-Economic reform, for interactive sessions, and Q&A.

New World Order. 12 consecutive days of scheduled time at WIPO assembly. This will allow me to detail all the New world order councils, the organization, their operational protocol, along with goals / objectives. This will include the 'Cascading effects of my work, to be received by all the poor countries and developing

countries of the world, including the GEC economic package they will receive in the world neutral currency Earthlings'. The 12 days will include the world leaders, select speakers sharing their perspectives on the New World Order, including interactive sessions, and Q&A.

Do not hesitate to write to me with your questions or remarks.
