I request that you read all annexures in detail. In annexure EE2, I introduce 43 case studies, scenarios, of usage of 'Rouge serum technology, and its rouge applications to attack 9 billion citizens across 191 world countries'. These are breakthrough case studies authored by me, that must be extensively covered and presented to all your subscribers at the earliest. This information is breakthrough knowledge sharing, valuable information, that will build awareness, and protect the 9 billion citizens across 191 world countries. The filed memo is accessible at the following weblink, <https://srinivasdevathi.com/writ-petition-for-execution-of-62-sale-agreements/>.

While I am waiting to receive the orders of the Honorable court, I anticipate that the Honorable court would issue orders for WP 12356/2023, and orders for Interim relief prayer points of WP 13823/2023, certainly within the next few days, weeks. I shall provide an updated status upon receipt of the Honorable court orders in the month of June 2024.

In this communication, I present the following 'Right perspectives for the world, PE Series', perspectives 1 to 4. I started the PE Series, representing a new series of perspectives, PE representing the Macro Transformation 'Project Earthling©'. I request you to read these POV'S in detail, and present them to your subscribers. POV FE 4 breaks the rouge ideology white or black, and transforms the world into a 'COLORED WORLD INHABITED BY COLORED PEOPLE'. A perspective change that must be communicated to all 9 billion citizens across 191 world countries. Right ideologies are priceless.

POV PE 1.

Segment. HINDUISM. This is a more of a fact, than a POV.

The epicenter of religion HINDUISM will be named 'Daiva Sanstha'. Hindutva Sannidhi. Hindutva Sandesh. While the name is written in english here, INDIA LANGUAGES script will be predominantly used to write the name in INDIA, and across INDIA. All the World countries will refer the HINDUISM Headquarters, 'Deva city'.

The decentralization of the world countries, will deliver True Freedom, and Real Independence to 191 World countries, on the upcoming World Independence Day, when Project Earthling(c) would go LIVE. With the World Independence Day, the fully free and Independent INDIA, will realize the full unification of 1.2 billion HINDUS living in INDIA. The FE years, will mark the start of 'UNITED HINDUISM' across INDIA. The start of United 1.2 billion HINDUS living in INDIA. The Worlds earliest recorded, mature, a religion with directional guidance to humanity, a religion that was subjected to intense racism, hatred, and jealousy, that was attacked with so many negative tactics, will have an entire city built, which will resurrect the religion HINDUISM, tearing apart all these applied layers of defaming negative tactics, and stand with head held high with what it has always stood for, and has to contribute to the humanity and world countries at large, to the extent they want to learnt from the religion.

The 'Daiva Sanstha', will be the HEADQUARTERS, ONLY AUTHORITY, RECORD KEEPING AUTHORITY, AND ORGANIZATION that WILL REPRESENT, SPEAK FOR THE RELIGION OF HINDUISM. All fringe groups, that have, without anyone asking, have taken up the action of speaking for the religion, especially the ones registered in rouge usa uk, and have created layers of defamatory content, to tarnish, derail, destroy, and attack the religion do not speak for the religion, and must be, will be shut down and asked not to speak for the religion in future. Given the rouge old world order, and their usage of 'Financial lever', some groups locally speaking for Hinduism in INDIA, will be invited by 'Daiva Sanstha' to come in, discard the fabricated negative layers built to attack the religion, separate the True Real content that you have to offer, and fully join the union, and the united organization.

The 'Daiva Sanstha', will be built from the contribution of 'Earthling Foundation Private Trust'. Deva city will be built across an area 20 Kilometers, by 20 Kilometers. It will have its own domestic airport. Deva city will have gardens

spanning the city, regions representing the 'Dashavatara', with towering status and built up regions specifically recognizing the significance of each of the 'Avatara'. Deva city will have the 'Organizational facility', will own the authentic, verified original, documents, and records of HINDUISM, will have Training, Guiding, Translation support to world languages, only for select books about the religion taught by the 'Daiva Sanstha', with restricted number of tourists allowed per month. The city planning will ensure a known population count inhabiting the city, and will have all features for comfortable livelihood of the citizens in the city.

The 'Daiva Sanstha' will take the work of tearing apart and shredding the deceitful, cunning, distortion of facts, layers of not real HINDUISM related work, however fabricated, to defame, and attack the religion, built up and used against the religion in the last 400 years, the fabricated stories spanning over 800 years, and with rouge old world order run by rouge usa uk, intentionally documenting and bringing on record, these incorrect facts about the religion. The 'Daiva Sanstha' will bring all such fabricated attacking layers of deceit built up, officially by filing suits, with the World court at Judicial council, for the record, and documentation for all the World countries. 'Daiva Sanstha' will officially go on record about the religion of HINDUISM, by presenting the 'Jist, and what is taught, the correct, right interpretation and guidance for humanity', with the Records council, and their official publications and websites. This effort is eliminating the past created distortion, and bringing the true facts, and the correct, right understanding of the religion, for all the 9 billion citizens of the 191 world countries.

The popularity of the religion of Hinduism despite the attacks, and distortion of facts, has never diminished. Hence, the expected enthusiasm to visit 'Daiva Sanstha' will be extremely high, from across the world countries. The Daiva Sanstha will allow only a restricted number of tourists, by publishing the jist, and the interpretation of the religion accessible at the Records council, and their official websites. THIS WILL BECOME THE SINGLE VERSION OF TRUTH ABOUT THE RELIGION, THOROUGHLY UNDERSTOOD AND CORRECTLY INTERPRETED BY 9 BILLION CITIZENS ACROSS 191 WORLD COUNTRIES. The Daiva Sanstha encourages and supports authors with translations of select books. Beyond these steps, the 'Daiva Sanstha' will not take up any proactive actions of promoting or proliferating the religion into other countries, or increase the religion world count.

Daiva Sanstha, will have an 'Organization office' in the country of Nepal, which is a majority HINDUISM religion country. Within India, Daiva Sanstha will have at least one office within each state, and within each union territory. Every HINDUISM TEMPLE in INDIA, will become affiliated, recognized on the official list of TEMPLES by Daiva Sanstha. This affiliation, and network, allows the financial support of all the HINDUISM Temples across INDIA, and also transmission of official, effective methods of HINDUISM practices, prayer methods, general procedures, and calender the list of official HINDUISM festivals, festival practices, and their significance. The Daiva Sanstha organizational structure will be published by me before the 'Shankustapana, Ground breaking ceremony, for building up the city'.

Daiva Sanstha will resurrect one statue in each of the districts across INDIA states, and union territories, the choice of statue left for the district authority to choose from the four options, GOD VISHNU, GOD SHIVA, GOD RAMA, and GOD KRISHNA. Daiva Sanstha will end all negative tactics and attacks used against the religion of HINDUISM, from the past, in the rouge ad years. Daiva Sanstha defines, and presents the 'Guidance, and Direction' to the humanity, while protecting the Worlds earliest, and most mature religion, with the New World Order councils, including Judicial council, which will enforce the International law across the decentalized World countries.

POV PE 2.

Segment. HINDUISM. This is a more of a fact, than a POV.

'Daiva Sandesh'. Hindutva Ektha. While the name is written in english here, all Indian languages script will be used to write the name in INDIA and across INDIA.

In INDIA, within the religion of HINDUISM, all the groupings, sub groupings, caste groups, sub caste groups, local city, local state unions, organizations, associations, sangha, will all be unregistered, and will go on and register themselves an office of Daiva Sandesh. Daiva Sandesh will be an all INDIA registration, an organization, a network of 1.2 Billion HINDUS living in INDIA, in the form of official work and community network. Daiva Sandesh will replace all foreign financed, unlimited usd financed, foreign lobbying clubs, groups, communities, or lobby associations. This is an all INDIA effort to delist, unregister, dissolve, close the earlier names, groups, sponsored by rouge usa uk, in rouge old world order. And use the same existing facilities, for the time being, registered 'Daiva Sandesh' offices. These offices across INDIA, all states, and union territories will enable networking, access to training, request take up official work, or request take up community work. These offices provide access to the REGISTERED HEAD OFFICE of Daiva Sandesh. Daiva Sandesh will end the dozens of forced classifications by the intentionally created castes, forced seggregation resulting in creating groups by language, groups by combination of castes and languages, groups by profession, intentionally forced divisions by abuse of the word 'sudra', into several communities. The caste system imposed and forced on INDIA, by rouge british east India company, rouge uk and usa. All these forced, intentionally created 'divide and destroy' divisive tactics will be brought to an END. Daiva Sandesh will bring about the full unity of 1.2 billion HINDUS, by bringing them onto one strong all INDIA HINDUISM network. This initiative will be financed from 'Earthling Foundation Private Trust'. Upon registration of 'Daiva Sandesh', the original network of 1.2 billion HINDUS, financing support will be provided, to unregister the old organization, name, and register the office, facility in the name of 'Daiva Sandesh'. The trust will own this network, community centers, facilities, and buildings eventually. The contribution for work, initiatives coordinated through this network, will be paid by the Trust in future.

POV PE 3.

Segment. Rouge old world order.

Sub segment. Old world order psycho.

Rotten, in everyway possible, the countries of usa uk are completely rotten, on all functional, societal, cultural, and humanity, measurements and perceivable indicators. These countries are with no functioning society, and no culture left. While these rouge countries usa uk attempt to contaminate, pollute, spread their rottenness, psycho state to 191 world countries, in response, the 191 world countries, must start with a 20 year ban imposed on usa uk, starting with the 'World Independence Day', start of FE years, and going live of New World order.

Rotten and contaminated societies, countries usa uk.

Dwelling into the history, only from 1777, the countries of usa uk have lost all their connections with humanity, and functioning human lives. With rotten lives that they are living, fully polluted, contaminated, and completely animal like, broken fragmented societies are what are left. This seems to have left the rouge women of usa uk, with the rouge nixon technology external caging, they have inflicted on the world countries, relentless searching, to ignorantly convince themselves that 'we are not the only rotten societies on planet Earth', 'we are not the only ones being treated this way', trying to satisfy themselves, searching relentlessly for feel good factor. What is this search about? The search is about finding other countries, any country that is as rotten, as contaminated as the countries that usa uk are. Here is the description of their rotten state. usa uk men, the caucasean trash men, with centuries of drug abuse, losing their mind, went into forcing themselves on any girl, any women, and that in gangs, resulting in losing all definitions, of family, friends, friends that have families, do not know the meaning of relatives, meaning of functioning culture, age barriers in a functioning society, and most importantly lost distinctions in the definitions of relationships among people that are known to the entire world, all world countries. These trash men, first blurred and then totally eliminated the meaning of words such as grand father, father, daughter, son, grand daughter, grand son, mother, grand mother, brother, sister, brother in law, sister in law, resulting in relationship less, fragmented and broken societies, and further broke over a dozen legal civil, and criminal sections, by using intrusive external caging nixon technology, resulting in wall less homes, and offices, and also attempted to render the countries lawless by using financial lever of bribing in rouge old world order. It must be understood that 'There is no law in countries of usa and uk'. So, with no meaning to any relationships, and no walls to homes and offices of all the minorities at least in their countries, the rotten state of these countries could be elaborated in the following way. The trash caucasean men would force themselves on all the women, with no relationship definition, and further would silence, beat up, use domestic violence, and also use rouge ideologies to convince any women that would ask questions about their rouge behaviour. The ideology used is an extrapolation using human evolution from animals, and did animals living in herds, knew the meanings, definitions of such relationships. Stating we evolved from single cell microbial organisms amoeba, and so on. Also using analogy of adam and eve created the population of human beings on planet Earth, an entirely fabricated illogical lie. So, what have usa uk put these women through for decades and centuries of their lives in usa uk? The caucasean white men say it is our culture to fuck children, girls, our culture to set up women for use anyway we want for their entire life. Their actions including grand daughter rape, grand daughter gang rape, daughter rape, daughter gang rape, and then brothers allowed to have sex with sisters, they invented and created non existing in the world incest, and they would not stop, they are 'mother fuckers' a cuss word used, they say we will execute it in reality, and they allow their sons to fuck their wives. So, these are systemic, their way of living, a rotten, contaminated, poisonous, psycho way of life. Women inflicted to such abuse, first sought help, and later as generations went by they became part of the rotten society. So, the lives of usa uk can be explained as paedophilia, child molestation, child rape, child gang rape, mother fucking, grand mother fucking, daughter fucking, grand daughter fucking, incest, and words like uncle, aunt are automatically considered as available for sex, and meaning of friends, their wives, their children, is also lost, with everyone fucking everyone, resulting in a no definition, no meaning for any relationship fragmented and broken society. The women after put through such horror, wanted to find some solace, some comfort by falsely convincing themselves that there are other countries where men are like these trash men in their country.

Their search went into finding out, if islam, or at least one of the islam countries were as rotten as their countries are.

They go on and try to find the cultures of other countries, and were hopeful that they would find countries that are like usa uk, countries with men who are like these psycho caucasean trash men of usa uk. And after relentless searching they turned up with nothing. Meaning they found proper functioning societies, and functioning families only across the 191 world countries, with my comment stating exception to almost similar societies expected in canada, australia, and new zealand. This has resulted in great disappointment, unbearable suffering, pain, to the already caged, beaten, broken, bruised, used, abused, trashed women of usa uk. Then their only solace was to think that islam, muslim religion is somewhat like their countries usa uk. The polygamy religion that islam is, with their burqa clad women, faking conservatism, did not allow much to be understood about their real culture, society, way of life, or way of living. The polygamy allowed burqa clad women being moved from home to home, in the locality and shifting areas, towns in groups. While this fact is known, rouge usa uk, could not affirmatively confirm the true culture, society of islam. The polygamy religion with not much voice given to the women, could be doing young women rape, mixing them among several wives, while hiding behind the reasoning of closed and conservative religion. In summary, their efforts to confirm if islam religion, or at least one of the islam countries is as rotten as their countries are, turned up with no result, given the closed nature of the religion.

They want to incubate and create rotten societies across world.

To the pain and suffering of women of usa uk, the only choice left, was to induce, incubate, replicate, duplicate, and force the psycho society of theirs on to the 191 world countries, using the monopoly of usd in the rouge old world order. Hence they attempt to intrude into 191 world countries, and forcefully incubate, paedophilia, child rape, incest,

mother fucker, grand mother fucker, daughter fucker, to ensure the world countries become rotten the way they are. In their horrible, ugly, hideous, dispecable attempts to incubate rotten societies, they use 191 world country local languages, and use selct words, words that imply healthy meaningful societal relationships, in their local languages, play abusive word games with these words, attach derogatory meanings, funny anecdotes, limericks, and attempt to incubate rotten societies, while hiding behind the funniness, casualness, of the derogatory horror thrown at the country to corrupt their culture, and society. In Indian Hindi language, they have attempted to abuse relationship names, words, of maasi, kaaki, daadi, mausi, saali, babhi, behan, bahu, beti, chachi, and mutatis mutandis, with other India languages, and 190 other world countries and their languages. I request 191 world countries to isolate the disease usa uk, their rotten societies, and rotten cultures, from contaminating, and polluting planet Earth, by giving them 20 year ban, so that they can introspect themselves. 191 world countries, must stop their attempts to spread rotten societies, and cultures across the world. India and the religion of Hinduism were also attacked, to spread the rotten culture. However, Indian culture, society, and the religion of Hinduism stay unblemished, and strong despite their rouge attempts. In summary, their attempts to incubate rotten societies across 191 world countries have failed, and will be permanently disabled when New World order goes live, declaring the World Independence Day, with the 20 year ban imposed on usa and uk.

The rotten countries usa and uk, pick up another psychotic disability, disorder by around 1940, fully terminating them.

For well over 80 years, another diability gripped rouge usa, uk, 'baldwin psycho disability' which has fully consumed the countries of usa uk, and rendered them worthless, useless, lifeless, and liable countries, for the 191 other world countries. Since 1940, usa uk, their planted paid for rouge puppet old world order, puppet un organs, puppet un organizations, did one thing and only one thing. That turns into a psychological disorder which goes on to end, terminate, destroy, and consume their countries, and their societies in entirety. The disorder that consumed these countries, is their disability, unable to move their eyes off the television, computer, tablet, handheld, smart, mobile phone devises where they are receiving nixon technology intrusive transmissions from bedrooms and bathrooms, of families, officials, governments, leaders, corporate executives, billionaires, a disorder that has consumed not just the corporate executives, rich, and white house rouges of the countries usa, uk, however goes on to consume their entire country, all their citizens, all of them, given the easily transmittable weblinks in millions of messages transmitted to and reaching everyone. This psycho diability has resulted in death of the countries usa and uk, and while doing so, took them through these derived problems emerging off the psycho disorder. These include, death of all skills, spread of rampant incompetence across usa and uk, stunted eyes, stunted brain functions, and hence stunted lives. 191 world countries must record that everything usa and uk claim they have done since 1940 is copied, stolen from someone else from across the 191 world countries. They watched someone else work on it, and they stole this target persons work, who was on their baldwin psycho watching list. Several citizens from across the world are losing their work, their brilliant work, what they should get credit for, and money for. For families and citizens from across the 191 world countries, your naked life weblinks, are transmitted, sold to millions of others, who are earning money on these naked links. usa uk rouges paying bribes, allowing some rouge bribe taking middle men to become rich off your personal life, and your family nudity. Everything from academic work, projects, ideas, innovative work, was stolen by losers of usa and uk, by watching citizens from across the world. The rotten, debilitated, worthless, soulless, countries can be explained as fully impotent, at a societal and country level with nothing left in their countries, with everything that is left to be written against their upcoming debt to 191 world countries, their Governments, their businesses, and their citizens.

Piling on to the rotten nature, and rotten societies of usa uk described above, is their pyscho rouge devious diabolical objectives to 'murder citizens, young men, young women from across the world countries', extract their life, blood, organs, and heart, and receive psycho rouge second life by conducting 'heart transplant', which is already introduced and covered extensively in my authored POV'S.

What should 191 world countries do to such psycho rouge countries usa uk, with agenda to contaminate, poison all the world countries, world societies, world cultures, and pollute humanity? What should 191 world countries do to such rotten psychotic worthless trash countries usa uk, inhabited by worthless, useless, psycho, rotten rouges of usa and uk, that want to kill everyone on the planet, extract their blood and organs? Here, are some answers which will terminate these rouge countries.

DECISIVE ACTION PLAN THAT MUST BE ENFORCED ON usa and uk, BY 191 WORLD COUNTRIES.

- Shoot at sight orders will be made a standard procedure to deal with usa uk citizens, across 191 world countries. You enter our country, we will kill you, is the clear message to these rouges.
- usa and uk must see the 191 world countries, their Governments, their businesses, their citizens only at the World court at Judicial council. Appear for their court hearings and pay their liability in Earthlings, to 9 billion citizens, 191 world countries, their Governments, and their businesses.
- They will get 20 year ban, and their psycho society and psycho culture must end in a century of years.
- During the banned 20 years, the New World order council could accomodate the usa uk women to come, and cry their suffering of last 300 years out, and can come officially on record, with true stories about their rotten societies, rotten countries, with the Records council.

POV PE 4.

Segment. Rouge old world order.

Sub-segment. Rouge divisive tactics.

Death of the rouge old world order ideology 'white or black' to divide the world. Rouge usa uk used this divisive technique for their diabolical devious organ and heart harvesting objectives. The 191 world countries must trash this ideology and embrace the ideology of 'COLORED PEOPLE IN THE COLORED WORLD', allowing their 9 billion citizens to LIVE their 'ONE GREAT LIFE', and full life in to the age of 90-99.

A FALSE ROUGE IDEOLOGY.

The rouge ideology forced on the world countries, population within the world countries, to divide them, make them fight, kill each other, and in the process, extract life, blood, organs, and heart, of both the divided groups, and blame the other group for death of citizens. Rouge usa and uk took this psycho divisive tactic, a divisive ideology 'white or black', and forced themselves onto the 191 world countries in the rouge old world order, forcing people to choose white, or black? You choose any one, they would blame the other group for your death. The ideology was created and forced to deliver second life to the caucasean trash of usa uk. This ideology must be shredded to pieces, and eliminated from 'Planet EARTH'. More importantly, it is a LIE, and makes no sense. I refer POV 2-49 in which I clearly indicate that 191 world countries are 'COLORED COUNTRIES', and their 9 billion people are 'COLORED PEOPLE'. This is the TRUTH, and here is the exercise the 9 billion citizens, across 191 world countries must take up to document the result.

THE TRUE FACT.

I request the 9 billion people, living across 191 world countries, to perform, to conduct this simple exercise, on themselves and know it for yourself. At a country level, the 191 countries, can even take up statistical result documentation, and announce, or know the result for themselves. Use whitest piece of cloth, and blackest piece of cloth, and compare the colors of these two pieces of cloth to the color of your face, and you would, by a vast majority population of planet EARTH, will declare that you are a 'COLORED PERSON'. This exercise must be conducted in a drug free and poison free state, with no cosmetics applied to your face. The exercise could alternately conducted with the whitest piece of any object, and blackest piece of any object, their colors compared to the color of your face. All 9 billion people across 191 countries can take their own independent evaluation of this TRUE state, not an ideology. From the results, you would realize that the vast majority of your population will call themselves as 'COLORED PEOPLE', and hence your country would declare itself as a 'COLORED COUNTRY'. The following facts must be factored in with this exercise.

- Citizenship identification, photo identification, e.g., driving licenses, employment ID'S are all issued from your facial photograph.
- While blackest cloth, or object is used for a reference for conducting the exercise, black is considered a color, and black people must call themselves colored people.
- The caucasean trash of usa uk are the whitest colorless people of planet Earth, who invented the rouge 'white or black' ideology and forced on the world. They are the isolated people, with 9 billion citizens across 191 world countries united and declaring themselves 'COLORED PEOPLE'.
- Whitest is synonymous with colorless people. Everyone that are not colorless, among the world population are colored people.
- This exercise is for 9 billion citizens, and for the 191 world countries, the Governments of 191 world countries, upon doing the necessary due diligence, declare themselves as 'COLORED COUNTRIES, INHABITED BY COLORED PEOPLE', which is the TRUTH. A TRUE FACT. NOT AN IDEOLOGY.

With this exercise, I break the rouge old world order 'white or black' ideology and bring all the 9 billion citizens across 191 world countries into the TRUE WORLD, REAL WORLD, with factual evidence and results, 'COLORED WORLD INHABITED BY COLORED PEOPLE', in to the NEW WORLD ORDER. The New World order paid for in a world neutral currency 'EARTHLINGS', will be unbiased and run by councils which operate on foundational ideology of Equality and with their Macro Direction set, to guide and direct the 191 world countries to achieve their economic objectives.

MEDICAL COUNCIL says no to cosmetology.

I refer to POV 2-45 in which I indicate the ideology of MEDICAL COUNCIL, their objective to deliver full life in to 90-99 years of age for all 9 billion people of the world across 191 countries. MEDICAL COUNCIL will not deviate from the set objectives, and will never involve themselves in any cosmetology work. Citizen subject asking for such work, must be prepared to get experimented on, and such activity is outside the scope of MEDICAL COUNCIL, constitutes illegal work, and your life expectancy might be compromised. I have always considered myself a COLORED PERSON, never in my life wanted to alter my skin tone even by the faintest of variation from the colored skintone that I was born with. I invite the 9 billion citizens to join me, and be proud 'COLORED PEOPLE OF COLORED PLANET EARTH'.

Horrible past of cosmetology experiments. The experiment was directed towards organ and heart harvesting.

A black man turned white, and murdered, is what was portrayed by rouge usa uk in rouge old world order as a cosmetology effort, a farce of an idea, forced on 9 billion citizens of 191 world countries, who promoted the rouge old ideology 'white or black'. The true agenda, of the rouge usa uk pharmaceutical companies, was with the hidden

motive and singular objective of drawing people in the name of cosmetology line of work, and go on to extract the target subject blood, life, organs, and heart, so that some old rouge about to die caucasean trash of usa uk receives a second life. So, if someone is drawing you into a skin color alteration initiative, a cosmetology initiative, by pitting you into white or black, making remarks on your skin tone, harassing you, the truth is you are being drawn into a 'planned murder effort', you would be killed, blood, organs, and heart extracted. With reference to POV 2-45, this rouge old world order ideology and their psycho plans must be TERMINATED, by the 9 billion people from 191 countries taking up the exercise mentioned in this POV, and declaring the world a 'COLORED WORLD'. Do not fall trap for cheap divisive tactics, rouge cosmetology invitations, be vigilant, and only take the direction, guidance, and advise of the MEDICAL COUNCIL.

Here is the status for connected Writ Petitions, WP 12356/2023 and WP 13823/2023.

Both the Writ Petitions that were posted for orders on 25-1-2024, are still in 'PENDING' status and waiting for the Honorable court to issue the orders.

REMARKS.

I present the following updates in this communication.

- I paid the 'Annuity fee for year 2024' for Nigeria patent grant, patent number F/P/2016/328. Nigeria was a National stage application that was filed using the PCT international application PCT/us2014/046619, and is the only other patent grant, other than priority patent 'us 8,910,998 B1'.

- I would file the 'Original Suit' with the Honorable High Court of Karnataka within next few weeks. This 'Original Suit' trial proceeding will start only upon the receipt of Honorable court orders for the Writ Petitions, and upon my receipt of the 'Consent letter'.

For WP 13823/2023.

Activity on 4-3-2024

Since the Writ Petitions were posted for orders on 25-1-2024, and after waiting for over a full month, I appeared in front of the Honorable court, CH-29, given the roster change that took effect, end of February. The Honorable court provided direction that if Writ petitions were marked 'Heard, orders reserved', the court / Justice that heard the petitions will issue orders. And if they are not yet issued, then I must wait. So, I am still waiting for the orders to be issued by the Justice that heard the writ petitions, Justice C.M. Joshi. In the roster change that took effect, he is delivering Justice on Kalburgi bench. He was not presiding in CH-6, on 4-3-2024.
