

INTRODUCTION OF SERUM PACKAGE CASE STUDIES, AND case studies.

LINEAR, SEQUENTIAL, TARGET AND TORTURE SERUM PACKAGES.

SERUM PACKAGES with extremely high number of permutations and combinations, to attack a person, target subject, from across 191 countries, off the 9 billion citizens.

191 world countries and 9 billion citizens must record the following facts.

A serum package is wrapped only with poisons, counter molecules. They are designed to attack, weaken specific organs, while targeting brain functions. Rouge usa uk, their pharmaceutical companies will attempt to tell you otherwise. With billions of possibilities of poisonous action inside the human body, if rouge usa uk say they will give a 'schedule of action of a serum package', it is false, a lie, partial, and is fabricated. You trust rouge usa uk, you will die. Serum technology will be entirely banned in the New World Order.

Example of linear, sequential release and action, a factor connected with number of layers of wrapper molecules, across time. All serum packages are only poisoning serum packages.

MACRO ECONOMIC REFORM AND NEW WORLD ORDER TO TERMINATE AND END THIS INTERNAL CAGE. USAGE OF SERUM PACKAGE MUST BE LEGALLY RECOGNIZED AS 'ATTEMPT TO MURDER' BY ALL 191 WORLD COUNTRIES.

All 191 world countries, all 9 billion citizens of the world, your Leaders, your Governments, are entitled for full liability pay out for these Internal, brain, life cage intrusions. With reference to POV 2-45, and 2-46,

PARALLEL, TARGET AND TORTURE SERUM PACKAGES.

SERUM PACKAGES with extremely high number of permutations and combinations, to attack a person, target subject, from across 191 countries, off the 9 billion citizens.

191 world countries and 9 billion citizens must record the following facts.

In this parallel acting serum packages, at a given time, nano second, micro second, second, minute, several serum packages are working to attack various organs in your body, and several brain regions inside your body.

This packaging will inflict the highest intensity attacks on your entire body, all human organs, cells within human organs, each organs related set of organs, several regions within the brain, or entire brain, at an instant. This is death like torture inflicting packaging.

Rouge usa uk, rouge usa pharmaceutical companies, and rouge old world order wanted to use these, linear, parallel, extensively wrapped, and their combinations at 9 billion citizens, across 191 world countries.

INTRODUCTION OF SERUM PACKAGE CASE STUDIES, AND case studies.

EXTENSIVELY WRAPPED, TARGET AND TORTURE SERUM PACKAGES, ABSORBED BY HUMAN ORGANS.

HUMAN ORGAN ABSORBING THE WRAPPED SERUM PACKAGE OF POISONS, IS CHEATED.

SERUM PACKAGES with extremely high number of permutations and combinations, to attack a person, target subject, from across 191 countries, off the 9 billion citizens. Combination of linear, parallel, and extensively wrapped packages, could also be dispensed to attack the target subject, person, from among the 9 billion citizens.

Time in hours or days
Dozen or twenty levels of wrapped serum packages. Absorbed into target human organ, any physical organ, including blood.

In these extensively wrapped serum packages, there are intermediate wrapped layers of absorbed molecules, molecules absorbed by various physical organs, and blood. These absorbed molecules are further wrapped with various layers of counter molecules for prolonged targeting action of the cheated organ that absorbed the molecule, which in turn is wrapped with poisons, counter molecules. These packages are used for continuous weakening and targeting organs, inducing specific diseases, or inflict continuous constant pain, suffering to the target organ, to sell molecule for its management or cure. 60-99 year olds cheated with these packages by blurring what is naturally happening to them, and what is induced. All of it, is induced. The natural incurance is avoided by preventive and supplementive care in New World Order, which will impose a full ban on this disease to planet called serum package.

INTRODUCTION OF SERUM PACKAGE CASE STUDIES, AND case studies.

SERUM PACKAGES with extremely high number of permutations and combinations, can be used by rouge usa uk, in combination of linear, parallel, and extensively wrapped packages, dispensed to attack targets, from among the 9 billion citizens. A rouge problem that is terminated by my authored Macro Transformations Project Earthling© and New World Order.

Rouge problem inflicted on 191 world countries, and 9 billion citizens.

Rouge usa and uk, their pharmaceutical companies have the full capability to mix all the types of serum packages, linear, parallel, extensively wrapped, in various combinations, to inflict any type of attack, destructive, torture, death like plan, on the target subject, who is dispensed with the designed multi combination serum package. This INTERNAL CAGE, including BRAIN CAGE, is one of the most dangerous problems inflicted on humanity by rouge usa uk. This INTERNAL CAGE, used in combination with EXTERNAL CAGE, has allowed rouge usa uk to impose LIFE CAGES on citizens of all the 191 world countries. These LIFE CAGES are used in their rouge world domination agenda and objective, to command, control, target, torture, inflict diseases to 9 billion citizens of 191 world countries at will, control them by serum packages until their death, inflict serum controlled slavery, deny, refuse peace, joy, happiness, satisfaction, pleasure, excitement, contentment, by switching off, attacking specific regions of the brain, saying these are for them, and not for the 9 billion citizens of 191 countries. The LIFE CAGES allow them to inflict highest levels of extortion, manipulation, exploitation, and cage people for their entire lives, with the most severe internal cage, and brain cage.

In this COPYRIGHT,

I introduce 43 SERUM PACKAGE CASE STUDIES, which introduce the range of the 'INTERNAL CAGES' that the rouge usa uk in rouge old world order wanted to and are capable of dispensing, and inflicting on the 9 billion citizens of the 191 world countries. The Honorable Judiciary must read these CASE STUDIES in detail, to understand the full magnitude of the problem the 191 world countries are facing. I will be presenting an estimated 3,000 such CASE STUDIES, directly to the MEDICAL COUNCIL AND JUDICIAL COUNCIL, upon the organization of the councils, after GEC is organized.

Technical detail.

I draw the attention of the Honorable Judiciary, 191 world countries and 9 billion people, that the serum packages, in various combinations, designed and fabricated with micro nano particulation of poisons, counter molecules, with highest levels of potency, were in use and being used, for an estimated 20-25 years at least. Such dangerous acting serum packaged poisons inside the body, combination wrapped, might only weigh a few nano grams and could be dispensed into any food, or beverage consumed by you. The design, manufacture, transportation, dispensing techniques into food prepared in real time, or packaged food, to be consumed by the target subject, are known to only rouge usa uk, and combined rouge usa pharmaceutical companies.

Problem solved by Macro Transformations Project Earthling©, and New World Order.

While I have introduced the problem, I have also solved the problem with Project Earthling©, and introduced the councils that will end the problem.

The 191 world countries, must vote for the 'Implementation of Project Earthling©', when it is brought up for the decisive voting at World Intellectual Property Organization, WIPO assembly. Upon formation of Global Earthling Council, GEC would pay for organizing the New World Order councils. I refer you to POV 2-45 and POV 2-46, SrinivasDevathi.com, where I introduce the Medical council, and Judicial council, along with the list of International laws, Rights of countries, which shall be legally protected and retrospectively upheld from 1777.

The rouges of usa and uk must answer the world for the last 250 years of abuse of human rights, across 191 world countries, targeting their citizens, Leaders, and Governments. They have never recognized, or even acknowledged that local laws exist across the 191 world countries, and are blindend by the financial lever usage which they had taken for granted, their arrogance proliferating corruption by uncontrolled bribing, in the rouge old world order. This will be put to an end by the Judicial council and Medical council. The New World Order will impose 20 year ban for these rouge countries usa and uk, with a strong possibility of extending the bans. Further, Medical Council will document the list of these 20,000 counter molecules, poisons, and publish them in the official list of banned substances across 191 world countries. The combined law enforcement of New World Order councils, in particular the International laws and Medical laws enforcement, across 191 world countries, will end this problem of rouge serum package technology, internal cage, brain cage, and hence the Life cage.
