Mrs. Shweta,

I am directed to you by Mr. Mani. He asked me to contact you, the lawyer for OVI Hosting, now fully a foreign country entity owned company. In the attached image, all the communications listed were not received by the teams at World Intellectual Property Organization, WIPO who administer PCT, Patent Cooperation Treaty. Could you explain why. All my work is according to law, and Patent Cooperation Treaty which is signed by over 156 World countries. My account must be strongly protected under all circumstances, to get to the legal resolution of the cause of action, by the execution of 62 sale agreements.

Consider this as a LEGAL communication, according to the Honorable court orders. Can you set up a one hour discussion time to go over this next week?
