From. SRINIVAS S. DEVATHI

To, All INDIA Media houses, publishing and broadcasting,

The decentralized World, the result, from the majority vote, voting IN of the Macro Economic reform Project Earthling©, will enable the formation of the WORLD'S largest network of people, 1.2 Billion from one religion, living in one country INDIA. While this is going to save and protect the lives of 1.2 Billion HINDUS living in INDIA, and enable the resurrection of the WORLD'S most mature, and most followed religion HINDUISM, the work of building the network, DAIVA SANDESH could start right away. The INDIA media houses could play a key role in formation of this network of DAIVA SANDESH, by way of their publications.

- The community centers could be replaced with 'Sign boards', 'Name boards' indicating DAIVA SANDESH, HINDUTVA EKTHA, with a few people taking the leadership of that office. The name DAIVA SANDESH, HINDUTVA EKTHA, must be written only in INDIAN LANGUAGES.
- This work must reach all the communities, possibly defined by post office zip codes, areas, localities, spanning INDIA reaching the farthest ends.
- The network will come into the DAIVA SANDESH all INDIA network, through the District offices.
- The network will have financial support and could start the necessary community work through the financing immediately after the 'Earthling Foundations Private Trust' is established, and the first of the 62 sale agreements is executed. Planned registration of the Trust in year 2025.

In the attached copyright work Right perspectives for the World, PE Series, 1 through 4, wherein PE, stands for Project Earthling©, with this press release, POV PE 1 and POV PE 2, will enable,

- Resurrection of the religion of HINDUISM
- Put an end to all forms of attacks against 1.2 Billion HNDUS and the religion, sponsored by rouge old world order, by illegitimate financing in monopolized usd.
- Resurrection of Nationalism, with reference to 1.2 Billion HINDUS living in INDIA.
- Resurrection of patriotism, with reference to the religion of HINDUISM. These factors must be interpreted in the context of decentralized World, and INDIA for years, decades, centuries, and millenia to come.

With reference to POV PE 3 and POV PE 4, I am proud to declare the country INDIA, 'colored country', and the people of INDIA, 'colored people', as we transition into the decentralized World, by taking Macro Economic reform Project Earthling© LIVE. It is the correct, and right direction for all the 190 other World countries. These POV'S disclose the truth of the rouge ideology behind forcing white against black, intended polarization, to forcefully put targets, high volume of people onto one side, and blame the other side for high volume murders, all sponsored and conducted by rouge old world order, rouge usa, for getting second lives from organ, and heart harvesting.
