

Title. My introduction of Macro Economic reform PROJECT EARTHLING©.

From. SRINIVAS S. DEVATHI, 63, 11th B cross, 3rd Main, Prashanthnagar, Bangalore 560079, INDIA

To, All INDIA Media houses, publishing and broadcasting,

The MACRO ECONOMIC reform PROJECT EARTHLING©, my authored work, along with all the 'Right perspectives for the World' connected with transitioning the World from the rouge old world order, into the New World Order, is a vast subject, and needs several days to present the details, given the breadth of its impact to all the World countries.

The full introduction of the Macro Economic reform will be scheduled in a '24 HOUR INTRODUCTION EVENT', wherein I will address the 193 World country delegations at World Intellectual Property Organization assembly, with the LEGAL orders of Honorable court, and combined efforts of International Bureau, WIPO.

In this press conference scheduled for 2 hours, I will introduce the reform at a high level, and introduce the most important terminologies and organizations. Most importantly, I include the FOUR YEAR MACRO PROGRAM, and the projected schedule of events through the years -1 FE year, through 2 FE year. Along with my request for the responsible INDIA and World Media houses.

With this Press release, I attach the following documents. Document 1, the copy of presentation slides, for todays, scheduled one hour 'Introduction of the MACRO ECONOMIC REFORM PROJECT EARTHLING©', 20 slides. Document 2, the copy of my registered copyright titled 'Introduction of the dangers of serum technology, an unprecedented threat to mankind'.

The projected plan for introducing the Macro Economic reform to 193 World countries, and bringing the reform to 'Decisive voting', is set in year 2025 ad, termed -1 FE year. The introduction is planned for JUNE 2025, at the World Intellectual Property Organization assembly, and the decisive voting date is set for 31-12-2025.

In the months of July 2025 through August 2025, projected plan is to enable all 193 World countries to 'address the 192 country delegations' at WIPO assembly, presenting their 'Remarks, and perspectives on the HIGH IMPACT MACRO ECONOMIC REFORM, for their country and for the World countries', indicating their intent for voting the reform IN.

I request INDIA Media Houses, and the World Media Houses, to read the attached document 1, presentation slides, in great detail, and 'Introduce the reform to the citizens of all 193 World countries, starting with citizens of INDIA', at the earliest. This will inform the World citizens alongside the formal steps defined in the program steps for year 2025.

Along with introducing the reform in detail, I request the Media houses, to introduce the organization of 'ECONOMIC COUNCILS, for each of the 191 World countries', which will enable the right orientation of their ideology, and thinking, to direct and guide their country with 'LONG TERM ECONOMIC OBJECTIVES' in perspective. This will enable organization of 191 country EC'S.

The significance of the New World order councils, that I have introduced in the document 1, cannot be understated for the 191 World countries. The benefits of the reform, to humanity, 9 Billion citizens of the 191 World countries, declare this entire subject as a must carry, must introduce 'EDITORIAL CONTENT' for the responsible MEDIA HOUSES, INDIA and the WORLD.

The benefits to humanity, from the New World order councils MEDICAL COUNCIL, and JUDICIAL COUNCIL, are an absolute MUST to reach the citizens of all the World countries, with references to POV 2-45, and POV 2-46 respectively. This will ensure non interference for 191 World countries, by enforcing International law, and deliver fullest and greatest LIVES to World citizens.

In document 2 attached with this press release, I introduce a threat, extremely HIGH IMPACT THREAT to humanity, all the citizens of the World, introducing the 'cellular level' control, and manipulability by using an estimated 20,000 counter molecules, poisons by rouge usa pharmaceutical companies, using serum technology packaging and dispensation techniques.

Related to terminating the attacks on, and saving the lives of 9 Billion citizens, living across 188 World countries, from dangerous serum technology, my copyright registration number L-158011/2024, must be introduced to World citizens. This is expected to become mandatory text book course curriculum, for medical students in years to come.

For the Media houses, you can access the digital downloadable files, copyright documents directly from my website weblink SrinivasDevathi.com/Medical-council/. This copyright, along with all my other copyrights are marked for translations into 188 World country languages, and all INDIA 24 regional languages.

INDIA and WORLD Media Houses must 'Introduce' these subjects, to all their subscribers, at a steady pace, in a sustained way, with strong conviction, and great confidence, stating that the result of PROJECT EARTHLING© going LIVE, will DECENTRALIZE the WORLD, and the New World Order will be there to put all World countries, and citizens to safety, while delivering GREAT life.
