... Respondent 3

RESPONSE TO 'OBJECTIONS FILED BY RESPONDENT 3 ON 1-3-2025'.

1) I present the following legal facts.

- The Honorable court has recognized the 'Breach of Patent Cooperation Treaty', a treaty signed by 157 World countries, breach committed by 'united states patent and trademark office'.
- The recognized breach of Patent Cooperation Treaty, is clearly indicated in orders issued by the Honorable court for WP 12356/2023, dated 14-6-2024.
- The legal resolution of this recognized 'cause of action', is by way of issuing orders for the execution of 62 sale agreements attached as Annexure B with this Writ Petition.
- The attached Annexure A1, includes the four years projected events for getting these 62 sale agreements executed. The critical path step is the organization of 'EARTHLINGS COUNCIL', EC, and organizing the team of designated signatories for EC. These steps are introduced and described in the four years projected events.
- I attach Annexures A2, and A3, indicating that the 'Four years projected events Macro Program' is officially with the World Intellectual Property Organization and the 61 World country PTO'S. The 'Four years projected events Macro Program' is part of all the attachments in annexures A2 and A3. All the attachments in the e-mail communications are not included in the annexures, due to the documents size, and can be produced upon request.

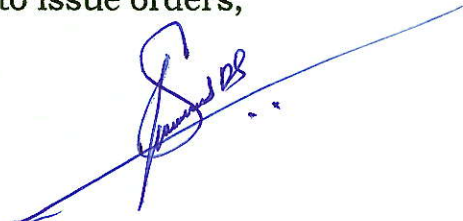

- Respondent 1 in this WP is yet to issue the 'Consent letter' according to orders issued to them by the Honorable court on 14-6-2024, with due date for issuing the 'Consent letter', 14-12-2024.

- I expect to receive the 'Consent letter' in the immediate future. I present the status of Writ Appeal 983/2024. Respondent 1 in this WP is asked to answer the Honorable court in WA 983/2024, which was listed on 8-4-2025, and is listed for orders on 22-4-2025.

- I attach Annexure A4, communication written to PCT Infoline, where they indicate the procedure for updating my information, for 2 patents, 13 National patent applications, and 2 Regional patent applications, with the corresponding 17 PTO'S, which provide patent rights protection across 61 World countries, wherein the information update includes updating my mobile number '9663932293' issued by respondent 3. The phone number for reaching me, for all 17 PTO'S, 61 World countries, World Intellectual Property Organization, International Bureau, is 9663932293, issued by respondent 3, for which they are yet to accurately reflect my address, and e-mail ID information. The activities to update my information across 2 patents, 13 National patent applications, and 2 Regional patent applications, is initiated and is in progress.

- Registrar Judicial of this Honorable court, stated that the listing of WA 983/2024, court dates, would be sent to the mobile number and e-mail ID mentioned in the file. The 'Identity theft', or 'alias' connected with the mobile number issued by respondent 3, '9663932293' is the listed mobile number, and e-mail ID 'ProjectEarthling@SrinivasDevathi.com' hosted by respondent 2, are my contact information listed in WA 983/2024. The orders in this Writ Petition will enable termination of 'Identity theft', and 'alias' attempts, and the court would recognize my mobile number and e-mail ID as officially, truly connected with me. Mutatis mutandis, the orders in this Writ Petition, would enable International Bureau, World Intellectual Property Organization, and 61 World country PTO'S to recognize my mobile number and e-mail ID as officially, truly connected with me. They will freely correspond with me, the real applicant according to PCT article 9(1).

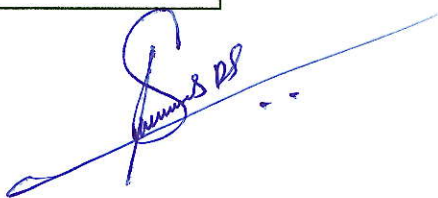

For these legal factors listed, with reference to the annexures attached, and annexures F, G, and H, I request the Honorable court, to issue orders,

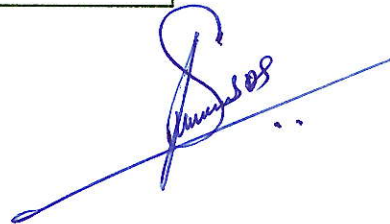

- For rejecting, and dismissing the objections filed by respondent 3.
- Remove the WP from, preliminary group B hearing status.
- Grant 'Interim relief' orders F-K prayed in the Writ Petition, and also grant the Prayer orders A-E.
- And connect this Writ Petition with Writ Appeal, WA 983/2024.

2) Remarks about the objections filed, by each prayer point.

Prayer points	Remarks
Interim relief prayer points	
F	Does not directly concern Respondent 3.
G	Does not directly concern Respondent 3.
H	Does not directly concern Respondent 3.
I	Does not directly concern Respondent 3.
J	Orders to terminate 'Identity theft', creation of 'Aliases'. Basic service request to update my information, my address, and e-mail ID accurately, still not obliged. They say they follow guidelines of DOT and regulations of TRAI, then I gave copy of my ID document to them while procuring line '9663932293', how did the error occur? Who gave the orders? Who changed my information? Is Identity theft behind it? Is Alias creation behind it? Who is attempting to receive my wealth? In their objections they say they have not created duplicates, or aliases, however the same is not reflected in my information connected with mobile line '9663932293'.
K	The information exchanged through phone line '9663932293' and e-mail communications, my website information updates connect with taking Macro Economic reform live, and executing the 62 sale agreements. Similar to prayer point J, respondent 3 must demonstrate and indicate that no external

	pressure will work against the Honorable court orders, directions until conclusion of 62 sale agreements.
Prayer points	
A	In respondent 3 statement of objections they affirmatively state that they never commit 'Treason'. They must demonstrate the same, demonstrating fearless Nationalism, and fearless Patriotism, reporting counter requests from their foreign office to the Honorable court, until the conclusion of 62 sale agreements.
B	Does not directly concern Respondent 3.
C	Does not directly concern Respondent 3.
D	Maintain highest service levels 'status quo' until the legal conclusion of the 'cause of action'. Refuse rouge requests from rouge usa, and rouge uk. Demonstrate fearless Nationalism, and fearless Patriotism, reporting counter requests from their foreign offices to the Honorable court, until the conclusion of 62 sale agreements. Establish Legal agreements executed in Earthlings, with their foreign country offices, immediately after PROJECT EARTHLING© is LIVE.
E	Connected with prayer point D. Until conclusion of 62 sale agreements, refuse rouge requests from rouge usa, and rouge uk. Demonstrate fearless Nationalism, and fearless Patriotism, reporting counter requests from their foreign office to the Honorable court, until the conclusion of 62 sale agreements. Establish Legal agreements executed in Earthlings, with their foreign country offices.

3) Other remarks about the objections filed by respondent 3.

My interim prayer is basic service level relief, which is accurately reflecting my information, address, and e-mail ID for the mobile phone line

'9663932293' issued by respondent 3. This will terminate the negative tactic of 'Identity theft', and possibility of 'Alias' representation of me, to receive wealth by taking my place, which is against the law, against Patent Cooperation Treaty, directly breaching PCT article 9(1), which reads '*Any resident or national of a Contracting State may file an international application.*'. The Honorable court has my Identification documents on record, I am National of INDIA and resident of INDIA, and the Applicant according to PCT article 9(1). So, all agreements, must be signed by me, and liability paid into my bank account in INDIA. Respondent 3 must update my information accurately terminating others from attempting Identity theft or Alias, taking my place.

According to Annexure A1, for these FOUR YEARS, I shall DIRECT AND LEAD these projected events with full support and coordination from the Honorable court, and World Intellectual Property Organization. During these four years, until the conclusion of the execution of the 62 sale agreements, respondent 3 might receive requests to work against me, and they can cite LAW, Honorable court orders which will enable them not to succumb to residual rouge old world order pressure to block wealth from coming to my bank account in INDIA. With fearless NATIONALISM, and fearless PATRIOTISM, for legal remediation of the 'cause of action' and to bring the wealth into my bank account in INDIA, according to PCT article 9(1), National of INDIA, Honorable court must dismiss objections filed by respondent 3, and issue the prayed orders. Respondent 3, must set up trade agreements, business agreements with their other country offices, the agreements executed in World neutral currency EARTHLINGS, without them having to report to other country offices, offices in usa and uk in this context, or take orders from them in future, like they have had to in the past. This will empower respondent 3 to function independently, in decentralized world, mutatis mutandis for all other businesses and corporations in INDIA, and 187 other World countries.

If respondent 3 adhered to the guidelines and notifications of DOT, and regulations of TRAI, why is my address not accurately reflected, when I gave my ID proof document copy while procuring the phone line '9663932293'? If it was accurately captured at the time of issue, how did

it change, and who changed it? These are questions respondent 3 must answer the Honorable court.

Identity theft, and 'alias' attempts must be terminated. My call with PCT Infoline, WIPO, they verify my identification by simple questioning, to ensure that they are speaking to me, since my address does not match with phone number issued by respondent 3, and I have filed this Writ Petition. In Annexure A4, I attach communication response of PCT Infoline, for updating my information across 2 patents, 13 National patent applications, and 2 Regional patent applications, wherein I am using the mobile number issued by respondent 3, '9663932293' for all future communications with 61 country PTO'S, International Bureau, and World Intellectual Property Organization. Incorrect information, will become a question, an element of doubt, for 61 PTO'S and WIPO, while they are communicating with me, the REAL APPLICANT according to PCT article 9(1). Hence respondent 3 objections must be dismissed, and prayer orders granted.

For Writ Petition rules do not apply for private companies. The 'cause of action' remediation is by the Honorable court orders for Respondent 1 in this Writ Petition, wherein the remediatory action, includes execution of 62 sale agreements, follow through with the attached annexure A1 activities, FOUR YEARS projected events, during which time, respondent 3, must support the Honorable court, by providing necessary fearless, high quality services, so that I sign the 62 sale agreements without service outages, or other attempts of 'Identity theft', 'Alias', to steal my wealth. For all these legal factors and reasons, with reference to annexures F, G, and H, I request the Honorable court to immediately grant Interim relief orders, prayer orders, and connect the WP with WA 983/2024.

4) Description of the Annexures attached.

- Annexure A1. The 'Four years projected schedule of events Macro Program', to organize GEC, EARTHLINGS COUNCIL, payor for 62 sale agreements, and conclude the execution of 62 sale agreements by the orders of the Honorable court.
- Annexure A2. Electronic communication dated 20-12-2024, written to the attention of Legal officer at IB, WIPO, for my introduction of Project Earthling© at WIPO assembly.
- Annexure A3. Electronic communication dated 30-12-2024, written to 61 country PTO'S, introducing the 'Four years program' for legal resolution of cause of action.
- Annexure A4. Electronic communication between me and PCT infoline, indicating their response for updating my information with 17 national stage applications including 2 regional applications. I have initiated the information update process, and the phone number used is 9663932293 issued by respondent 3.

To,
Mr. Matthias Reischle, Legal officer at International Bureau, WIPO

On 18-12-2024, for the first time, I introduced my authored Macro Economic reform PROJECT EARTHLING®, addressing the INDIA media houses at Press club of Bangalore. In a two hours scheduled press conference, I could only accommodate the 'Preliminary introduction of the Macro Economic Reform', and presented the attached 20 slides, in over 90 minutes of monologue introduction, including couple media news bite recordings. From this event, the 24 hour 'Introductory event at WIPO assembly' with an estimated 200 slides, could be scheduled in JUNE 2025. I request you to read through the attached presentation in detail.

- The slides related to 4 year plan are of the greatest significance, for your consideration, for the MACRO PROGRAM plan events to organize 'EARTHLINGS COUNCIL'.

- The significance of organizing 'each of the 188 World country' ECONOMIC COUNCILS, was detailed to the media houses. These ECONOMIC councils are of great importance, as only a long term vision, and planning that spans several decades, in the horizon of 100, 200 years, will enable all countries to reach their respective Economic objectives. The New World Order councils will provide the Macro guidance, and Macro direction, derived and given from my initiatives for achieving 'Goal year 30 FE for INDIA'. This will ensure the delivery of planned 'cascading effects' from the unbiased New World Order Councils.

- I introduced the importance of JUDICIAL and MEDICAL councils which resonate very well with everyone, since they deliver 'Non interference' for World countries, and also deliver the fullest and greatest lives to all the citizens across 188 World countries.

- With reference to the 'Breach of PCT', and its legal remediation, I indicate that with the proposed MACRO Program plan events, the 62 sale agreements could be coordinated for execution within the 3rd, or certainly the 4th year, I refer them as 1, or 2 FE years.

This presentation was attached as document 1 in the press release issued by me dated 18-12-2024. Document 2 is the copy of copyright 'Introduction of the dangers of serum technology, an unprecedented threat to mankind.', that you are familiar with. The press release communication will be copied to you, in a separate e-mail communication for recipients at WIPO. I request you to evaluate the four year PROGRAM plan, and the details of all the 20 slides, and provide your guidance, and schedule approval of these proposed activities which must be conducted at WIPO assembly.

To,
Mr. Matthias Reischle, Legal officer at International Bureau, World Intellectual Property Organization

I have executed 'My Living Will Addendum for End of Year 2024', on 29-12-2024, which is attached with this communication. The executed Living Will Addendum includes an 'Enclosure, 14 pages' which brings in the full context for 'My Living Will executed on 22-08-2022'. In this Addendum, I include the 'FOUR YEAR MACRO PROGRAM projected events' for the organization of 'EARTHLINGS COUNCIL' and the execution of 62 sale agreements, upon the orders of the Honorable court. The content built into the 'Enclosure' is consistent with the 'Document 1' attached with 'Press release issued by me on 18-12-2024', and further I have added couple new pages including details of Treasury Banks that will be organized by me in INDIA, and TRAW, Treasury and Wealth Authorities.

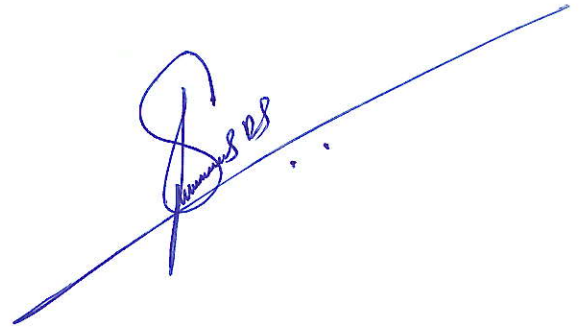

In FOUR YEARS with our combined effort, according to the Honorable court orders, we could bring about the 'FULL LEGAL RESOLUTION' of the recognized 'cause of action' Breach of Patent Cooperation Treaty articles 18(2) and 19(1) committed by US PTO on 5-8-2015. While doing so, we would realize the New World Order, which would be paid in World neutral currency EARTHLINGS, and hence will be UNBIASED and EQUAL to all 191 World countries. I request you to circulate this communication to all the 193 World country delegations at WIPO, or 157 PCT contracting states if you consider this an exclusive LEGAL COMMUNICATION. The LIVING WILL Addendum is published at my website weblink <https://srinivasdevathi.com/living-will-93-trillion/>.

Dear Mr. Srinivas S. Devathi,

Thank you for contacting the PCT information service.

As discussed over the phone, I am replying to your email by referring to PCT Rule 92bis, which applies only to the change requests for the PCT applications which are still in the international phase, i.e. 30 months from the priority date. Since the PCT applications in question are no longer in the international phase, any request for change must be submitted directly to the designated Offices where the national phase has been entered.

For your convenience, the annex B of the PCT Applicant's Guide <https://www.wipo.int/pct/en/guide/> contains the contact information of the Offices concerned. To take Japan as an example, you can find contact information of Japan Patent Office if you click on the blue X in the annex B of JP (see screenshot below).

To,

PCT Infoline Team

Because of the impact of the 'Invention Systems and Methods', directly connected to 62 World countries, connected to 157 World countries by way of Patent Cooperation Treaty, and past communications, I am also marking this 'LEGAL communication' for the attention of,

Mr. Matthias Reischle, Legal Officer at International Bureau, World Intellectual Property Organization, and
Mr. Daren Tang, Director General of World Intellectual Property Organization, International Bureau.

I request your response, for updating my information across four PCT International applications. Here are the details.

- For filing the PCT International application PCT/us2014/046619 with Receiving Office, US PTO, I used the services of hired lawyer, appointed agent, Mr. Jacob Mattis, 919, Congress Ave, Austin, TX 78701, usa. The same lawyer, agent filed the priority application 14/227,859, which is a patent grant US 8,910,998 B1. After the publication WO2015147900 was issued, the agent was changed to Eric B. Myertons. There were no office communications for this PCT International application after this change of agent was filed.

With the PCT International application PCT/us2014/046619, I entered National Stage by filing 15 National and 2 Regional applications within the PCT National Stage entering, filing timeline deadlines. Due to upcoming LEGAL court hearings and orders, I want to get the agent replaced, and mark myself, the APPLICANT and INVENTOR, as the primary contact, for all communications connected with PCT/us2014/046619. How do I go about getting this change processed? Kindly advise. The information that must be updated includes the following.

- No agent for the PCT International application, as of the date of change. If an agent should be reflected, then my information, DEVATHI, Srinivas, S., The Applicant and Inventor, must be reflected.

- Applicant information, should reflect, DEVATHI, Srinivas, S. [IN]/[IN]. With my permanent residential address, 63, 11th B Cross, 3rd Main, Prashanthnagar, Bangalore, 560079, INDIA. I am a citizen of INDIA, which is accurately reflected.

- My current phone number +91 - 966 393 2293.

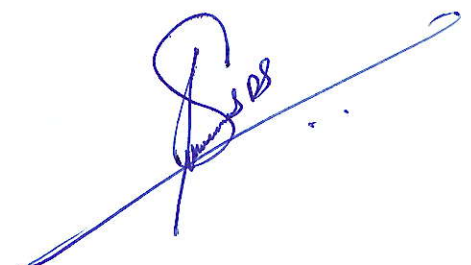

- My e-mail ID, ProjectEarthling@SrinivasDevathi.com.

I had used the ePCT system to file the PCT International applications PCT/IB2016/050993, PCT/IB2016/050994, and PCT/IB2016/050995. The Digital certificate used, two years term for filing these ePCT applications is expired. All my information is accurately reflected in these PCT International applications. By virtue of the established ISR'S for these PCT International applications, they are connected with the PCT International application PCT/us2014/046619. I want to update the following information, for all these three PCT International applications. How do I go about getting these changes processed? Kindly advise.

- My current phone number +91 - 966 393 2293. The earlier phone number reflected in these applications is inactive.

- My e-mail ID, ProjectEarthling@SrinivasDevathi.com. The earlier e-mail ID reflected in these applications is retired.
