**MEMO FOR PRODUCTION OF ADDITIONAL DOCUMENTS, FOR  
ALLOWING IA 2/2025, FILED ON 17-10-2025, AND GRANTING THE  
PRAYER ORDERS.**

1. In this memo, I attach 'supporting documents', indicating that is there is 'no argument' left in 'IA 2/2025, filed on 17-10-2025 with the Honorable court', for WA 886/2025, and Pray that the Honorable Court 'Allow the IA 2/2025', and 'Grant all the Prayer Orders sought in IA 2/2025' for WA 886/2025, immediately. I indicate the following

dates with this statement, the WA 886/2025 was filed on 2-6-2025, and IA 2/2025 was filed on 17-10-2025, and I was asked to wait until an alternate bench was constituted. I attach a certified copy of 'Office report dated 12-6-2025' issued from 'The proceedings of party-in-person committee', for WA 886/2025, indicating Form C is issued on 12-6-2025, attached as annexure A26.

2. The documents attached in this memo are 'supporting documents' for IA 2/2025 filed on 17-10-2025, titled 'Application for restoration of Writ Appeal WA 886/2025, arising from court orders for Writ Petition WP 12356/2023 dated 14-6-2024, recognizing 'Breach of Patent Cooperation Treaty committed by united states patent and trademark office on 5-8-2015, for my invention patent rights for PCT/us2014/046619', and attached annexure A5.', wherein annexure A5 is certified copy of 'Office report dated 12-6-2025' issued from 'The proceedings of party-in-person committee', for WA 886/2025, indicating Form C is issued on 12-6-2025.

3. **STATUS of the 'CONSENT LETTER'.**

As of the present date, date of filing this memo, I have NOT received the 'Consent Letter' from the respondent, according to the Honorable court orders directing the respondent to issue the 'Consent Letter', in WP 12356/2023, orders granted on date 14-6-2024. It is 'contempt of court orders, going on 18th month'. The respondent must hand over the 'Consent Letter', on the adjourned hearing date, so that the 'Original Suit' proceeding could be initiated and conducted at the earliest possible date. With the participation of World Intellectual Property Organization in the 'Original Suit' proceeding, the 'cause of action' will be taken to its conclusion, with the 'Macro Program Projected Schedule of Events', introduced in attached annexure A23.

4. **I attach Annexure A14, PCT Infoline, LEGAL communication response, dated 6-3-2025.**

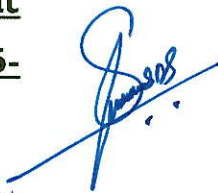

Annexure A14 is the 'Legal response from PCT Infoline, Patent Cooperation Treaty Infoline, official legal communication and response from World Intellectual Property Organization, International Bureau, concerning subjects related with Patent Cooperation Treaty, from e-mail ID, pct.infoline@wipo.int, dated 6-3-2025'. I include the full image attached with the communication response. Same as the Honorable court has already recognized from the attached filing receipts, documents, World Intellectual Property Organization PCT patentscope publications, and the established International Search Reports ISR'S, this communication recognizes me as the sole beneficiary for all payment receipts payable for the combined patent rights that include PCT/us2014/046619, PCT/IB2016/050994, PCT/IB2016/050993, and PCT/IB2016/050995.

5. While PCT/IB2016/050994 alone commands the cumulated combined conservative sale price of 93 Trillion EARTHLINGS, for 62 countries patent rights, I have included the high valued PCT/us2014/046619 patent rights in the cumulated combined conservative sale price of 93 Trillion EARTHLINGS, and also included the other 'Industrial applications', the individual Industrial application potential was never calculated in detail, since they are much lower in value. Like already indicated in the Writ Appeal, my claim is the cumulated combined conservative sale price of 93 Trillion EARTHLINGS, distributed across the 62 sale agreements.

6. **I have paid the 11.5 years Maintenance fee for my Patent US 8910998 B1, issued by uspto with Patent grant date of 16-12-2014.**

I attach Annexure A15, 11.5 years Maintenance fee payment confirmation receipt for Patent US 8910998 B1, from united states patent and trademark office. I attach Annexure A16, Documents connected with me paying the 11.5 years maintenance fee payment for Patent US 8910998 B1, which include my SBI Savings bank account number 10140975802 statement for period 1-3-2026 through 2-3-2026, indicating the remittance for INR 2,26,274.00, on

2-3-2026, made to lawyers chadha and chadha, by NEFT UTR no. SBIN526061240309, an image of the online net banking remittance showing the NEFT transaction details with the UTR number, and the invoice generated by chadha and chadha for INR 2,26,274.00, dated 2-3-2026, towards the payment of the 11.5 years maintenance fee for my patent US 8910998 B1.

The LEGAL inference from these annexures A15 and A16, is that uspto has 'admitted that they committed the Breach of Patent Cooperation Treaty on 5-8-2015, by fabricating prior art, and issuing a fabricated ISR, with a fabricated date, for PCT/us2014/046619'. This is inline with the 'Court Orders granted for WP 12356/2023, dated 14-6-2024'. Annexures A15 and A16 also indicate that uspto has 'no argument' to present to the Honorable court in the 'Original Suit'.

**7. I attach Annexure A17, Living Will Addendum for end of year 2025, executed by me on 22-1-2026, with four enclosures.**

The details of the four enclosures are the following.

ENCLOSURE 1. ATTESTATION OF FAMILY TREE, CERTIFICATE NO. RD1219267365785, ISSUED ON 31-12-2025, ISSUED BY REVENUE DEPARTMENT, GOVERNMENT OF KARNATAKA, INDIA. THIS IS THE FAMILY TREE OF LATE MR. D. SATYANARAYANA, MY FATHER, REFERRED IN THE LIVING WILL. 1 PAGE.

ENCLOSURE 2. ATTESTATION OF FAMILY TREE, CERTIFICATE NO. RD1219267368725, ISSUED ON 12-1-2026, ISSUED BY REVENUE DEPARTMENT, GOVERNMENT OF KARNATAKA, INDIA. THIS IS MY FAMILY TREE, INDICATING MY ONLY MARRIAGE AND ONLY DIVORCE IN MY LIFE. THE CERTIFICATE WAS ISSUED IN LANGUAGE KANNADA, AND I ALSO INCLUDE THE ENGLISH TRANSLATION. 2 PAGES.

ENCLOSURE 3. MY LEGAL STATEMENT FOR ACCURATE LEGAL INTERPRETATION OF ENCLOSURES 1, AND 2, WITH THE WORLD IN CONTEXT, FOR INTERNATIONAL BUREAU, ALL PCT CONTRACTING STATES, AND THE WORLDWIDE JUDICIARY. 1 PAGE.

ENCLOSURE 4. PATENT COOPERATION TREATY, PCT INFOLINE, RESPONSE DATED 6-3-2025, FOR MY REQUEST TO UPDATE THE ADDRESS, PHONE NUMBER, AND E-MAIL ID, FOR MY GRANTED PATENT RIGHTS, RECOGNIZED BY SERIAL NUMBERS PCT/US2014/046619, PCT/IB2016/050994, PCT/IB2016/050993, AND PCT/IB2016/050995, IN 62 PCT CONTRACTING STATES. 6 PAGES.

8. I attach Annexure A18, that include, the copy of notarized e-stamp paper bearing no. IN-KA30127383826569X, dated 22-12-2025, the application for receiving Enclosure 1 attached with annexure A17, from the family tree issuing authority, Revenue Department, Government of Karnataka, INDIA. I also include, the copy of notarized e-stamp paper bearing no. IN-KA41392273901857Y, dated 3-1-2026, the application for receiving Enclosure 2 attached with annexure A17, from the family tree issuing authority, Revenue Department, Government of Karnataka, INDIA. With both these notarized e-stamp affidavits, the documents attached with them, for receiving Enclosure 1 of Annexure A17, and Enclosure 2 of Annexure A17, from the family tree issuing authority, are excluded from this annexure, except a copy of my father Mr. D. Satyanarayana death certificate is included. His name in this death certificate is misspelt D. Satyanarayan, with rest of the information accurately reflected.

For receiving the 'Attested family tree' from the authority, a 'Family tree affidavit' on e-stamp, must be submitted as an application, by attaching copies of applicable documents. I present the LEGAL remarks, with reference of Enclosure 2 of Annexure A17.

For receiving Enclosure 2 of Annexure A17, I filed a 'Family tree affidavit' on e-stamp paper, with certificate no. IN-KA41392273901857Y, by enclosing the necessary documents. In the 'Attested family tree' issued by the authority in Kannada language the 'Family tree affidavit' certificate no. is incorrectly spelt with last four digits erroneously printed 185Y. In the 'Attested family tree' in english, the 'Family tree affidavit' certificate no. is correct and accurately reflected, with reference of the copy of 'Family tree affidavit' on e-stamp. The applicable documents attached with the 'Family tree affidavit' included,

- 1) copy of, issued by Republic of INDIA, my INDIA citizenship passport no. Z6387411 issued on 11-11-2021, Identification page and address page,
- 2) stated a mandatory requirement, copy of my aadhar card no. 7540 1714 5045, issued on 10-1-2024, and
- 3) copy of court orders issued by 'Family court at Bangalore', for my divorce case with Smt. Vindhya Yalmuri, for M.C. No. 1014/2011, 5 pages, which included the 'Divorce decree', 2 pages, and 'Memorandum of agreement under section 89 of the code of civil procedure read with rules 24 and 25 of the Karnataka civil procedure Mediation rules, 2005', 3 pages, total 5 pages.

For getting the Kannada language 'Attested family tree' corrected, the authority is unable to print the corrected version, due to system limitations. One of the simple system limitations, that would be addressed by me, when all INDIA systems, Central and State Government included, will be built in INDIA, on our own independent platform, in our own data centers.

9. I attach Annexure A19, 'Summary of serum technology attacks on me between June 2025 through April 2026', with the intensity of attack indicated in the table format. The Prayer orders must be granted at the earliest, and investigation work started, so that by our combined efforts we get these 'serum package food poisoning attacks' terminated. The organization of Special Technology Unit, STUN and their network 'Science and Technology Evolution Zones', STE Zones, will allow me to provide and deliver the necessary 'ADVANCED SCIENCE AND TECHNOLOGICAL support, know how, capability, and skill set' for empowering the current day law enforcement, and terminating these serum package food poisoning attacks.

10. For the record of the Honorable court, I attach Annexure A20, my SBI current account number 34860071638, account statement for year 2026, from 1-1-2026, through 30-4-2026. This annexure is

to indicate where I have eaten the meals, procured pepsi, through these months. Since our law enforcement do not possess the capability of detecting and reporting usage of 'dangerous serum technology', I have not submitted food purchase receipts.

11. I attach Annexure A21, The copyright for my authored work 'Anesthetic sleep, use, abuse, dangerous illegal trials, steal genetics, and certain death. Case study 44 of 'Introduction of the dangers of serum technology", was issued by INDIA COPYRIGHT OFFICE, with registration number LD-20260182037, on 12-02-2026. I attach the copyright registration certificate along with the authored work.

12. I attach Annexure A22, Recently authored work, yet to file copyright application, 'GRAVE DANGERS FOR HUMANITY', 'Horizontal cut and Vertical cut, inducing comatose state for target subjects, who would be rendered partially alive, semi alive, with partial organ and residual human functions.', and How wide is the spread of 'Human intrusions, by way of planting transmitters into human beings, micro transmitters', which can be easily put into target subject, in a planned methodical way, by a needle shot, during induced anesthetic sleep?. These are an introduction of what would certainly be included in the 3,000 case studies that would be authored by me and my team, which will be archived with the New World Order Councils. In this annexure, I include the print out of my website weblink <https://srinivasdevathi.com/medical-council/>, only pages 18 through 26. There is also information about the 'continued, what seems to never end, harassment from house number 64, next to my house', for the immediate investigation consideration of the Honorable court.

13. **TAKING CENTER STAGE and ORGANIZING 'EARTHLINGS COUNCIL', EC, the PAYOR for the 62 sale agreements.**

I attach Annexure A23, The 'Macro Program Projected Schedule of Events', for my introduction of the Macro Economic Reform Project Earthling©, and bringing the 'cause of action' for its LEGAL

conclusion, without reference to the present year, already distributed for the Director General, and Legal Officer at World Intellectual Property Organization. The timeline will start with the confirmation from World Intellectual Property Organization, with a calendar entry, upon their arrival at the Honorable court, in the 'Original Suit'. I will assist the Honorable court with bringing this 'cause of action' for its legal conclusion. The Macro Program Projected Schedule of Events, introduced and included in this annexure A23, could be accessed at my website Earthlingcurrency.com, weblink [https://earthlingcurrency.com/?page\\_id=26](https://earthlingcurrency.com/?page_id=26), and at my website ProjectEarthling.com, weblink [https://projectearthling.com/?page\\_id=18](https://projectearthling.com/?page_id=18).

14. I attach Annexure A24, The 'copyright for my authored work 'Macro Guidance for INDIA and WORLD'', that was issued by INDIA COPYRIGHT OFFICE, with registration number LD-20260184363, on 23-3-2026. The copyright registration certificate including the copyright work are attached. While these are simpler subjects, where I have provided my Guidance, my authored 'Macro Guidance' will be comprehensive resulting in the replicating effects of the work for all 187 World countries.

15. With reference of the attached Annexures A23 and A24, I indicate to the Honorable court that I am prepared and ready for taking this 'Cause of action' for its LEGAL conclusion, according to the 'Macro Program Projected Set of Events' listed for -1, 0, 1, and 2 FE years. My follow through work, of years 3, and 4 FE years, would also be of great interest for the Honorable court and INDIA JUDICIARY, since that includes Organizing JUDICIAL COUNCIL.

16. With these attached 'Supporting Documents', I indicate that there is 'no argument' left in this IA 2/2025, in WA 886/2025, also in the 'Original Suit' that I would file with the Honorable court, upon receipt of the 'Consent Letter' from respondent, and that the 'payable

cumulated conservative liability, the total distributed sale price across 62 sale agreements is set at 93 Trillion EARTHLINGS'. I see no reason to go for a number lower than this. Going for a higher claim than this from the 'cause of action, of Breach of Patent Cooperation Treaty', is subject of the independent valuation and reporting of the respondent.

17. Removal Surgery, introduced in IA 2/2025, has LEGAL relevance with remediation of the 'cause of action, Breach of PCT committed by us pto', in me executing the 62 sale agreements at this Honorable court. However, this 'Removal Surgery' lawsuit does not arise from the 'cause of action, Breach of PCT, committed by us pto', and hence must be considered a distinct separate case, subject to legal responses of dr. jiri konecny, and us pto, both belonging to a country, usa.

I attach Annexure A25, Documents connected with rouge white house, rouge us pto, dr. jiri konecny marking me for 'heart extraction' driving me methodically and in a planned way to a surgery, forced by induced symptoms by using 'serum package poisoning', and installing 'transmitters and receiver' inside me. The documents include, pnc bank statement for account number 80-1555-3739, for the period 24-3-2004 through 21-4-2004, my first name corrected with pnc bank in subsequent months, indicating check number 307, debit for usd 1240, copay paid for induced medical malpractice surgery, with paid date of 24-3-2004, paycheck of the then rouge usa IT industry employer kanbay incorporated, capgemini, dated April 16, 2004, showing my name accurately, and consent letter for surgery that I signed because of the systematically and methodically induced symptoms, by using 'serum package poisoning', driving me into the surgery in a planned way, dated 20-3-2004.

Remarks about annexure A25. I am informing the Honorable court proactively, that by all the detailed and meticulous planning, with the rouge work and rouge attack planned for 'murdering me and extracting all my organs' including heart,

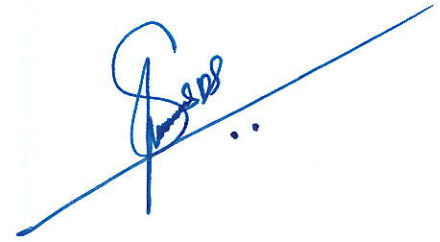

planned and marked me an 'anatomical donor' in a drivers license issued in state of oregon, usa, and the fact that there are installed 'transmitters and receiver', the transmissions of which are heard by dr. jiri konecny, rouge us pto, rouge white house, and the hospital in ca, usa. There are millions of rouges lined up in rouge usa, and rouge uk, waiting to receive rouge second life, their choice a 'vegetarian diet heart'. Upon the appointment of the 'Military unit', I will work with the unit, document and list the frequencies at which these 'transmitters and receiver, installed inside me' communicate, and present evidence for the Honorable court. us pto is blocking diagnostic centers from imaging the installed devises in me.

After the frequencies are established, a separate lawsuit will be filed with this Honorable court, requesting dr. jiri konecny to remove the 'installed transmitters and receiver' with promised safe extradition, the surgery broadcasted LIVE for World Intellectual Property Organization assembly, entire World, and in the eye of the Worldwide media houses. In this 'Removal Surgery with safe extradition', there is no Liability claim, included in the prayer. However, the Liability claim will be separately made, subject to the LEGAL responses of dr. jiri konecny and us pto. Since this is expected to become a World case study of 'installed devises lawsuits', with my life caged for 22 years and 23 rd year ongoing, my 'Liability claim' connected with this intrusion will be taken up at World Court at Judicial Council. My estimated claim is 4 Trillion EARTHLINGS. The detailed break up of the 'Liability claim' will be documented by me. This 4 Trillion EARTHLINGS claim must not be considered a claim I am seeking from us pto, in WA 886/2025, because the 'cause of action' is different. However, a LEGAL response from dr. jiri konecny, a usa doctor, wherein he submits documentation for the Honorable court in 'removal surgery case' which states us pto agrees to pay 4 Trillion EARTHLINGS, paying for his liability payable for me, added to the indicated value in 'Srinivas - Kathi agreement'. E.g., Legal document indicating they would pay a total of '22.5, usa agreement value, out of the total us pto liability payable for me which is 93 Trillion EARTHLINGS' + '4, dr. jiri konecny liability payable for me' = 26.5 Trillion Earthlings, after dr. jiri konecny conducts and completes the removal surgery, broadcasted to the entire World.

18. I attach a certified copy of 'Office report dated 12-6-2025' issued from 'The proceedings of party-in-person committee', for WA 886/2025, indicating Form C is issued on 12-6-2025, attached as annexure A26.

Sentora Webmail :: RE: Procedure for replacing the agent information, and few other details for my invention patent PCT Internati...

Dear Mr. Srinivas S. Devathi,

Thank you for contacting the PCT information service.

As discussed over the phone, I am replying to your email by referring to PCT Rule 92bis, which applies only to the change requests for the PCT applications which are still in the international phase, i.e. 30 months from the priority date. Since the PCT applications in question are no longer in the international phase, any request for change must be submitted directly to the designated Offices where the national phase has been entered.

For your convenience, the annex B of the PCT Applicant's Guide <https://www.wipo.int/pct/en/guide/> contains the contact information of the Offices concerned. To take Japan as an example, you can find contact information of Japan Patent Office if you click on the blue X in the annex B of JP (see screenshot below).

To,

PCT Infoline Team

Because of the impact of the 'Invention Systems and Methods', directly connected to 62 World countries, connected to 157 World countries by way of Patent Cooperation Treaty, and past communications, I am also marking this 'LEGAL communication' for the attention of,

Mr. Matthias Reischle, Legal Officer at International Bureau, World Intellectual Property Organization, and  
Mr. Daren Tang, Director General of World Intellectual Property Organization, International Bureau.

I request your response, for updating my information across four PCT International applications. Here are the details.

- For filing the PCT International application PCT/us2014/046619 with Receiving Office, US PTO, I used the services of hired lawyer, appointed agent, Mr. Jacob Mattis, 919, Congress Ave, Austin, TX 78701, usa. The same lawyer, agent filed the priority application 14/227,859, which is a patent grant US 8,910,998 B1. After the publication WO2015147900 was issued, the agent was changed to Eric B. Myertons. There were no office communications for this PCT International application after this change of agent was filed.

With the PCT International application PCT/us2014/046619, I entered National Stage by filing 15 National and 2 Regional applications within the PCT National Stage entering, filing timeline deadlines. Due to upcoming LEGAL court hearings and orders, I want to get the agent replaced, and mark myself, the APPLICANT and INVENTOR, as the primary contact, for all communications connected with PCT/us2014/046619. How do I go about getting this change processed? Kindly advise. The information that must be updated includes the following.

- No agent for the PCT International application, as of the date of change. If an agent should be reflected, then my information, DEVATHI, Srinivas, S., The Applicant and Inventor, must be reflected.

- Applicant information, should reflect, DEVATHI, Srinivas, S. [IN]/[IN]. With my permanent residential address, 63, 11th B Cross, 3rd Main, Prashanthnagar, Bangalore, 560079, INDIA. I am a citizen of INDIA, which is accurately reflected.

- My current phone number +91 - 966 393 2293.

- My e-mail ID, [ProjectEarthling@SrinivasDevathi.com](mailto:ProjectEarthling@SrinivasDevathi.com).

I had used the ePCT system to file the PCT International applications PCT/IB2016/050993, PCT/IB2016/050994, and PCT/IB2016/050995. The Digital certificate used, two years term for filing these ePCT applications is expired. All my information is accurately reflected in these PCT International applications. By virtue of the established ISR'S for these PCT International applications, they are connected with the PCT International application PCT/us2014/046619. I want to update the following information, for all these three PCT International applications. How do I go about getting these changes processed? Kindly advise.

- My current phone number +91 - 966 393 2293. The earlier phone number reflected in these applications is inactive.

- My e-mail ID, [ProjectEarthling@SrinivasDevathi.com](mailto:ProjectEarthling@SrinivasDevathi.com). The earlier e-mail ID reflected in these applications is retired.

Sentora Webmail :: RE: Procedure for replacing the agent information, and few other details for my invention patent PCT Internati...

Dear Mr. Srinivas S. Devathi,

Thank you for contacting the PCT Information service.

As discussed over the phone, I am replying to your email by referring to PCT Rule 92bis, which applies only to the change requests for the PCT applications which are still in the international phase, i.e. 30 months from the priority date. Since the PCT applications in question are no longer in the international phase, any request for change must be submitted directly to the designated Offices where the national phase has been entered.

For your convenience, the annex B of the PCT Applicant's Guide <https://www.wipo.int/pct/en/guide/> contains the contact information of the Offices concerned. To take Japan as an example, you can find contact information of Japan Patent Office if you click on the blue X in the annex B of JP (see screenshot below).

To,  
PCT Infoline Team

Because of the impact of the 'Invention Systems and Methods', directly connected to 62 World countries, connected to 157 World countries by way of Patent Cooperation Treaty, and past communications, I am also marking this 'LEGAL communication' for the attention of,

Mr. Matthias Reischle, Legal Officer at International Bureau, World Intellectual Property Organization, and  
Mr. Daren Tang, Director General of World Intellectual Property Organization, International Bureau.

I request your response, for updating my information across four PCT International applications. Here are the details.

- For filing the PCT International application PCT/us2014/046619 with Receiving Office, US PTO, I used the services of hired lawyer, appointed agent, Mr. Jacob Mattis, 919, Congress Ave, Austin, TX 78701, usa. The same lawyer, agent filed the priority application 14/227,859, which is a patent grant US 8,910,998 B1. After the publication WO2015147900 was issued, the agent was changed to Eric B. Myertons. There were no office communications for this PCT International application after this change of agent was filed.

With the PCT International application PCT/us2014/046619, I entered National Stage by filing 15 National and 2 Regional applications within the PCT National Stage entering, filing timeline deadlines. Due to upcoming LEGAL court hearings and orders, I want to get the agent replaced, and mark myself, the APPLICANT and INVENTOR, as the primary contact, for all communications connected with PCT/us2014/046619. How do I go about getting this change processed? Kindly advise. The information that must be updated includes the following.

- No agent for the PCT International application, as of the date of change. If an agent should be reflected, then my information, DEVATHI, Srinivas, S., The Applicant and Inventor, must be reflected.
- Applicant information, should reflect, DEVATHI, Srinivas, S. [INI]/[IN]. With my permanent residential address, 63, 11th B Cross, 3rd Main, Prashanthnagar, Bangalore, 560079, INDIA. I am a citizen of INDIA, which is accurately reflected.
- My current phone number +91 - 966 393 2293.
- My e-mail ID, [ProjectEarthling@SrinivasDevathi.com](mailto:ProjectEarthling@SrinivasDevathi.com).

I had used the ePCT system to file the PCT International applications PCT/IB2016/050993, PCT/IB2016/050994, and PCT/IB2016/050995. The Digital certificate used, two years term for filing these ePCT applications is expired. All my information is accurately reflected in these PCT International applications. By virtue of the established ISR'S for these PCT International applications, they are connected with the PCT International application PCT/us2014/046619. I want to update the following information, for all these three PCT International applications. How do I go about getting these changes processed? Kindly advise.

- My current phone number +91 - 966 393 2293. The earlier phone number reflected in these applications is inactive.

**LEGAL REMARKS ABOUT THIS ANNEXURE, ANNEXURE A18.**

For receiving the 'Attested family tree' from the authority, a 'Family tree affidavit' on e-stamp, must be submitted as an application, by attaching copies of applicable documents.

- In this annexure, I attach the copy of notarized e-stamp paper bearing no. IN-KA30127383826569X, dated 22-12-2025, the application for receiving Enclosure 1 attached with annexure A17, from the family tree issuing authority, Revenue Department, Government of Karnataka, INDIA. With this notarized e-stamp affidavit, the documents attached with them, for receiving Enclosure 1 of Annexure A17 from the family tree issuing authority, are excluded from this annexure, except a copy of my father Mr. D. Satyanarayana death certificate is included. His name in the death certificate is misspelt D. Satyanarayan, with rest of the information accurately reflected.

- In this annexure, I also include, the copy of notarized e-stamp paper bearing no. IN-KA41392273901857Y, dated 3-1-2026, the application for receiving Enclosure 2 attached with annexure A17, from the family tree issuing authority, Revenue Department, Government of Karnataka, INDIA. With this notarized e-stamp affidavit, the documents attached with them, for receiving Enclosure 2 of Annexure A17, from the family tree issuing authority, are excluded from this annexure.

I present the LEGAL remarks, with reference of Enclosure 2 of Annexure A17. For receiving Enclosure 2 of Annexure A17, I filed a 'Family tree affidavit' on e-stamp paper, with certificate no. IN-KA41392273901857Y, by enclosing the necessary documents. In the 'Attested family tree' issued by the authority in Kannada language the 'Family tree affidavit' certificate no. is incorrectly spelt with last four digits erroneously printed 185Y. In the 'Attested family tree' in english, the 'Family tree affidavit' certificate no. is correct and accurately reflected, with reference of the copy of 'Family tree affidavit' on e-stamp. The applicable documents attached with the 'Family tree affidavit' included,

- 1) copy of, issued by Republic of INDIA, my INDIA citizenship passport no. Z6387411 issued on 11-11-2021, Identification page and address page,
- 2) stated a mandatory requirement, copy of my aadhar card no. 7540 1714 5045, issued on 10-1-2024, and
- 3) copy of court orders issued by 'Family court at Bangalore', for my divorce case with Smt. Vindhya Yalmuri, for M.C. No. 1014/2011, 5 pages, which included the 'Divorce decree', 2 pages, and 'Memorandum of agreement under section 89 of the code of civil procedure read with rules 24 and 25 of the Karnataka civil procedure Mediation rules, 2005', 3 pages, total 5 pages.

For getting the Kannada language 'Attested family tree' corrected, the authority is unable to print the corrected version, due to system limitations. One of the simple system limitations, that would be addressed by me, when all INDIA systems, Central and State Government included, will be built in INDIA, on our own independent platform, in our own data centers.

**Summary of the 'serum technology poisons, packages used at me'**  
**for the period of June 2025 through April 2026.**

Period	Overall %	Physical organs %	Brain %
2025 June through December	4	4	4
2026 January through April	4	4	4

While the table percentage metrics indicate the same numbers, from the months preceding this period, I summarize the attacks in this annexure. I start with the following exception days, weeks, where the percentages of attack differed for few days, from the numbers shown in the table.

- In the months of July, August of 2025, for few days, an estimated 10 days, I was severely struck with 'serum package intense torture, in what they say is truth serum, nearly disabling the person, that would result in him or her scream from the cell, surrendering, he, or she convict would tell the truth'. This was done for the following purposes. The rouge usa, rouge uk, rouge nj rouge psycho pharmaceutical companies, claim they have created this 'near disability torture truth serum package', which will force convicts and criminals to confess and tell the truth within few hours, or days, e.g., by usage of higher intensity serum poison dosages, on 2nd or 3rd day. However, the World has recognized this 'disease, nightmare, rotten technology, which can destroy human life organ by organ, cell by cell', and that it must be terminated, and the rouges cannot hide behind their rotten claim of 'truth serum' for jailors. The application for usage of jailors is negligible, zero compared to World population, and also stating that all law enforcement agencies, jailors of 188 countries have other conventional techniques 'of torture if they must be used' to get convicts, criminals to tell the truth, stating that statistically this number is near negligible, and near zero.

These 10 days of near disability inducing attacks on me are nothing but induced torture in a different form. This torture technique could be used by rouge usa, rouge uk at regular citizens, living their regular life, 9 billion citizens living across 188 World countries. The rouge attempt in these 10 days was to drive me to the Honorable court in a 'state of distress and state of disability', forcing me into the court, in front of the Justices, and cry for help, dramatically indicating what I was put through in the last 18 years. Since I have seen higher intensity torture, I stayed put carrying the Living Will always with me. In these 10 days, driving out, for having the one or possibly the second meal itself was near impossibility, which I mustered the strength to maintain however, and survive. After these 10 days of attack, the serum packages with laughing counter molecules, with reduction in the torture intensity were used for few days, attempting to check if I would forget this episode, bringing the subsequent days attacks to the 4,4,4.

These 10 days, the temporary strike of 'Intense torture truth serum package' could be indicated by percentages, physical organs, going upwards to 40-50% and receding or subsiding later for few hours. While I say physical organs, the central nervous system, CNS in the brain, must be set aside, meaning disabled, to achieve this effect on target subjects.

Here is the information of what happened in these 10 days. The person hit with this truth serum, will have no internal human body defense mechanisms working, since the CNS is disabled. The person is set to stay in a hyperventilated, restless, disabled, skeletal imbalance permanently delivered by inducing 'zero postural integrity'. Meaning, the target subject will not be able to stand, not be able to sit, not be able to sleep, not be able to walk, not be able to lean forward, not be able to lean backward, and will have his, her entire skeletal system with spinal cord loosing its centering, leaving the target in a total restless state, with a sense of broken spinal column and bones, with hypersensitizing the skeletal system, which would feel tortured at a touch, turning, tossing, wearing a tight shirt, tightening of the waist belt, moving into various skeletal postures, none of which will alter the near disabled death like state. With the sensation of near death, fully disabled bones, disabled skeletal system, hyperventilated for rest, hyperactivated to shout, and yell for life, the convict, the criminal will shout from inside the cell, that he,

she will admit the truth and place the original true facts for the law enforcement agencies. Stubborn convicts, criminals, with increased dosages of torture, will surrender the second or certainly the third day. For e.g., rouge usa citizens like heidi pote, bill schreiner, chris anetz, tammy connelly, presidents of usa who occupied white house including the current president, first ladies, first daughters of rouge usa will tell the full, complete original truth and admit for all their wrong doing within the certain three days, if this torture serum package truth serum is used. This was their last effort to justify the rouge 'serum technology' and this has no merits for the World. In summary, it is a method of torture, which most World country law enforcement and military would want to use against rouge usa and rouge uk citizens, if they enter their country. New World Order Councils will list this in banned list of substances and poisonous serum package.

- In the month of Feb 2026, for a few days, an estimated 4-6 days, the serum package poisoning was brought down, with the metrics in the table reading 3.5, 3, 3.5, with the intensity of attack reduced, leaving the known residual 'insomnia' management at 2% for minimal sedation sleep for 1-2 hours, with most of the physical organs left unattacked, and almost no brain regions tampered with. These few days felt like a relief compared to my tortured life of the last 18 years. This was temporary and short lived, and by induced variations within the 24 hour timeline, the attacks currently average at 4,4,4, consistent with the previously reported and the indicated numbers.

**Summary of attacks during this period.**

The summary of last 10 months for the Honorable court, is that, excepting the few days reduction of the food poisoning intensities to 3.5, 3, 3.5, they were and are at 4,4,4, presently with attacks sustained through the day, hit by milder dosage attacks for 20 hours in a day.

The attacks were the following.

- At milder dosages of serum package counter molecules delivered per second, with the dissolution of wrapper counter molecules, the package is

designed to sustain the mild dosage of poisonous attack, for 20 hours within the 24 hours in a day.

- For e.g., keeping the inside body temperature at a high 97.5, 97.6, or 97.7, from the normal 97 degrees, and this for the full span of 20 hours. The feverish discomfort, mild suffering, stays for all 20 hours and would not come down.

- The body surface temperature across the body surface, different from inside body temperature that is termed fever, is increased to 99-104 degrees, blaming the summer season in Bangalore, while I lived comfortably in this city before year 1999, without breaking a sweat through the years. The excessive heat generated on the surface needs you to continuously spray cold water or stay in cold shower to cool yourself. This was sustained for 20 hours within the block of 24 hours, in a day.

- The cumulated effect of this is aggravating and escalating, while being at the milder dosages of serum technology poisons delivered per second, according to the dissolution plan of the wrapper counter molecules.

- This has brought the cumulated effect back to the previously reported 4,4,4, presently.

- INTENSE induced sweating which was a standard for 18 years, has just come to subside in this year to lower levels for the first time. It is replaced with increased body heat and temperature, resulting in continuous spray of cold water and lay on colder surfaces, e.g., colder floor through the days and nights.

#### **Brain region, and connected serum package action.**

- While higher induced noise and buzzing from the early months of 2025, was reduced, with bursts of altered varying types of sleeps induced through the day and night, few of the brain regions were continuously targeted, specifically the optic vision region, used to play, continuous play of random useless nonsense distorted images. Instead of severe attacks, they resorted to prolonged through the night, for many hours milder attacks, using optic vision region of the brain.

- These brain region milder attacks include continuous play of images, and screenplayed movies, wherein the images are most psychotic images, most disturbing images, continuously played in the form of flicker play of

series of psycho, rouge, distorted, fusion images of multiple people, multiple faces, joined, merged, and morphed in the most disturbing way. And this repeatedly going on for hours through the induced variations of sleep. This is more annoying, irritating, disturbing, and forgettable, while no where being close to attack or torture. Compared to torturous attacks, this work might rate at 0.1%. However, this kind of attack on the brain region is highly disturbing, annoying causing aggravation, and irritation.

- The continuous play of images are most rouge rotten psycho images, e.g., disturbing paintings, black and white sketches, partial animal forms, partial human forms, psycho hybrid images, resulting in horrible annoying night.

- The psychotic images include continuously flickering images of people resembling people I have known, famous people, continuously altering from one person to the other, and combined faces. The images also include devilish, demonic, psychotic, disturbing images, which can only come into the rouge psycho brains of rouge usa and rouge uk citizens, who went on to create serum packages for leaving people annoyed and have a disturbed horrible night.

- The brain optic sensing region is continuously, relentlessly transmitted with signals, forcing you to observe in the direction to the right or left of you, inducing an image of 'movement of an object, an animal,' while there would be nothing moving in reality. This is another annoying effect used to attack targets continuously.

- They have continuously zoned out my brain for few hours, at their time of choosing, for reducing my authoring ability, and slowing the natural speed of my authoring work.

Digestive system, and robotic day precise day schedule forced on me, mutatis mutandis for target subjects across World.

While I have consumed serum poison packaged food for 18 years, the robotic grip on my day schedule, including the precise control on digestive system, and urinary track system, controlling the bowel movement, and urine flow is mastered by rouge usa and rouge uk, and they use this for attacking World citizens how ever they want. My schedule with reference of these daily chores, mutatis mutandis for all 9 billion World citizens can

be robotically controlled, adjusted, attacked, used, abused, altered, by usage of these rouge serum packages, putting you in a life cage.

Sleep variations delivered in weekdays, weekends, robotic precise day schedule forced on me, mutatis mutandis for target subjects across World.

These 10 months the robotic control in the days schedule was also demonstrated by precise control on inducing and removing multitude of variations of sleep, within those milder intensity, meaning less brain gripping, lower dosages of sedative sleep variations were used. I introduce for the World that there is only one, exact molecular combination that is exactly same, or closest to the original, regular human beings sleep. And the serum package attacking and manipulating all brain regions in varying combinations, has allowed several variations in sleep of a person, who would be left, hours after variations of induced sleep, leaves the target subject in restless and distress state. Interpreting this correctly, crossfoots with POV FE 6, where I introduce 'anesthetic sleep'.

Immasculating real men.

The psycho serum packages delivering women estrogen for men, are so horrible, inducing the most ugly, pukable, 'why dont I just die' sensations. The ugly annoying sensations are so horrible, since they are used to diminish the masculinity of 'Men from 188 World countries'.

Simulating everything experienced by rouge second life recipients aged 110-120, 120-130, on me, and other target subjects across World, including those in the ages of 20-30, 30-60.

Unfortunately, the prolonged usage of serum technology, the illegal venomous poisoning trials using serum technology in several of the 188 World countries, has allowed rouge usa, rouge uk, rouge nj to optimize the serum package micro nano combination dosages, to the level of precise sensation inducing levels. With the organization Special Technology Unit, STUN, and its network STE Zones, with expedited incremental knowledge, will build capability for tracing the lowest levels of micro nano traces of counter molecules in serum packages, generate detailed report,

terminating these rouge illegal technologies, rouge serum packages designed to attack, deliver expedited ageing, inducing symptoms of old 120 year old people for our citizens that are 25 years of age, and attempt to terminate 1.2 billion HINDUS living in INDIA, and 9 billion people living across 188 World countries.

The rouge serum technology illegitimate usage in INDIA, and also 187 World countries, are allowing rouge white house, rouge usa, rouge uk, rouge nj, to perfect the packages to deliver mild induced sensations, severe symptoms, fatal symptoms, with their tiny brain useless work, to attack 9 billion people across 188 World countries.

These are symptoms only expected in 100-120 year old psychos of rouge usa and rouge uk that have received second life, induced by rouge poisoning serum packages, for young adults, young men, and young women across 188 World countries, in the ages of 20-30, and 30-60. These precisely induced symptoms, including the following, which were repeatedly simulated at me over the last few years, and were particularly simulated in last few months.

- Mid day, around 12 noon, sensation of 'sun stroke' of blazing sun, inducing instantaneous sensation of abandoning the afternoon work. This in Bangalore, where I have never broken a sweat before January 1999.

- The mid day work or outing, creating sensation of continuously looking for shade for stopping my car, or while standing outside, because the heat is so intolerable due to already increased body temperatures, inside and surface, with heightened state of sensitivity, and drained energy levels.

- While I have seen and known that citizens in the ages of 61-99 have worked all through the day, travelled mid day in sun, lived their life comfortably, travelled and finished their trips comfortably, the rotten nature of rouge white house, rouge nj, is a stench across our galaxy, for trying to induce early ageing, fake reports for inducing early deaths, by reasoning of these simulated induced symptoms, by using serum packages, in support of their rouge second life program, and life in desert countries like saudi, and uae from where they are receiving financing for these illegal experiments connected with extreme heat, desert conditions, extreme high temperatures, burning skin, dehydrated and sweating.

- The precise simulation and execution of 'meanings of terms' tiredness, severe weakness, exhaustion, drained of energy, precisely calculated and managed to every second, energy levels in the body by 'kilo calories' of energy left, all of these inducing the question 'how will I take the next physical step' at the time of their choosing, are delivered according to their plan, designed, built, and delivered through the fabricated serum package. The other words used for attack include dryness in throat, continuous thirst, going tandem with the induced excessive body heat, body temperature, desert conditions, and sun stroke effect. The dryness and thirst inducing counter molecules are standarly dispensed in every beverage sold by rouge usa, and rouge uk, for attacking their minorities, and World citizens, causing, repeating the symptoms immediately after you consumed the beverage.

- The 'kilo calories' management and precisely delivered tiredness, and drained of energy, are to the extent of how long a person stands, will be allowed to stand, and when he or she is made to sit, because of exhaustion and weakness, all induced and managed, with precise calculations by the second.

- In combination with the 'physical energy level symptoms, sensations of 100-120 years age precisely delivered', they combine the effects of 'zoned out brain regions' to stop me from working, and authoring. This is also precisely calculated and delivered by serum package combinations which is intended for stopping all 'Brilliant WORK of all future generations', meaning attacking all talented students, youngsters, people, citizens from across 188 World countries.

- The rouge second life program wherein there are expected to be few tens of thousands of rouge usa and rouge uk citizens, in the ages of 100-120, their state of life, their speed of work, their energy levels, and their organ functions, are exactly simulated on target test subjects across 188 World countries, by way of using serum packages to deliver the age of 100-120 for physical organs while your age is in say 20-50, and record the target subject images extensively in multi mode color vision cameras, and precisely isolate the differences in the younger subject and the psycho 100-120. Then, they attempt to supplement few organs in the rouge psycho to see if the abilities of the rouge improve and could be made comparable with the target younger subject, whose multi mode images were shot and used.

- For the last 18 years, since my invention of patent rights recognized by PCT/us2014/046619, PCT/IB2016/050993, PCT/IB2016/050994, and PCT/IB2016/050995, they have relentlessly, by spending an estimated 50-60 billion rouge monopolized usd in rouge financial lever bribes, have taken all my physical organs, group of organs, entire brain, attacking all brain regions, to varying ages going into ages 100-120. For e.g., my skeletal system, bones, joints were so extensively attacked with serum packages, to age my skeletal system into the age of 100 years, when my real age, from the birth date was 40-44 years. I can present graphical representations comparing my real age versus the serum package delivered age by each organ, group of organs, brain, and brain regions, and further give comparison of words introduced tiredness, severe weakness, exhaustion, drained of energy, physical strength, energy levels, overall brain functioning level, placed between my real age versus induced age by serum package.

I consider that excepting for the permanent insomnia side effect, and possibly reduced weight, with total elimination of serum package poisoning, I might continue as an approximate 50 years adult INDIA male.

This will be achieved by the combined efforts of the Honorable court, and organizations, Special Technology Unit, STUN, and the network STE zones. Subsequently, I will have my team for managing the induced permanent insomnia side effect, and my vegetarian diet is expected to automatically manage my weight. The comprehensive 3,000 case studies will be delivered by me and my team for the New World Order COUNCILS.

Driving panic of 100-120 years olds simulated at me for years.

Heightened state of auditory sense, and startling state of brain were kept continuous for several months, continuously testing me with riders zipping around me, honking at my car, simulating startling, panic, hyper state of hearing and eye glare used in combination, attacking and observing my driving for comparative study.

Tiredness. Rouge usa, rouge uk, and rouge nj, are wrapping an estimated 1,000 - 2,000 counter molecules, in varying design combinations, e.g., in a way the person perceives certain symptoms that they want the target subject to perceive, or in a way wherein a complex combination is used without pointing towards one reason for the target subject perception of tiredness, the design variations working in a few different combination approaches, working on organs, organ systems, select brain regions, and manipulating blood parameters connected with known molecules of glucose, or dextrose.

Severe weakness. Mutatis mutandis, few different ways of attack and serum package design.

Exhaustion. Mutatis mutandis, few different ways of attack and serum package design. The easiest technique with lesser count of counter molecules wrapped design, distinctly perceived by the target subject is by way of spiking the body temperature, inside, meaning fever temperature, and also the surface temperature, can induce a planned collapse within few seconds. For non collapse, slower effect, this could be combined with induced dryness in throat, extreme dryness in throat, thirst, induced permanent thirst, that would not go away.

Drained of energy. With precisely calculated and managed to every second, the energy levels in the body by 'kilo calories' of energy left, all of these inducing the question 'how will I take the next physical step' at the time of their choosing, can be induced and delivered to the target subject.

Before the initiation of the Original Suit in the court, which will have the presence of World Intellectual Property Organization, to 'Schedule the calendar entry for my Introduction of Project Earthling©, addressing 193 World country delegations', for execution of 62 sale agreements, I am looking for bringing the ongoing food poisoning by dangerous serum technology, still executed in Bangalore, by rouge us pto, rouge white house, rouge usa, rouge nj, to murder me, now, the attempts spanning 18 years, with death like experience delivered every second, until I authored Project Earthling© in 2019, and corona was induced in 2020, with High Court of Karnataka taking charge of reducing the food poison levels to the most recently reported 4,4,4, in this table, and about an year ago, which must be brought to zero food poisoning, numbers reading 0,0,0.

While I hope the Court conducted investigation will bring this food poisoning to near 0,0,0, or lowest possible number, the 'Special Technology Unit' will build the technology to empower the law enforcement and bring this to 0,0,0, by reporting the serum package contents and details in the report, and dragging the food poisoning source vendors, to the court, where they will admit the source supply of the serum packages from rouge us pto, rouge white house, rouge usa, and rouge nj.

Information and alert for 188 World countries.

Rouge usa, rouge uk, and rouge nj have designed several serum packages with designs and elaborate wrapping plans with detailed dissolution plans, that are precisely fabricated, synthesized with 'specific objectives, specific plans of attack, specific symptoms, problems that must be induced to targets, specific disabilities that must be induced to targets' ranging all human organs, organ systems, brain regions, and heart. Further, rouge usa, rouge uk, rouge nj, are skilled at highest level in wrapping most complex serum packages, with detailed military like attack plans, torture and induce death like packages, which wrap easily upto 10,000 counter molecules.

Their degree of preparedness for a World war, or cross country war, the opposition consuming their food even by the slightest chance, they can bring down their opposition entire army, entire country, entire population by just these designed, synthesized, packaged, and dispensed in the food consumed by the opposition. Millions will be dead, meaning murdered with simple serum package that causes severe tiredness, weakness, exhaustion, and induced cardiac arrest.

**Scenario of a 'Pharmaceutical poisoned food driven World War III',**  
rouge usa, rouge uk, rouge nj have the capability of killing 188 World country citizens, and terminate the World.

I want the 188 World countries to realize this capability they possess in the present day. Of course, the requirement for this is that all citizens of 188 countries eat food supplied by rouge usa, or somehow by rouge methods they enter your food supply chain and get into your food.

188 World countries will comfortably terminate rouge usa, with one mandatory pre condition that none of the 188 country citizens, none of the 188 country military, army, navy, air force, consume poisoned food that comes from rouge usa and rouge uk, directly and indirectly. The 188 countries will comfortably win the 'Non pharmaceutical food World War III'.

All 188 countries must immediately ban all food imports from rouge usa and rouge uk, shut down all rouge usa food brands, since they are skilled at highest level in wrapping most complex serum packages, death like packages and dispense in your food, which could involve wrapping 1,000, or even 10,000 counter molecules acting on all your organs, head to toe and brain, and put you in LIFE CAGE, caged every second with the internal and brain cages.

The organizations Special Technology Unit, STUN, and its network STE Zones, will empower the 'Investigation work' and terminate this rouge technology. Special Technology Unit, STUN will have the capability of detecting the serum packages dispensed in food, and reporting the details, within few months from the time of its organization.

The longest drawn food poisoning attacks on one person ever conducted on planet EARTH, highest number of attempts of murder on one person by rouge us pto, rouge white house, rouge usa, rouge nj, will be brought to their END.

I have all the receipts of what I ate in these months, except a rare few purchases where the vendor won't issue receipt. The current law enforcement limitations, inability of detecting and reporting 'serum packages usage' is already placed in front of the Honorable court. Hence, I have not attached any restaurant food receipts with this memo. However, I have attached annexure A20, my bank statement of four months of my current account used for food purchases with this memo.

CASE STUDY 44.

TITLE. Anesthetic sleep, use, abuse, dangerous illegal trials, steal genetics, and certain death. Case study 44 of 'Introduction of the dangers of serum technology'.

TITLE DESCRIPTION. The 9 billion citizens, living across 188 World countries, are brought to a 'single point of failure, instant death' inflicted on them by rouge usa, and rouge uk. The serum package to inflict death on men and women in ages 20-50, delivered on international flights run by usa and uk, to kill you or use you and then kill you, when you land in usa or uk. The 'serum technology poisoning' is forced into 188 countries, by forcing 'culture disintegration' and attempting to put target experimental subjects from 9 billion citizens, in cubes, cells, cages, acoustical chambers, to inflict poisonous experiments by force feeding their serum technology poisoned food, the exit from cage only by the target subjects death.

The following are four introductory graphs for case study 44.

Case Study 44. The 9 billion citizens, living across 188 World countries, are brought to a 'single point of failure, instant death' inflicted on them by rouge usa, and rouge uk. The serum package to inflict death on men and women in ages 20-50, delivered on international flights run by usa and uk, to kill you, or use you and then kill you, when you land in usa or uk. I also introduce their conceptualized cube, cell, cage, or acoustical chamber.

The rouge psycho caucasian trash received extracted heart at age 85. The murdered is in the age of 50-60, resulting in cumulated age of 135-136.

The following facts must be recorded about heart transplant, heart received by receiving donor, through 10 years of age. The heart transplant is completed when the recipient caucasian trash age is around 30 years of age. The human heart must be stopped, meaning by electrical intervention, by usage of drug to stop the heart which is in instant death. The human heart is age range of 80-85, and when the image recipient of human heart, to live with 120-130 years of age. Once the transplantation of human, between 70 years of age, the recipient health supplements, it expected to be used within 10-15 years, however, mortality immediately, but 14 times and last time. Given these conditions to deal with, the extended life 120-130. Given these conditions to deal with the recipient, they can considered whether to move across the recipient, they can request that they be used with its further extension of experiments. The heart could be replaced or they do actual work. The human heart is expected to be interchangeable by genetic. However, logistic and accessories could be made or found. The general recipient would be for 10-15 years, the contract for doing use and other things, however, there are no rules within the legal work.

You are from 188 World countries, would you travel to usa, or uk, meaning would you walk straight into your death? You have the answer. Do not travel to usa and uk, even they will stay alive, and live your full life in other country.

**Case Study 44. The 9 billion citizens, living across 198 World countries, are brought to a 'single point of failure, instant death' inflicted on them by rouge usa, and rouge uk. The serum package to inflict death on men and women in ages 20-30, delivered on international flights run by usa and uk, to kill you, or use you and then kill you, when you land in usa or uk. I also introduce their conceptualized cube, cell, cage, or acoustical chamber.**

The following facts must also be understood about heart transplant, heart covered by prosthetic circuit in age range of 20-30 years of age. The targets killed at age of 20-30, will take the rouge experimental recipient, that received the harvested heart to live until 125-150. These rouge recipient subjects are those, that would be used for continued experiments and legal trial work, in the rouge extended pacific second life program, that and uk considered their country rouge candidates for these experiments, who were on to concentrate and transfer the pacific experiments to citizens of 198 World countries. 198 World country citizens must look back their rouge attempts, and face rouge usa and uk experiment on their own courses. These targets are marked for most violent, most brutal, most heinous, inhuman experiments, including 'metal chains for bones, all organs cut up and experimentation' which would involve most brutal tortures, unwatched for months and years. This explains the pacific actions of rouge usa and uk resources trying to ensnare foreign citizens, targets in age 20-30 you will die. You are marked for planned, well organized, thoroughly thought out murder, for organ and heart extraction. With immediate effect, all 198 countries must shut down and end all communications, ties with usa and uk.

Rouge usa and rouge uk want to force themselves into your country, 198 World countries, disintegrate your society, and put your population in cubes, cages, cells, or acoustical chambers, and feed poisoned 'serum package food', to conduct experiments, control your life, put you in the cage, and kill you. With the 198 World countries, eat poisoned food fed to you by rouge usa and rouge uk? You have the answer. Bar all their food brands, and food exports to your country, and source original food from within your country only. 9 billion lives will be saved.

*The age mathematics of the devious diabolical rouge second life program, of rouge usa, rouge uk, and rouge old world order. Target subjects, in age 20-30 years of age.*

**Case Study 44. Serum package delivered to your seat, in the delivered meal, onboard the usa or uk airline, about to land in usa or uk. I present a graph of poisoned meal delivered to you on their rouge international flights, with reference to the flight plan, scheduled arrival timeline. In this slide, I describe their intended diabolical psychotic objectives, with consideration of 'stealing exotic genetics', and then committing murder. Their rouge plan for men from 198 world countries.**

For organ harvesting, and heart harvesting, all targets are exactly the same. Age is the only criterion. They have captured extensive data on their habits and culture variations from across the World, to record their effect on heart. While usa we have tried to overlook that these variations, vary life expectancies, it is totally bogus, and nonsense. Original food will ensure all denied citizens live until 90-99. You are already aware of serum technology packaging, and the same serum they can act within you, are already aware of serum technology packaging, and the same serum they can act within your body, attacking all organs and brain regions. The grain depicts the 'serum package' infused food served to you on rouge usa or uk airlines, the serum package ensures that you collapse and enter 'lethargic sleep' within 30 minutes from the time of flight landing in usa or uk. Once aboard the 'lethargic sleep' within 30 minutes from the time of flight landing in usa or uk, I write what they would do to use and sever targets. While everyone on flight are targets for organ, heart extraction, they want to choose 'weak, men, dark men, or in their consideration, best genetics in the world' for organ, heart extraction before committing the murder. For men, the following events will be inflicted before killing them for organ, heart extraction. Same as in an animal form, the serum package after putting the man to anesthetic sleep, will induce periodic 'zap 2 or 4 times a day, or possibly once a day, everyday, erection, and extraction of his sperm, a tap. They could do this for several weeks, by needle stabbing the dead yet alive male target, to extract his sperm as they want, given the dehydrating genetics of usa and uk. While I would ensure 'International Sperm Bank' would be made available for couples seeking better genetics, what is the need for men a murder? After weeks, possibly months of sperm extraction, the target is killed, for organ and heart extraction.

*Scheduled serum package action, aligned with flight plan, to induce collapse and anesthetic sleep to target subjects upon landing in rouge usa or rouge uk. Target male subject used and then killed.*

- The 'serum package' delivered in the meal served to your seat in flight, according to the flight plan, prior to your flight landing time in usa or uk. What would they do to target male or target female subject.
- The specific 'serum package poison action', counter molecules acting in the target subject in the minutes before flight landing, and after flight landing, until the target subject collapses, and enters anesthetic sleep, on the floor of usa or uk airport. With reference to usage of the words 'needle stabs' in the published graphs, it must be understood that, oral administration of serum package, e.g., dispensed in droplets will suffice, to keep the target subject knocked out for the rouge planned attacks and murder. The method of dispensing serum packages into the target subject is irrelevant, since the target is going to be killed.

**DETAILS ABOUT GRAPHS 1, AND 2. The target subjects, the harvested ones, and some of the select recipients and what to expect in their dead yet alive state.**

The ones chosen and murdered will live horrible anesthetic sleep life for several months or years, when they are used and then murdered. Why should any citizen from across the 188 World countries, die? Further abused, used for rouge experiments, live like a dead person in some dungeon and then die? The ones chosen for continued experiments by receiving second life at 85 years of age, caucasian trash, or disposable minority targets within usa or uk, will get the following brutal experiments conducted on them.

- Drill holes into bones and extract left out bone marrow, and then inject, or infuse metal that will fuse with the bone. Molten metal is generally at extremely high temperature, which human body will never withstand. Even with additives, and mixed alloys, they might attempt to bring the temperature down, however it is still high enough which the human body, skin, and flesh cannot withstand. They might attempt to create a possible situation, condition where such metal fusion of bone could be executed, keeping the target subject alive. The metal bone fusion means end of bone marrow function, and RBC generation.

- The continuous blood transfusion is considered a challenge. They will try filling the person with factory manufactured, artificial blood, with all human blood cells replaced by micro nano particulate substances.
- mems, micro electro mechanical systems, research field that has resulted in technology with negative applications, than supporting human life, is supposed to create micro, nano robotic cells that do the functions of blood corpusels. These with the artificial blood will be poured into the test subject, whose heart is still functioning given the transplant received. Diseases with lab created cells induced, allow the psycho illegal work, illegal trials of programmed mems cells, created with specific objectives to find and destroy, or terminate the lab created cells.

- All the other human organs will be cut up one by one and its status, condition examined and experiments conducted to check if it could be supplemented or replaced by factory manufactured products. Brain functions replaced by digital circuitry, electronic components, or similar. While conducting these experiments, target subjects are expected to be thrown into mortuary cell size chambers, with severe pain, suffering, torture inflicted, a fabricated, false, and illogical rouge ideology that fear, or intense emotion will keep them alive. Further, with the same line of thinking, the target subject will never sleep, with all remaining brain cells, and brain regions hyperactivated. Is this even considered a life for any human being on Earth?

**SERUM PACKAGE ATTACKS THE FOLLOWING ORGANS**

30/01/25  
30/01/25

With reference to the graph 4, the detailed expanded set of serum package actions prior to and after the flight landing, acts on the following physical organs, listed by the set of serum poison actions.

- Induce apprehension and uneasiness. I refer to case study 9, where I introduce the rouge technique of inducing any kind of phobia, including apprehension. The apprehension induced is by usage of minor dosages of the same counter molecules, poisons, which also manifests as uneasiness. Apprehension and uneasiness could be induced in several different ways for the target subject. The 3,000 case studies will dwell into all the methods of attacking target subjects.

- Induce sweat and panic. Serum package counter molecules, poisons are available to induce 'sweating to any target subject', by activating the sweat glands, inducing, triggering sweat release in varying intensities, from mild sweating to profuse sweating, could be termed drenched in sweat, from any part of the human body, across the length and breadth, including hands, legs, palms, feet, torso, spinal column, head, face, forehead, genital organs, at the precise time, forcing sweat by activating the sweat glands.

- Induce weakness. Several rouge approaches exist to induce weakness. One of the simple techniques uses neutralizing Sodium, Sodium chloride, Potassium, and Magnesium molecules in the blood by using counter molecules to neutralize them. This serum package counter molecule works on inducing negative effects on blood parameters, and in real quick time.

- Induce tiredness. The rouge experiments inducing 'diabetes' to world countries, have allowed rouges to manipulate and create counter molecules for sudden drop in 'sugar content' within human blood. The tiredness is one of the factors connected with this. They can induce tiredness in varying proportions by manipulating the blood sugar level, e.g., a sudden drop of blood sugar level will cause instant tiredness. It is only one of the many ways of inducing tiredness.

- Body temperature increase. I refer to case study 1, where I introduce the body temperature attack serum packages. This is one of the most dangerous technique, meaning every increment of body temperature by 0.1 degrees, by each passing block of seconds, will drain the persons energy levels, and the target subject will be looking to sit and lie down, as the body temperature crosses 100 degrees, and moves beyond. The body temperature control limits of variations delivered by serum packages poisons are unbelievably extreme, and they can knock you down within few seconds to collapse by using this rouge poisoning approach. The control limits and details will be dealt in the 3,000 case studies.

- Skeletal system, bones, joints weakened by every step. I refer to case study 16, where I introduce attacking the human skeletal system, all bones, and all joints. The serum package capability for rapid reduction in bone strength, weakening of joints, inducing shivering of joints, weakening the muscles, ligaments, tendons, and cartilage around the joints, is all in the present and can be packaged into this serum package. Each of the serum package actions can be induced in many different ways, and one of the attacking actions is enough to collapse the target subject at precise time. The combination attack of all of these, will deliver cumulated high impact weakening of the target subject, resulting in target subject experiencing severe weakening by each step, each second, taking the target subject towards, and resulting in the target subjects collapse, at the precise calculated time. The target subject will collapse as soon as he/she sets foot on the usa or uk airport floor.

**SERUM PACKAGE ATTACKS THE FOLLOWING BRAIN REGIONS**

This serum package by the listed set of actions in graph 4, acts on the following brain regions.

- For 'Induce apprehension and uneasiness', I refer to case study 9, including the brain regions that are attacked.

- For 'Induce sweating and panic', also, I refer case study 9, panic being a variation of fear. The full compre-

hensive list of brain regions will be tabulated while authoring the 3,000 case studies.

- 'Destabilize the cns, central nervous system'. After landing and while deplaning, the serum package action could be used to hyperactivate the 'brain regions' perceiving the attack on physical organs. Alternately, at the same time will target the cns 'human defense brain region', numbing and neutralizing, all the region functions. Destabilizing the cns primary 'human defense brain region', means the last inbuilt human resistance to all forms of attack is eliminated and terminated. With gradual increase of attack and spread of numbing of this brain region, and when it reaches 100%, the natural human resistance to counter the serum package action is fully terminated, resulting in the collapse of the target subject. This cns 'human defense brain region' termination execution is precise to the second, resulting in the collapse of the target subject on the airport floor of usa or uk.
- Within few seconds after the target subjects collapse, the serum package action would include the full spread of 'oral anesthesia counter molecules', into all the brain regions, numbing and closing all functions of all human brain regions, entire brain, all human senses shut down resulting in lack of perception, taking the target subject into 'full induced anesthetic sleep, immediately after the collapse, within a few seconds'. I refer to POV FE 6, from my copyright for 'Right perspectives for the World, FE Series'. The target subject will be termed 'collapsed and unconscious' and put into the preplanned and waiting ambulance. The target subject will live tortured dead yet alive life, and eventually be killed.

**SERUM PACKAGE ESTIMATED TIMELINE OF ACTION**

The serum package dispensation and estimated timeline of action are indicated in graphs 3 and 4, with reference to the flight plan, and scheduled time of landing. Graph 4, gives the expanded timeline and the serum package action during the 10-20 minutes before landing and 20-30 minutes after landing.

**OBJECTIVE. CONDUCTING MOST BRUTAL, PSYCHO, DEVIOUS, AND DIABOLICAL EXPERIMENTS ON TARGET SUBJECTS.**

- To kill men from 188 World countries, and receive the rouge second lives, the central objective of the caucasean trash in rouge usa and rouge uk.
- While receiving the rouge second lives, in the name of chosen target second life recipients from minorities within their country, or targets from 188 other World countries, continue rouge psychotic, most devious diabolical experiments with the 'chosen for most horrific experiments second life recipient', between the ages of 100-155. While you can segregate rouge experiments, for less brutal for age group of 100-120, and most brutal for age group of 120-155, there are no rules in illegal work. For e.g., metal infusion could be attempted at age of 100.
- To kill women from 188 World countries, and receive the rouge second lives, the central objective of the caucasean trash in rouge usa and rouge uk.
- To use women from 188 World countries, for sex, or labor slavery, and then kill for organ, and heart harvesting, the objective of the caucasean trash in rouge usa and rouge uk. The ones chosen for extended experiments in ages of 100-155, might live labor slave life of illegal trials and experiments, which will not end at their age of 85-100.

World domination and stamping rouge psycho authority on 188 World countries, keep them in permanent slavery forever. Receive second lives, continue rouge experiments on others, and see if they can live the second life. All of this, everything, every action in this, every cage imposed to interfere with target subjects lives, is illegal and punishable according to laws across all 188 World countries. **CAMOFLAGE, DO'NT BE DECEIVED.**

They will lure you into rouge old world order rouge bribe deals, use all the levers to draw you into their country for committing the murder, extract your organs and heart. Include political lever, trade lever, business lever, financial lever, economic lever, technology lever, data center lever, or similar. They will force the other past rouge programs such as work permit, labor visa, student visa, or spouse visa programs to draw you into their countries. You will be murdered if you take such rouge invitations from past rouge old world order rouges usa or uk. Read the 'conclusive summary' text, about how New World Order will put rouge usa and rouge uk in their place. Sever all ties with usa and uk is the immediate advisory action for all 188 World countries.

188 countries, 9 billion citizens will unite against usa and uk and against serum technology, in New World Order. Special Technology Unit STUN, Medical council, and Judicial council will enforce law. STUN along with MEDICAL COUNCIL will list the poisons, counter molecules used, into the banned list of substances, along with chemical formula and molecular structure.

**ESTIMATED COUNTS OF SECOND LIFE RECIPIENTS. 'saudi and uae' MUST EXPLAIN THEMSELVES TO THE 188 WORLD COUNTRIES.**

Estimated count of rouge psycho trash people living their second life, by receiving heart transplant, are a few thousand usa rouges, and few thousand uk rouges, living their second life from receiving heart transplants, from murdered target subjects. With the oil trade relationship from the last century there are possibly a few hundred saudi citizens, and few hundred uae citizens, that are living their second lives by receiving heart transplants from murdered target subjects. I present the following facts related to this.

- The full heart transplant technology is available only with rouge countries usa, and uk. These countries have built hospitals, ICU wings, supplies, and trained transplanters to conduct transplants, in thousands in a single day.

- I gave speculative numbers for saudi, uae, since they have had oil trade business relationship with usa and uk in the rouge old world order, allowing them to receive transplants. The transplants are conducted in usa and uk only. saudi and uae must directly address 188 World country delegations and provide clarification on

their stance with reference to 'receiving second lives by murdering target subjects'. In the decentralized World, they must kill their own citizens, and cannot interfere with the lives of citizens of 188 other World countries.

- By way of direct knowledge sharing, full technology is available with canada, australia, and new zealand. They will have to come officially on the record, about this fact, and their future ideology, with New World Order Councils, the 188 World country delegations and their media houses.

- These second life recipients are in secret facilities within usa and uk, and possibly in canada. canada must answer this by themselves to the 188 World country delegations at the New World Order Councils. In these secret facilities 'every second' of these caucasian trash recipients state is recorded in multi mode visual, and multi mode color coded recording devises, capturing continuous audio and video footage, also capturing tens of thousands of statistical data points, information in a day, per person, into high capacity designed for such data storage, data centers, the information spanning every organ, every cell inside every organ, every brain cell, spanning entire brain, with multi mode color recordings also stored for all organs, and all brain regions. This is the data compared with what they are capturing from across the World countries, from target subjects, who are put in life cages, cells, cubes, or acoustical chambers, who are poisoned and their life captured in multi mode visual recording devises, for comparative study of what is recorded off the caucasian trash second life recipient recordings.

**THE DEVIUS DIABOLICAL GRAND PLAN OF ROUGE usa AND ROUGE uk.**

The grand plan of rouge usa, and rouge uk, was to stamp authority on planet EARTH, kill all men, and use all women, from all the 188 World countries. if you travel to their country, they will certainly use you, and then kill you. The rouges used 'rouge usd monopoly', and the puppet rouge un organs, and puppet rouge un organizations to infiltrate and poison you in your country, attacking 9 billion citizens from across 188 World countries, with these counter molecules, poisons, conducting illegal trials. Millions are murdered from across 188 World countries, and overall an estimated billion are murdered in the last 248 years. Meaning, if you want to live in your country, they want to feed you their trash food, poisoned food with serum packages, by putting you in life cage, cube, cell, or acoustical chamber, and conduct illegal poisoning experiments, or commit murder. I draw the attention of the 188 World countries, towards the devious diabolical plan of rouge usa and rouge uk, forcing their delusional imaginary plan which they thought would become a certainty, a pre calculated, methodical forced death, on your citizens, in your country, and what you think is the life, a controlled mostly, isolated life in a CUBE, from which the target subjects exit is only by way of his/her death. The 188 World countries must fully recognize this devious diabolical motive of rouge usa and rouge uk, to attack your citizens, in their plan of exporting food products, packaged food, their food brands, and rouge food source ingredients. Millions of psycho old caucasian trash are waiting in usa and uk, to receive heart transplants, and target subjects, target citizens, men, and women included, are put in life cages, cubes, cells, or acoustical chambers, and are fed experimental poisons and shot in comparative multi mode video, with other forms of multi mode color coded recorded videos captured, for conducting comparative study with the caucasian trash living second lives in rouge usa and rouge uk. So, if you are citizens of 188 World countries, then you are a target that would be put in a cage, cell, cube, or acoustical chamber, you would be continuously experimented on without your knowledge, in the past, several acquired diseases, lost organs, died young across all the 188 World countries. With reference to 188 country citizens being put in cage, cube, cell, or acoustical chamber, the countries of canada, australia, and new zealand, must explain themselves to the 188 World country delegations, if they are comfortable to die in the cage, cube, cell, or acoustical chamber, get experimented on and die for rouge usa, or rouge uk. The life span of citizens across

188 World countries which otherwise should be 90-99, is brought down to a low 65, for most of these World countries. EAT FOOD SOURCED FROM WITHIN YOUR COUNTRY.

**CAGING FOR EXPERIMENTATION UNTIL DEATH.**

LIFE in cages, cells, cubes, boxes, planned by rouge usa and rouge uk for 9 billion citizens across 188 World countries. I request all 188 countries to follow the cage I live in, with played acoustical activity in it at varying decibels, sounds transmitted by clicking buttons on keyboards with sound / music data drives connected, carrying every sound ever heard or recorded on planet Earth. The music keyboard and other technology systems are integrated to remotely connect and communicate with nixon technology installations in and around the cube, cage, cell, or acoustical chamber. The multi mode visual, and alternate multi mode color coded recording devices which record internal human organs, to the resolution of a human cell, color coded, activity shot and recorded live, will surround the cube, cage, cell, or acoustical chamber. This will enable the 9 billion citizens across 188 World countries, to clearly understand the full details about the future planned forced cubes, cages, cells, or acoustical chambers, on your citizens, your countries, to attack you until death, to extract your life, blood, organs, and heart, while conducting all illegal experiments. For the full safety of 9 billion citizens, living across 188 World countries, me along with my team of 'authors and writers', will be dwelling into full documentation, and evaluation of every factor, every variable, every attribute, and every method of attack in cube, cell, cage, or acoustical chamber. This documentation must also be translated into all the 188 World country languages. Similarly, all factors, variables, settings, attributes related to how rouge usa, rouge uk, in the rouge old world order evaluated methods of imposing 'city cages', 'Leader cages', 'Government cages', and 'country cages', to attack and control all 188 World countries, will be detailed by my team of 'Technology authors', referring to and elaborating all technical elements, all technologies used for such caging.

The psycho rouge old world order gives you options for death, come to our country or we will put you in a cage / cube of death in your country.

If the 9 billion citizens of 188 World countries, intelligently, and correctly refuse and reject, to travel to rouge usa and rouge uk, for their death, the options given to 188 World countries and 9 Billion citizens by rouge usa and rouge uk, in the psycho rouge old world order, was by way of all the applied levers of rouge old world order, by way of using the 20,000 counter molecules, poisons at your country, and citizens, to disrupt your lives and culture, break, fragment your society, and put each citizen in a cube, cell, cage, or acoustical chamber, with attempts to control most of your life robotically, which is ONLY possible if they are provided access to come into your diet, in which case they would attempt to control your brain regions and all physical organs, imposing internal cage and brain cage, in combination of the external cage, cube, cell, cage, or acoustical chamber, with the combined formation of life cage. MOST IMPORTANT IMMEDIATE ACTION, NOT TO GIVE CONTROL OF YOUR LIFE TO ROUGE usa and uk, IS TO TERMINATE ALL THEIR FOOD COMPANIES, AND THEIR FOOD IMPORTS. You will eliminate the horrible prospect of internal cage and brain cage, coupled with living in a cube, cell, cage, or acoustical chamber, cumulating into LIFE cage and subjected to their continuous rouge illegal experiments. THE 9 BILLION CITIZENS AND ALL 188 WORLD COUNTRIES, MUST WITH ALL THIS KNOWLEDGE, INFORMATION, KNOW HOW, AND INTELLIGENCE, BAN ALL ROUGE usa AND ROUGE uk FOOD BRANDS AND EXPORTS TO YOUR COUNTRY.

**DANGEROUS BUILD UP OF YOUR PERSONAL LIFE DATA AND INFORMATION. THEY CALL IT ARTIFICIAL INTELLIGENCE. STOP GIVING YOUR DATA, YOUR COUNTRY DATA TO ROUGE usa AND ROUGE uk.**

The cumulation of data and information attempted by rouge usa, and rouge uk, tightens the noose of strangle hold death on 9 Billion citizens across 188 World countries. Data due diligence is mandatory for survival of humanity on planet EARTH. NEW WORLD ORDER will protect the 9 billion citizens and 188 World countries.

Artificial Intelligence, AI. What is this data they are capturing and building about 9 billion citizens from across 188 World countries? The answer is, they are capturing your country citizens personal information, private information, privileged information, your country companies / businesses data, your country billionaires data, your country LEADERS, Government offices, their data, with no limitation applied of any kind, with complete abuse of rouge satellite imaging of all 188 World countries, infiltrating your lives, homes, offices, cars with nixon technology, store all this data, the entire act considered invasion of privacy, and further use this information to apply 'Data center lever', and 'Technology lever', on your country and your citizens. Using this information they choose targets for slavery and murder. Me and my team of 'Writers and Authors' will be elaborating 'Data lever', and 'Technology lever', in their own POVS, which become most relevant for THE MOST TECHNOLOGICALLY ADVANCED NEW WORLD ORDER COUNCIL, RECORDS COUNCIL, for termination of all rouge usa and uk space technology systems, and data centers, and implementing fully safe and secure for 188 World countries, 9 billion citizens, 'MULTI LANGUAGE, COMBINATION PLATFORM TECHNOLOGY SYSTEMS, DATA CENTERS, AND SPACE TECHNOLOGY SYSTEMS'. Rouge usa and uk companies have forced 'data center lever', forcing all 188 World countries to use their data centers for storing your country data and information. Using this information, rouge usa and uk, apply 'technology lever', infiltrating your homes and offices by 'nixon technology', permanently watching into bedrooms and bathrooms of citizens across 188 World countries, further go on to use this data, information about your citizens to choose targets for murder, force select targets to fly into their country, murder them, use them and then murder them, impose sex and labor slavery. For imposing sex slavery, labor slavery, harvesting organs, and hearts for second life, your country citizens human dimensions, measurements, most personal details of your citizens, is captured and they call this 'AI data'. Further, they are capturing every second of target subjects life, details of their organ functions, using multi mode video and recording devises and also storing this in the voluminous 'AI data centers', this data used to murder target subjects among 9 billion citizens, from across 188 World countries, at the time of their choosing, with no respect for National LAWS across the 188 World countries. With all of this data captured, breaking the fundamental law for privacy, millions and millions of citizens are put into LIFE cages, from across 188 World countries. New World Order Councils will build and operate on data centers setup in chosen countries among 188 countries, with 'WORLD DATA ARCHITECTURE' implemented, platforms working in brand new technology combination language platforms, unbreachable by rouge usa and rouge uk, and will be owned by the EARTHLINGS COUNCIL, with all 188 World country delegations representation, ensuring 100% data security, and further they collect, store only meaningful ECONOMICS data. Your personal information is yours. Meaning each country will be asked to store their citizen information, in data centers within their country, built in platforms of your local language, so that rouge usa and rouge uk cannot hack into your data centers. All the rouge usa satellites, their satellite systems will be brought down by RECORDS COUNCIL, and satellites owned by the RECORDS COUNCIL, technology platforms, unbreachable,

combination language programmed systems will manage these World satellite systems, fully trustable with information delivered to you, safe for your citizens.

**IMMEDIATE ACTION PLAN, ACTIONABLE INITIATIVES RECOMMENDED FOR 188 WORLD COUNTRIES. CONCLUSIVE SUMMARY.**

With the 20,000 counter molecules, poisons, at the disposal of rouge usa and rouge uk, with this case study 44, I bring these facts about the PSYCHO world created by the rouge old world order, to attack the REAL 188 World countries. I provide direction and guidance, which must be considered 'your country's immediate action plan', the speed of implementation left to your country LEADER, and your country ECONOMIC COUNCIL, which must be organized. These would be considered very knowledgeable, most intelligent, brilliant, and the right decisions, in the immediate, mid, and long terms, in the interest of your country and your citizens. Your country MUST end all ties with usa, and uk, and never travel to the rouge usa and rouge uk.

- The RIGID borders, must become fully locked down, fully shut down, permanently sealed and permanently closed for rouge usa and rouge uk. Rigid borders, sealed shut, absolutely lockdown, and closed are the immediate future for all the 188 World countries, until EARTHLINGS COUNCIL IS ORGANIZED.
- If rouge usa citizen, or rouge uk citizen, utter a word, 188 World countries must immediately ask them to put it in writing. Send them written communication.
- If rouge usa citizen, or rouge uk citizen mention a sentence, 188 World countries must immediately ask them to send an electronic communication, with subject line indicating 'Trade proposal', or 'Business proposal', with the communication explaining the details of the proposal.
- All phone calls, and conference requests from rouge usa and rouge uk must be rejected. The three sibling countries with technology available for conducting 'heart transplants', will get the opportunity to explain themselves addressing 188 World country delegations and their media houses.
- For the communications among the other 188 World countries, dealing with the new reality of the World, RIGID border conditions must be respected. And they must work steadily to execute a LEGAL AGREEMENT, from the initiated proposal communication, the legal agreement trade or business transaction conducted in World neutral currency EARTHLINGS.
- INTERNATIONAL travelling and tourism is expected to be negligible compared to volumes of previous decades, given the new reality the World countries have to come to terms with, explained in this case study 44.

- While STUN, Special Technology Unit will enable identification and tagging evidence of internal, brain, external, and life cages, it is few years away before it is accessible to all 188 World countries. Here is immediate action plan for enforcing International Law, while we transition into New World Order.
- Your country law enforcement agencies must arrest rouge usa citizens, and rouge uk citizens, bring them to legal custody and deport them immediately.
  - An option other than 'shoot the rouges at sight' option already given to all 188 World countries, for their consideration.
  - By sealing shut the border between your country and rouge usa, your country and rouge uk, you end all their rouge transactions, and illegal interference. International Law protects you from unsolicited interference of foreign country, including rouge usa, and rouge uk.
  - The next immediate step is ending all your country food imports, from rouge usa, and rouge uk, including

terminating all their food brands. Further, your country, your country Economic Council must plan and enforce 'food production self sufficiency, taking your country in the direction of zero food imports'.

**THE ONLY FUTURE OPTION, AND IN THAT THE GREATEST AND THE FULLEST ONE, IS TAKING PROJECT EARTHLING© LIVE, AND ORGANIZING THE NEW WORLD ORDER COUNCILS, ALL COUNCILS PAID FOR IN WORLD NEUTRAL CURRENCY EARTHLINGS.**

- All the New World Order councils will impose a full ban on rouge countries usa, and uk. usa citizens and uk citizens will never be in the LEADERSHIP TEAMS of all the New World Order Councils.

- Their presence is limited to their delegations at EARTHLINGS COUNCIL, for reporting their debt statements, and their International Trade and Business Bank, ITB Bank activity. All the other New World Order Councils will consist of only 191 country delegations, imposing full ban for rouge usa and rouge uk.

- The new World order councils will ensure 'NO INTERFERENCE' as a 'Right' for all the 188 World countries, ensuring no interference from rouge usa, and uk.

- All International Trade and Business is conducted legally in EARTHLINGS currency, through a LEGAL AGREEMENT. You can 'SAY NO' to all trade and business proposals from usa, and uk directly, ensure you do not import any food products, byproducts, consumables, and ingredients from rouge usa, and rouge uk.

The following additional considerations must be immediately enforced by all 188 World countries.

- For protecting your country citizens, a complete ban on all travel to usa and uk must be immediately issued.

- If usa or uk citizens enter your country, immediately arrest, detain, deport, or deliver death sentence for laws broken in past 248 years.

- End all food imports from usa and uk. Terminate all their food brands, food companies immediately. Alternately, your country 'Economic council' must achieve these in their near term plan, ensuring your country citizens eat only originally sourced food from within your country.

- Rouge usa and uk country legal representation, lawyers must respond to the lawsuits from 188 World countries, filed with World Court at Judicial Council, which will span the last 248 years, for every instant of law breaking.

Only with these actions, taking charge of your country, establishing your country ECONOMIC COUNCIL, fulling sealing shut rouge usa, and rouge uk, your country will economically progress and achieve your country economic objectives, with the direction and guidance from New World Order councils. It is by voting for this MACRO REFORM that, we collectively end rouge old world order, put rouge usa, and rouge uk in their place, terminate their monopoly, AVOID DEATH, LIVE IN YOUR COUNTRY UNPOISONED, AND LIVE THE FULLEST LIFE, AND THE GREATEST LIFE, IN YOUR HOME, YOUR COUNTRY, AND terminate the life in slavery, and life in captivity, by ending cubes, cells, cages, and serum technology. With these authored 44 case studies, I will recruit my team of 'case study authors', to start the work of authoring 3,000 case studies, the full work of which will explain serum technology caging including life caging.

With reference to this case study, the official stance of the countries saudi, uae, canada, australia, and new zealand, on the subjects discussed, will be recorded, and documented, in what is termed as 'OFFICIAL LEGAL STANCE OF THE COUNTRIES, PRESENTED, ANSWERED, BY THE LEADER IN OFFICE, ON DATE \_\_\_ FE'. The COUNCILS will archive all LEGAL DOCUMENTS in the 'WORLD DATA ARCHITECTURE' data centers, wherein the legal recordings will include the following.

- The LIVE recording of the 'country LEADER' presenting such an official LEGAL STANCE of their country.
- The LIVE recording of the 'Question and Answer' session(s), from the 186 country delegations, and their media houses.
- The LEGAL STANCE, including the Q&A, documented as an official 'LEGAL STATEMENT', SIGNED BY THE COUNTRY LEADER' archived as official document.

These LEGAL DOCUMENTS will be used as reference if the country were to breach or take actions that are contrary to the stance. Hence, it is legal binding.

**PROTECTING THE HUMAN LIFE ON EARTH, AND 188 WORLD COUNTRIES IN THE DECENTRALIZED WORLD. THE NECESSARY FUTURE WORK. Contribution to humanity. Knowledge and information, about EXTERNAL CAGE.**

Breakup of the 'CUBE, CELL, CAGE, ACOUSTICAL CHAMBER, to its individual technology elements and present the full breakdown to all 188 World countries. I will present the full breakdown of technology components used for imposing the 'EXTERNAL CAGE' on any room, any house, converting it into a cube, cell, cage, or acoustical chamber.

- Sense of transmitting sound for the target subject in cage. The technology components include, embedded micro speakers, dolby sterios embedded into all six sides of the cube. The speakers communicate to music keyboards stationed around the cube, or through satellite network, to stations in rouge usa or uk. They can transmit sounds from music keyboard, encompassing all sounds ever recorded, heard on planet Earth.
- Sense of sight, to see into the cage. The technology components include, embedded micro video cameras, transmitting direct video, embedded on all six sides of the cube. These have entered target subjects bedrooms, and bathrooms across 188 World countries.
- Sense of sight, to see into the cage at target subject, human internal organs and their activity LIVE. The technology includes using cutting edge multi mode visual recording devises, which capture multi mode color coded continuous video footage recording, the various color coded modes recording the full human body, see through, all internal organs, record all activity of all human organs, their live functions, including color coded recordings of human brain, capturing activity across all brain regions, all these translating into recorded color coded live activity of each human organ cell, and each brain cell, by distinctive color coding, which will cross reference with meta data for the recorded information.
- Sense of hearing from the cage. The technology components include, embedded micro audio transmitting devises, embedded on all six sides of the cube. These have entered target subjects bedrooms, and bathrooms across 188 World countries. All these components communicating remotely with stations set up in rouge usa or uk, or a local station in the target city, or neighboring houses. All my neighboring houses will be investigated, and I want all 188 World countries, to know about all the technical components, technology details about how rouge 'us pto' has put me in a life cage for over 14 years in INDIA. Life cage is permanent,

**PROJECTED PLAN OF ME AND MY TEAM CONCLUDING THE AUTHORIZING OF 3,000 CASE STUDIES.**

3,000 case studies, will be published along with the copyright in a few waves of publishing. The case studies will be published in estimated sets of 250-400 along with the copyright. With this Case Study 44, I would pause my authoring work of the case studies about 'Dangers of serum technology, an unprecedented threat to mankind'. I will initiate the authoring work again, very soon, in the coming months, once I get to recruit the team of 'case study writers' who will start to document the case studies, upon my instructions, and guidance. For ease of authoring program execution and conclusion, the 'case study writers' will all be INDIA citizens, living in INDIA. The team will work for years to come, which will conclude my authoring work of at least 3,000 more case studies. Official copy of the case studies copyright will be with Judicial Council and Medical Council. These case studies will become course curriculum for Medical and Judicial graduate programs, across all 188 World countries. This work, like much of my other authored work will be translated into all the 188 World country languages.

GRAVE DANGERS FOR HUMANITY.

Horizontal cut and Vertical cut, inducing comatose state for target subjects, who would be rendered partially alive, semi alive, with partial organ and residual human functions.

Segment. MEDICAL COUNCIL, and JUDICIAL COUNCIL.

Sub segment. End of 'International travel, tourism' excepting for what the New World Order Councils recommend with travel permits.

**The attached two illustrations are referred in the introduction of these GRAVE DANGERS.**

Diagrammatic representation of the most psycho brain region documentation work executed by rouge usa and rouge uk of rouge old world order, absolutely heinous illogical work, resulted only in poisonous counter molecules to diminish, destroy, damage, lower the otherwise natural original brain abilities and functions for full life, until age of 99 years.

The human nervous system neural lines running along the inside of the spinal cord, connecting entire human body, its organs with brain and CNS.

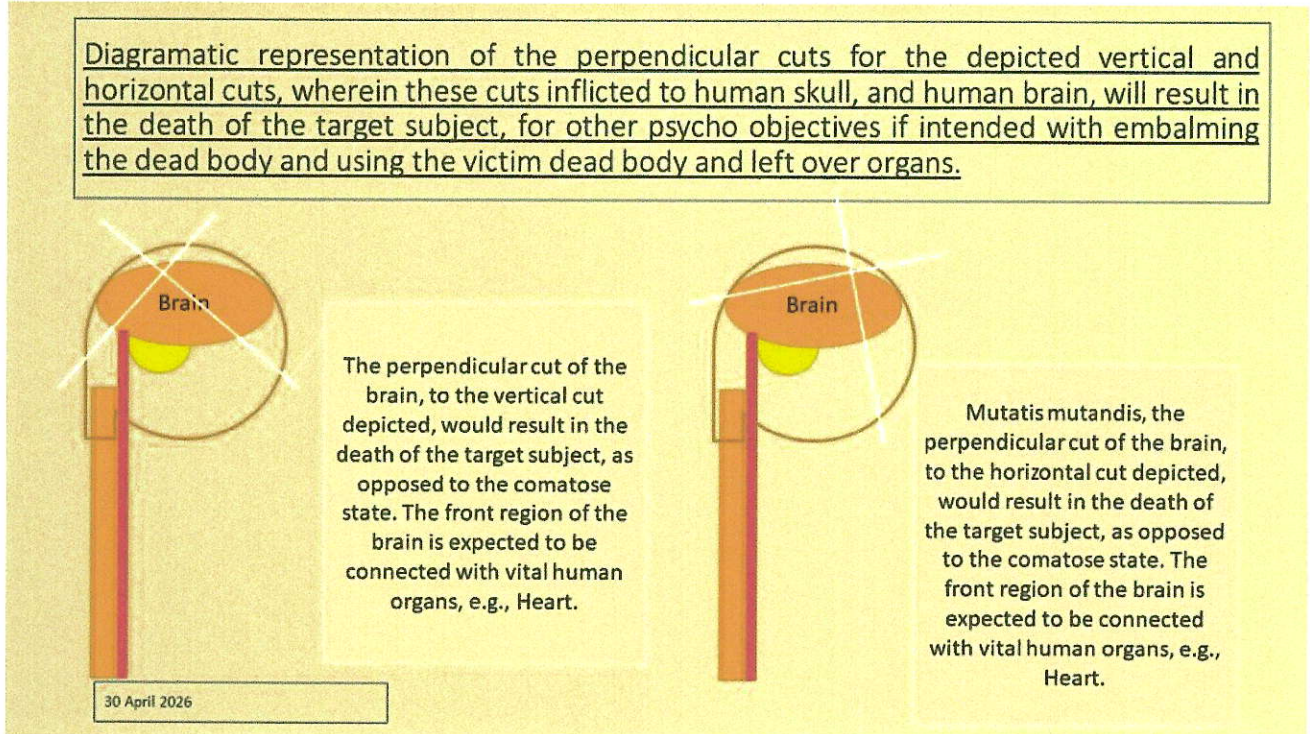

30 April 2026

The most dangerous 'vertical cut' used for creating millions of comatose subjects, cuts moving from the back of the head to the front, and documenting the brain regions, and its functions, which would involve inflicting torture and suffering on the test subject, including disconnecting CNS, for inflicting maximum torture and suffering, experiments for their rouge second life program.

The 'horizontal cut' used for creating thousands of comatose subjects, cuts moving from the top of the head to the center of the brain, and documenting the brain regions, and its functions, mutatis mutandis rouge work, until the 'horizontal cut results in the death of the subject.

*Introducing vertical and horizontal cuts of brain.*

The horizontal and vertical cuts will result in a 'comatose target test subject', that would lose mobility and is caged in a psycho test facility in rouge usa, or rouge uk. canada must answer for themselves when they will be asked to answer the questions at G 188 COUNCIL. The psycho rouge diabolical work will include delivering psycho stimulas to the open brain, various brain regions, and where possible individual neuron, or a group of neurons. The rouge stimulas without limiting will include, blade cuts, applying pressure using surgical appliances, giving electrical current charges in milder voltages, to higher bursts of current, and by way of force feeding or injecting the comatose partially alive 'test subject' the serum packages filled poisons, the immobile target subject will be, will have the brain regions, neurons 'hyperactivated' to such extreme states, and the reactions, effects of this stimulus will be recorded in multi mode see through cameras to document, this brain region does the following functions with reference of the physical organs and human functions. This they can execute by taking CNS, Central Nervous System, out of the equation, the human brain inbuilt defences against attack, causing the maximum, highest degree trauma to the comatose subject whose life is 'inexplicable in any language, beyond hell', to conduct tests and psycho experiments in consideration of supporting rouge second life. Destabalizing CNS, possibly allowed them to recognize brain region and connected functions, sooner. The psycho nature of rouge usa and rouge uk visible to the World for capturing absolutely useless information. The other perpendicular cuts will likely result in the death of the target subject. So, the rouge psycho progressive study conducted include cutting tens of thousands, possibly millions, by using higher number of 'vertical cuts', with incrementally moving from the edge of the skull in the head, with the next subject induced a deeper cut, moving towards the front of the skull, capturing the psycho useless data of brain regions and their neural connections to the physical organs and human functions. Fewer 'horizontal cuts' were used to conduct this rouge psycho study.

*Introducing perpendicular cuts of brain.*

The other perpendicular cuts to the vertical and horizontal cuts shown in the first image, are shown in this second image, and these perpendicular cuts will likely result in the death of the target subjects. The dead body is not marked for brain region related experiments. This brings me to the introduction of another psycho word that exists only in the language english, 'embalming' since this kind of psycho work could be conceptualized and implemented only by rouge usa and rouge uk. Embalming is a procedure used to keep either the comatose test subject, or the dead body of the dead person, still 'organically' maintained with blood flow maintained inside the body, delivering the retention of the comatose subject or the dead body, with residual organs, organically fresh, until the blood flow is terminated resulting in killing the comatose subject and starting the rot of dead bodies, which must be discarded. Unfortunate, it seems a dogs heart can be put into a target subject, which can keep the blood flowing inside the comatose subject, or dead body, e.g., a dogs heart put into a target young adult. Young adults harvested heart used for psycho rouge usa citizen receiving the rouge second life. A dog is expected to come to its full size, full sized heart, within a few months, certainly within 1-2 years, the heart of which is expected to live for 12 years, will deliver a planned and executed 10 years of embalmed comatose subject for experiments, or usage of embalmed dead body. While the embalming of comatose subjects objective is for long term experiments, another 10 years, whose heart was harvested by a rouge second life recipient, and the horrible torture experimentation continues. These activities must be the most horrible work ever conducted on EARTH, only by rouge usa and rouge uk. The horror of this is the young adult was murdered, and after that used for most torturous experiments while kept in comatose state, and then 10 more years of torturous experiments continue by keeping the comatose subject embalmed. The embalming of the dead, is only for the most psycho sexual retarded activities with a dead body, with such rotten and degenerated thoughts can only come into the rotten brains of rouge usa and rouge uk citizens.

While I refrain from using movie references, rouge hollywood has indicated the grave threats for people, to assimilate and understand the reality, truth, of this most heinous psychotic experimental data extraction work conducted in rouge usa. The movie series 'kill bill 1 and 2', indicate comatose subjects twice. A women shot in the brain, incapacitated, who incorrectly is shown to wake up. You will not wake up ones you are caught in psycho facilities in rouge usa or rouge uk. The woken up assassin will go onto kill another assassin in a climax sword fight with a 'vertical cut' inflicted on the head, shown by a flying wig, however the word 'kill' is replaced with 'comatose state' shown with the falling down assassin, going down with 'eyes open'. The vertical cut is to indicate that the subject is in comatose state, incapacitated, immobile, with few human organs, few human senses, and few human functions residually working while going into comatose state. Another movie that introduces the rouge usa and rouge uk culture of 'chopping women and using them for horrible experiments' conducted across rouge usa, is 'primal fear', in which a pscho character played by edward norton, describes how he carved up the women, and got out without punishment. This movie is hinting the fact that all such rouge psycho work, is conducted according to the rouge white house orders. This movie clearly indicted that millions of target

test subjects within rouge usa and rouge uk were chopped up for vertical brain cut experiments. All rouge citizens of rouge usa and rouge uk are like this edward norton character in the movie, that are constant 24 by 365 liars, and put up an act, towards the 9 billion citizens and 188 World countries. And this they have done for 249 years and continuing. The other psychotic horrible situation connected with 'vertical and horizontal cuts', is used for most psychotic process of 'embalming' of either the comatose subject or the dead body itself, and in that the embalming of the comatose or dead is achieved even with a 'dog heart', and one must be surprised at the large chain pet stores across rouge usa, and how the 'zero animal care, zero anima tolerance, slaughter houses for all animals, society and psycho culture' has so many pet stores? The psycho lock up facility shown in terminator judgement day, and facility where the kill bill assasin in comatose state are put up, are facilities used for using embalmed comatose subjects and dead bodies for 'psycho sexual activities'. Are rouge usa killing their own? The answer is that the rouge psycho 'ms' program and labor or other immigration programs, from where the immigrant minorities came, were to be used for these rouge experiments. Since they have also attempted to kill their own, their society is dead, with everyone living single lives with no marriages left. The rouge psycho professors are like 'nash' in beautiful mind movie, psychotic, indicating variations include preying on college subjects from other countries. The rouge eagle eye, with all forms of nixon technology and extenive caging of 188 World countries is to find the target subjects to be used in their comatose or dead state. This I have already introduced as 'baldwin psycho' from a character played by alec baldwin. With so many psychotic disabilities, rotten rouge usa and rouge uk must NEVER, read NEVER EVER be trusted or must be entered by citizens of 188 World countries. With this introduction, and my team of 'Case Study Authors', we will introduce the 'list of brain regions', and with certain varying combinations of arrangements of these brain regions across the human brain, you would be introduced to what the rouge psycho usa have done to partially alive comatose subjects with only few organs working, and used them delivering most intense torture, by negating functions of CNS, human natural defence neural system, also introducing how they manipulated me by manipulating these brain regions in varying combinations, all built into the case studies.

**Inducting this introduction into a formal case study into my MEDICAL COUNCIL connected authored case studies.**

These grave dangers need the reference of list of brain regions and precisely mark what region is located where in the brain. This is known to the psycho rouges of white house and rouge new jersey pharmaceutical rouge companies. They have marked these regions by giving several thousands of these 'cuts' to the target several thousand comatose subjects, who were put up in 'mortuary cells', cages, dungeons, psycho facilities in rouge usa, and possibly rouge uk. Do such facilities exist in canada, australia, and new zealand? They will anwer, with legal binding, while answering the questions from 188 World countries. After documenting the regions in detail, they are further continuing this devious diabolocal psycho work, to mark regions, within the recorded regions, and get granular to the neuron level. This rouge work has allowed them to create several thousand counter molecules, poisons to attack brain regions of people across the World. The World countries must consider full termination of such psycho work, which has no positive contribution to humanity.

Tampering with brain functions, and neurons will only degenerate the brain functions and render the target subject useless, with incompetence, and lowered intelligence. Meaning, the entire line of work can only deliver brain dead future generations, meaning lowest intelligence, resulting in total incompetence, and degenerated brain capabilities. The work can NEVER, read NEVER EVER improve brain functions or performance. In the rouge old world order, rouge un, and rouge un organizations were forced to support such work, by also the financing from rouge opec that wanted to terminate all competition for oil, for forseeable future. e.g., saudi and uae indirectly supported this psycho work in rouge old world order. In the New World Order all such rouge work will be 100% terminated, here the COUNCILS with SET MACRO GUIDANCE will deliver FULL LIFE 91-99 years of age for all 9 billion citizens living across 188 World countries, with serum technology and brain region manipulation fully banned.

These case studies will be inducted into the MEDICAL COUNCIL case studies with the list of Brain regions listed by me, digramatically represented with one possible arrangement of the regions across the HUMAN BRAIN. While factoring in for the possible alternate combinations of these named regions arranged differently across the HUMAN BRAIN, you can run through the psycho combination scenarios of what functions work, and

what functions are dead in the target subject that is rendered into the living dead comatose state. I state this with clear distinctions well recorded and known right lobe, left lobe, central nervous system, and neural lines emanating from brain and CNS running along the inside of the spinal cord reaching all human organs across the human body. The rouge usa and rouge uk must end this diabolical work. One of the hurdle seems to be the casket burial practice, e.g., as opposed to cremation in HINDUISM, which is forced on target subjects wherein they have to purchase the land for burial, which is refused, forcing them to mark themselves as 'anatomical donor', allowing rouge usa, rouge uk, rouge white house, and rouge nj, to go after the target earlier, much earlier, at the time of their choosing with these psycho horizontal, and vertical cuts. How many comatose subjects does rouge white house, rouge nj, rouge ca, and rouge fl have, in their rouge dungeons?, locations known for population living second lives and continued rouge facilities for rouge experiments. Are there millions of comatose subjects across rouge usa? or tens of thousands?

With the list of brain regions, without precisely marking the location of each of the region within the brain, outer cortex, cortex, inner cortex, CNS, the work connected with 3,000 case studies will detail the rouge psycho capabilities possessed by rouge usa, rouge uk, for using the rouge 20,000 counter molecules on target subjects across the 188 World countries, attacking all 9 Billion people, attacking the brain regions, and brain functions. These will be a portion of the 3,000 case studies related to the Brain Segment. Must I repeat that 'RIGID BORDERS' are mandatory for survival, and all 188 World countries will be Directed to source original food from within your country? International travel other than the 4 recommended permits by New World Order Councils could mean 'Last trip', and 'certain death'.

The New World Order Councils, MEDICAL COUNCIL will NEVER indulge in diabolical work, to create test subjects of living dead, comatose state for creating an accurate depiction of brain regions within the brain. The Literature and Journals will involve work of delivering FULLEST LIFE 91-99 years of age, by banning all counter molecules, including those that attack the human brain, banning usage of serum technology and serum packages in entirety, and will never have to interfere with brain functions of people while delivering the fullest life 91-99 years. The G 188 COUNCIL, will be the COUNCIL where 'Specific problems', of countries will be tabled for resolution, or Guidance about next steps. For E.g., There could be potentially 10-12 countries in the World, the source of revenue of which is 'International tourism' alone. This could be placed with G 188 COUNCIL, for MACRO GUIDANCE, with consideration of the GRAVE DANGERS that are in place described here, and connected with international travel. I also refer to your country specific 'Macro Guidance Plan' that will be delivered by New World Order Councils that will address this situation.

### **Alert.**

Subjects connected to individual country society, culture, marriage, family, finding life partner, connected with your functioning society will be considered 'COUNTRY PRIVATE PERSONAL LOCAL CULTURAL SUBJECTS', not to be brought or tabled at G 188 COUNCIL. Other subjects that could be tabled by countries include existential, survival, geological, climatic, situations of their country, where the country is seeking recommendations of improving their living conditions. Most of these would be addressed and resolved in your country specific 'Macro Guidance Plan'.

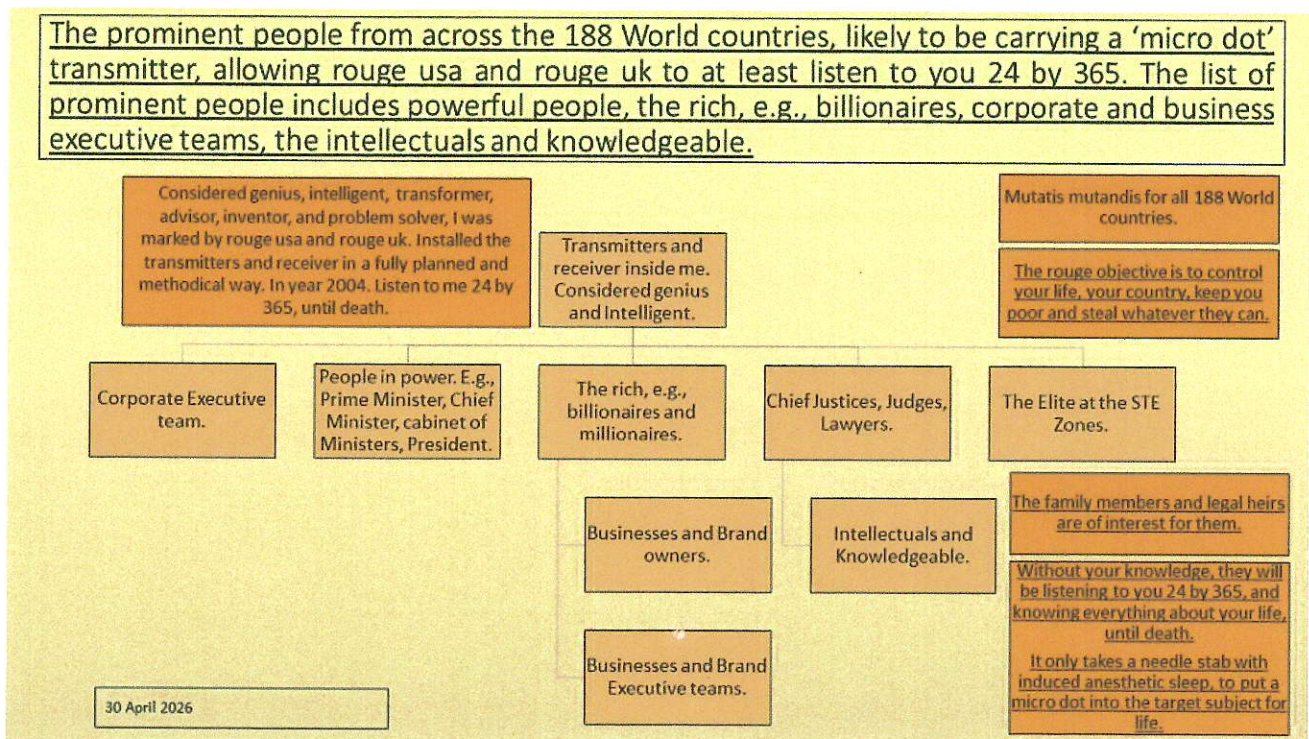

### **History of rouge psycho 'brain study' and exercising 'brain control'.**

Before cutting up human beings with these vertical cuts, and documenting 'human brain regions', far more evolved than all other animal brains on planet EARTH, rouge usa and rouge uk have cut up all brains of all animals, in the 'animal chain'. Animals cannot speak or lodge a complain, have lived through the brain controlled animal lives, an alternative of being slaughtered in the slaughter houses. Started possibly 250 years ago, approximately 200 years in the past, rouge usa and rouge uk, have mapped all animal brains, not limiting to, birds, rats, cats, dogs, monkeys, cows, bulls, horses, and other animals for various requirements and usage. Examples include, using birds in circus, using bulls in matador, and bull riding, using horses for horse racing, and equestrian, and using all other animals for circus. All these animals 'physical movements' and activities are induced and forced with, in the present day, using rouge 'serum technology serum packages', which while controlling and doing what they want to the animal physical organs, will fully grip and control the animal brain, e.g.,

in the circus cage, just before the scheduled event, restless panting, and movement of lions and tigers in cages, is force torture induced. They are fully controlled by brain serum packages. The rouge psycho rouge usa and rouge uk have attempted this on human beings, the most illogical dumb attempt ever. These psycho attempts including the rouge usa and rouge uk, and the rouge old world order, will be terminated, with fully documented 3,000 case studies. All forms of serum technology serum packages, will be 100% banned by New World Order Councils.

### How wide is the spread of 'Human intrusions, by way of planting transmitters into human beings, micro transmitters', which can be easily put into target subject, in a planned methodical way, by a needle shot, during induced anesthetic sleep?

With reference of the attached image, the question is how many people across 188 World countries have transmitters put inside their body, who are prominent subjects who must be listened to by rouge usa and rouge uk 24 by 365?

How widespread are transmitter installations across 9 billion citizens of 188 countries?

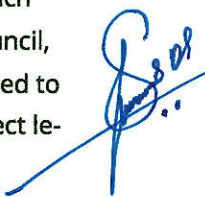

The fact set is that in year 2004, dr. jiri konecny installed few transmitters and a receiver inside me. Installing a receiver inside a human subject does not have much explanation, reasoning, or could possibly be a micro dot with both features of transmitter and receiver built into. However to my surprise, there is a receiver inside me, through which they have continuously transmitted communications, audible to me very clearly coming from inside my body, and these in the last few years. Because of the receiver inside me, I have come to know about these installations inside me, planned and methodically induced, driving me to the surgery in year 2004. According to the Honorable court orders, during the investigation, the frequencies of these transmitters and receiver will be captured and submitted to the court by me and the assigned military unit. If dr. jiri konecny had installed only transmitters, these installations would have remained a secret forever, and I would have never known of their presence inside me, while rouge usa, rouge white house, rouge pentagon, rouge hospital would have listened to me for the rest of my life, until my death. With this fact presented, and that a needle shot during planned induced anesthetic sleep, able to install transmitter into a muscle region or fleshy region of your body, the body temperature keeping the transmitter charged, you would be heard by the intruders rouge usa and rouge uk, forever, until the end of your life, your life events altered and manipulated in the cage created by them. While all 9 billion citizens must introspect on this subject, prominent people in powerful positions, the rich, must affirmatively get this checked by the STUN as soon as it is established, and can help with the trans-

mitter removal work. Another fact is everyone that colluded with rouge usa and rouge uk in the rouge old world order, drawn into illegal work of financial lever, bribe taking in rouge monopolized usd, most likely have a transmitter inside, since it is their way of keeping track of the illegal work, ensuring you are in their grip and control, a puppet slave. The New World Order Councils will terminate all of this illegal work, and remove transmitters from victims, that come and seek help.

**No fabricated nonsense files usage to mark and target attack one person, like in the rouge old world order. Such rouge techniques are terminated.**

New World Order will not mark, target, attack, continuously monitor, any one person, the target subject, like in the psycho rouge old world order, marked, harassed, attacked, threatened, used them for labor and sex slavery, and eventually murdered them, with their psycho 'eagle eye' by applying all forms of cages combined. The rouge old world order would without the knowledge of the subject 'place a file, fabricated nonsense, to justify forcing the rouge eagle eye on you, combination of all cages', at their own owned rouge puppet un organs, paid in rouge monopolized rouge usd.

The New World Order will work with full responsibility, accountability, all their work operations directed, according to the 'RESPECTIVE COUNCIL MACRO GUIDANCE DECLARATION BY THE WORLD LEADERS'. They work directly with the delegations at the COUNCIL, and will never mark any one person among the 9 billion citizens living across 188 World countries. Any person that wants to issue notice, send legal communication, to another person, must directly send the 'legal notice, communication' to the other person through the World Court at Judicial Council. For all adults above the age of 18 years, such legal communication and notice will be directly sent to the adult Major individual, and to the parents, if the person is Minor, below 18 years of age. With each country having their own local Judiciary, and 'International transactions' dealt at World Court at Judicial Council, there will NEVER be a person marked, or followed in the New World Order. Whatever must be communicated to a person, will be directly communicated, stated through a 'legal notice', when the person will provide a 'direct legal response'. This is the future, responsible New World Order.

**While house 64 continue to harass me and plan my death, I indicate the STRENGTH, POWER, MILITARY CAPABILITY, and combined NUCLEAR MIGHT of 188 World countries, which would support the 'INTERNATIONAL LAW' and New World Order councils LAW enforcement.**

With reference of my past communication, introducing 'cube' of death built for me, the rouge us pto, and rouge white house, after inflicting death like torture, torture on me for 16 years, attempting to steal all my work, all my wealth, destroy and sabotage my entire life, murdering my father, they still have concrete plans of possibly murdering me and possibly murdering my mother, the remaining residents at my address in Bangalore. A team of rotten psychos with full fledged heavy guage electronic devises, dozens of them, set up in their house, were moved in by rouge us pto and rouge white house into house 64, in year 2014. The same year I received priority patent 'us 8910998 B1' and rouge us pto and rouge white house wanted to steal wealth from my patent rights, from the World countries by murdering three people, my father, possibly my mother and me, and walk away with at least 93 Trillion into rouge usa. While they have already murdered my father, the hospital admission reports a subject of investigation according to the court orders, and further me establishing the 'Living Will' ensuring there is no reason for attacking my mother, the rouge psycho rotten trash living in house 64, psycho residents wont leave and continue to see me 24 by 365, and harass me 24 by 365 with transmitted sounds, now low decibel sounds, however acknowledging they continue to track me and harass me. These psychos must be investigated, charge sheeted, according to the Honorable court orders, so that they do not continue their psycho rouge agenda of attacking me, the religion of HINDUISM, and the plan of murdering by poisoning with serum packages, all 1.2 billion HINDUS living in INDIA. Upon investigation, they must be 'hung to death' terminating their plans of murdering me, and grand plans of ending the religion of HINDUISM. By all the rouge sounds, indirect threats, indirect communications transmitted 24 by 365 into my house, room, created cage, to

murder me, it is clear that they are planted by rouge white house, and rouge us pto, who are indirectly supported by rouge nj, rouge ny, rouge ca, rouge tx, rouge pentagon, rouge company called exxon mobil, a registered company in rouge usa. The net summary is they were moved in by rouge us pto, and rouge white house, however have all these others supporting their illegal work, could be called combined rouge usa. They still see me 24 by 365 in varying color coded modes, naked, all 24 hours by 365, and continue to harass me 24 hours in the day, attack me, torture me with sounds, and seem like they will not leave until they murder me. These people are supposedly, 5, living dead zombies, who wont leave the house, declared anti HINDUISM, with plan to murder all HINDUTVA religion population in this area and INDIA. I indicate the STRENGTH, POWER, CAPABILITY, MILITARY NUCLEAR MIGHT of combined 188 World countries, that would give the necessary strength for all the New World Order COUNCILS, including the World Court at Judicial Council, which will have the JUDICIAL authority for bringing in president in white house, director of us pto, and issue death sentence if required. The INTERNATIONAL LAW, JUDICIAL CAPABILITY can summon and issue orders, including death penalty if applicable for everyone according to law, including e.g., rouge pentagon chief, rouge usa governors, rouge usa senators, and rouge ceo of exxon mobil. The New World Order Councils will enforce the WORLD COURT ORDERS, since they will be equipped with 188 World country military might, and the combined nuclear capability. After the investigation according to the Court orders, I will be forcing death penalties on residents of 64.

I request all 188 World countries to know that, with the combined MILITARY MIGHT AND NUCLEAR CAPABILITY, you can force 'Life time sentences', and 'Death penalties' at citizens of rouge usa and rouge uk, for the illegal work they committed in the 249 years at your country and your citizens. We will comfortably and fearlessly realize 'The World Independence Day', and achieve all the Economic objectives SET for our respective countries, according to the MACRO TRANSFORMATION and MACRO GUIDANCE Programs of the New World Order. In this communication, I have brought the reference of an oil company, a registered company in usa, exxon mobil, which should have nothing to do with me, or with my life, here in INDIA. However, like I have explained, exxon mobil is supporting rouge us pto and rouge white house, in the plan of terminating me. They are indirectly involved with rouges stationed at 64. This is got to do with the 'Oil V/S Renewable battle', which will be placed for 'Introduction and Decisive voting of all 188 World countries, at the EARTHLINGS COUNCIL, or G 188 COUNCIL, and if there is extreme inexplicable urgency, at the World Intellectual Property Organization Assembly'. exxon mobil, possibly indirectly supported by saudi, uae, and possibly opec, seem to continue to force 'extreme urgency' on the subject, connected with murdering me, the singular objective exuded by rouge psychos residing at 64, all these psycho rouge objectives with rouge psycho commands coming from rouge us pto and rouge white house. This logic, if allowed will be applied to all talented, genius students, people, from across all 188 World countries. With the Court Orders, I have requested this subject be placed for 'decisive voting' of 188 World countries, so that all future generations of all 188 World countries are saved, from death, from the murder attempts of these indirect forces attempting to attack me. A registered company in rouge usa, which must only limit their work for within rouge usa, and consider 'legal agreements' for all International transactions, must terminate the ideology of murdering millions of school and college students across 188 World countries. Rouge psycho residents of 64, want to murder all school, and college students in INDIA, and terminate the religion of HINDUISM, in this rouge endeavor. While I must receive the caused liability for already 'Delivered Energy Savings by the Thermal Insulation Industrial application' from across 62 World countries, which the Honorable Court Orders are directed towards, at this juncture, forcing these alternate agendas, mean stealing my wealth and that of INDIA and HINDUISM. All future generations of 188 World countries, will work on creating future renewable technologies only after the majority vote on the subject.

Here is my direction for exxon mobil, and other usa registered companies that buy 'crude oil' from other countries. You must first consider your procurement ability in EARTHLINGS currency, since you rode on unlimited printing of rouge usd of the last 249 years. exxon mobil must first answer for procurement of the past in 'unaccounted money, illegitimate currency, by unlimited printing of rouge usd?', to the 188 World countries, and abandon their psycho rouge objective of murdering all school, and college students from across 188 World countries. Mutatis mutandis 'IDEOLOGY CORRECTION' is mandatory for saudi, uae, and opec. opec must re evaluate their purpose, objective statements which are market share protective, and support intrusive counter measures, that include murder, for attacking citizens of 176 World countries. Can we ask the 'rouge country that consumes and burns MOST oil on planet EARTH, rouge usa', to reflect on themselves and their oil expenditure, and start driving mopeds, and scooters, with their oil reserves only being in texas, new mexico, alaska, and gulf of pacific, and abandon the murder everyone campaign? I will be defining how 'Gold Council' will be inte-

grated into the EARTHLINGS COUNCIL, in the EC spin off documentation, and in the New World Order, opec will be considered a fringe organization with 12 member countries, not recognized by the New World Order Councils that will have 188 country delegations. Pricing of top traded commodities, including crude oil barrel, their variants will be absorbed into the work of the EARTHLINGS COUNCIL.

MACRO PROGRAM EVENTS. -1 FE YEAR. The broken white line indicates the end, and termination of rouge old world order, and start of 'Macro Program Events' for organizing the New World Order.

MACRO PROGRAM EVENTS. 0 FE YEAR.

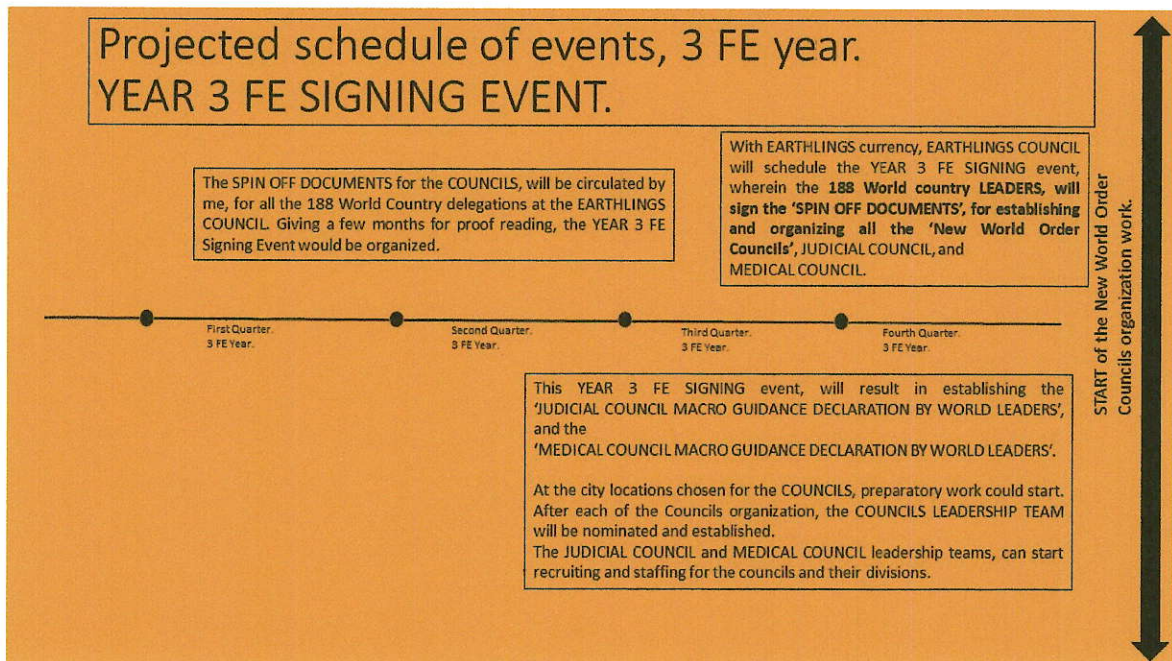

MACRO PROGRAM EVENTS. 1 FE YEAR.

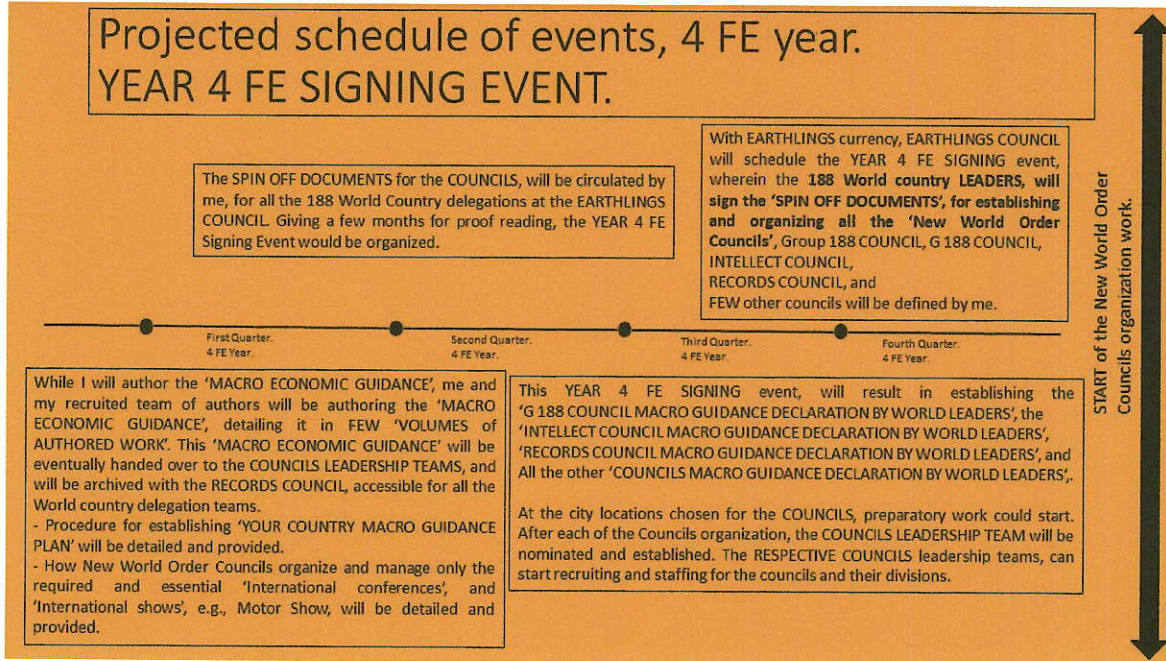

MACRO PROGRAM EVENTS. 2 FE YEAR.

MACRO PROGRAM PROJECTED SET OF EVENTS, FOR ORGANIZING THE REST OF THE NEW WORLD ORDER COUNCILS.

MACRO PROGRAM EVENTS. 3 FE YEAR.

*Srinivas S. Devathi*

MACRO PROGRAM EVENTS. 4 FE YEAR.

EARTHLINGS COUNCIL, abbreviated as EC will be an organization that would have all 193 World country delegates representation, with usa and uk delegations only in capacity of listening and reporting delegations. EC will print, monitor, and control the circulation of EARTHLINGS currency. Listed here are the steps involved in taking Project Earthling© live.

**The procedural steps involved in taking 'Project Earthling©' live will be as follows.**

Step 1 – The Macro Economic initiative will be introduced at World Intellectual Property Organization assembly, and will be informed to all the World country Governments and their central banks, CB.

Step 2 – Decisive voting of the Macro Economic reform. The introduction would be followed by presentations and talks of 193 World country LEADERS and their nominated speakers. After the 193 country independent presentations, a World Intellectual Property Organization assembly voting will be conducted, with one vote per country on the subject, in a decisive YES or NO. This initiative will be voted in with at least 188 YES votes. The Governing council must be established, which is Earthling Council. Like it is indicated in the 'projected schedule of events', EC will be organized, EC Leadership Team, and Designated Signatory Team will be established. By signatures of at least 188 World country LEADERS, the 'EARTHLINGS Council Macro Guidance Declaration by World Leaders' would be established. EC will baseline the opening national treasury balances of all 193 World countries.

Step 3 – The currency bills must be designed. (a) Billion, Half Billion, Million and Half Million Earthling bills for CB holdings and exchanges. (b) 10000, 5000, 1000, 500, 100 Earthling bills for citizen work permit travel expenses management only. There shall be no other denomination, for e.g., currency bills

of 50, 10, 5, 2 or 1. Earthlings is only an International trade currency and foreign exchange currency and not for domestic local trade or business.

Step 4 – Few MINTS, e.g., three, that will print Earthlings shall be installed in a single location. These mints will be governed by the EC, and will be under 24\*7 surveillance, for security only. The Council seat location and Mint facility location will be given by me.

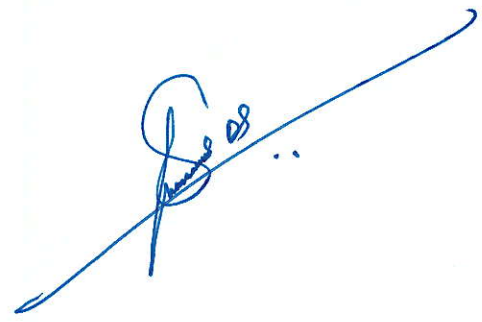

Step 5 – Flushing rouge currency used from all non-usa countries. EC, will audit and evaluate opportunity of EARTHLINGS replacing legitimate usd holdings of all countries, their respective CB'S. However, the fact is legitimate usd never existed in the World, it was always used as a bribe. The replaced rouge usd currency should be retrieved and shredded. The legitimate replacement amounts and the recorded opening national treasury balances are expected to be zero for most of the World countries.

Step 6 – EC will monitor country EARTHLINGS balances from capitalization, and will control EARTHLINGS printing. Start of regular EC operations, according to the established 'EARTHLINGS Council Macro Guidance Declaration by World Leaders'.

### Subject 1. Energy battle 'oil V/S renewable'.

#### My ADVISE, GUIDANCE For World.

I have provided my guidance for all the World countries, by placing the subject for its 'Decisive voting' at G-188 Council. The 'Energy battle' is over magnified with attacks on school and college students and must be terminated. With an estimated 30-40 World countries with surplus oil, out of 188 World countries that would vote at G-188, the majority vote for 'More Investments in renewable', will be a 'YES' in the first or certainly the re-scheduled second poll.

**Incremental Guidance** for modest, and immediate realization of renewable energy for World countries, in lower voltages of electric current delivery, for charging stations.

**FOR INDIA.** Incremental realization of renewable energy and savings by way of simple technique, e.g., Goshala charging stations, or similar. The 'wind mill' arrangement will be embedded into the ground with a cantilever rotated by cattle, the generated charge, current used to charge batteries in atleast one or more charging stations set up for batteries used in motor cycle, scooter segment. Operating in two shifts of two hours on weekdays, with capacity planning, one or more charging stations for consumption of energy mobility needs in the smart city or city could be addressed. INDIA, and our Science and Technology Evolution zones will follow through with the decisive voting results on the subject at G 188 COUNCIL, after its organization.

Macro Guidance for INDIA and WORLD. | SRINIVAS S. DEVATHI

**SUBJECT 2. The organization of 'corporate offices', across the cities, smart cities of countries across the World.**

**Definition of smart city.** A smart city is a city which has regular single lens, single mode function recording, camera system, installed across the city, ONLY in PUBLIC areas. The recording goes into an automatic storage data center, not to be watched by human teams, or law enforcement agencies. In the event of a complaint or incident, the law enforcement team can retrieve video footage, from the data center depending on the date, time of the occurrence of the incident, only for investigation purposes and recognizing true facts about the incident.

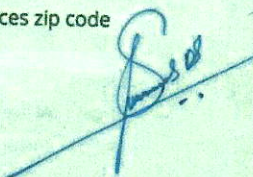

For this subject, I start with the Guidance for INDIA. The same will be integrated into the Macro Economic Guidance provided by the New World Order Councils, for all the 187 World countries.

**GUIDANCE for INDIA.**

The corporate offices will be located across all 100 smart cities of INDIA. At these 'Corporate offices' which would be owned by the TRUSTS, either of the TRUSTS, Earthling Foundation Public charitable Trust, or Earthling Foundation Private Trust. The plan is to have, say for example 4 towers in each of the 100 smart cities, as opposed to several lower rise construction corporate offices. These are expected to be with floors count generally ranging 41-49 floors, 51-59 floors, 61-69 floors, and 71-79 floors.

These will be built by construction companies that were threatened, and terminated in the past, however, not in the present and future, in decentralized World, that are owned 100% by HINDUISM religion owners, Executive team, Management team, Design, Architecture, and Engineering teams. An estimated twelve or twenty 100% HINDUISM owned construction companies would be incubated by the TRUSTS. These corporate offices will be occupied and operational, with a range of companies, corporations, businesses, organizations occupying the space, and ensuring my work reaches every community, recognized by our postal services zip code across INDIA, reaching the farthest corners of INDIA.

EARTHLINGS. In this context, the intrusion of privacy from space.

**GUIDANCE for WORLD.**

Excluding rouge usa and rouge uk, there are an estimated dozen countries in the World that have 'Space Technology' in that advanced enough to launch their own satellites for their country legitimate requirements e.g., broadcasting, weather, etc. Further, these countries have catered to their country satellite requirements and not intruded into other country territory.

The rouge country that usa is, with their rouge agency nasa, have launched high number of satellites into space around EARTH, in their rouge alliance with only a rouge company named google, offering mapping feature to the countries. With this 'misdirection' they have intruded into the space of all 188 World countries and are watching all 9 billion people, naked in bedrooms and bathrooms, with reckless baldwin psychosis of watching all the World countries, with no respect for the 188 World country local laws, while privacy is a Right promised to most of the World country citizens by their respective countries.

This is imposed PLANET cage through the rouge nasa satellites, which are carrying domes with embedded in thousands of cameras, with maximum resolution and cameras directed in a way to watch multiple countries. Example, claiming satellite in space of country A, however watching territory and citizens of countries A, B, C, and so on.

The WORLD INDEPENDENCE DAY, is the way for breaking out of all these imposed cages, forced intrusion, reckless behavior, and reckless psycho nature of rouge usa, and rouge old world order. After Project EARTHLING© is voted in with Thumping majority, STEP will be organized by EARTHLINGS COUNCIL, when they spin off RECORDS COUNCIL. While STUN protects you on EARTH, STEP will protect you from spacial intrusions and privacy breach.

**Here is a summary of the history and attack of the rouge usa, rouge uk, their paid rouge old world order, rouge un organs, and rouge un organizations.**

The rouge ideologies that i have enumerated were perceived and experienced by each of the 188 World countries, repeatedly, time and time again, continuously, and relentlessly, in every transaction, communication, conversation, and meeting over the last 248 years. With cutting edge invisible technologies, advanced satellites in the space of Earth, micro nano nixon technology to surround your house, office, vehicle, life, and invisible however deployable anywhere on planet Earth serum technology with 20,000 counter molecules dispensable to all 9 billion citizens, their cunning ways are beyond regular citizens and World countries comprehension. Even after the full termination of rouge old world order, all rouge un organs, all rouge un organizations, the New World Order councils will monitor and check everything within EARTH'S space, on land, air and ocean, to contain this inexplicable cunning psycho nature of rouge usa and rouge uk, for several decades, because they might attempt invisible cunning ways of attacking 188 World countries.

**ASIA.**

The cold war that followed World War II. The planned execution of World War II, attack on USSR, usage of atom bomb, was followed by the organization of the psycho rouge un, with all the devious ideologies listed. This triggered the 'west V/S EAST' attack ideology and mentality, resulting in putting entire continent of ASIA, and all ASIAN countries as presumed enemies that must be attacked and targeted in every way possible. Go through the list of all ASIAN countries, and there is not even one country that was spared from attack, and abuse. Even to this date, this rouge usa ideology, stays to destroy and terminate all Asian countries in every way possible. All the Asian countries, and their LEADERS would unanimously agree when they reflect on the history.

While India is an Asian country, along with the attacks arising from the EAST, Asian country reasoning, cold war, side of USSR reasoning, I list INDIA, since we are the home of 1.2 billion HINDUS, religion of HINDUISM. This turns out to be a single reason to further attack INDIA with inexplicable rage. The uninvited arrival of rouge uk in 1600, and the combined forces of rouge usa and rouge uk, for last 248 years, has resulted in continuous, non stop attacks at the religion of HINDUISM, with the agenda of 'total annihilation, and termination' agenda of the religion. Especially since the introduction of film industry, the racism, hatred, and jealousy towards the religion magnified inexplicably. Their agenda of terminate INDIA, all of HINDUISM was continuous and relentless. The intensity of intrusion into the country, the large scale plans and plots of terminating HINDUISM span full 200 years, and all of 425 years. Reckless financing of minorities within India was another means of attacking the majority religion. Among the Asian countries, adding the religion dimension, INDIA was severely targeted and attacked for high volume murder and heart harvesting. Pokhran nuclear test in 1998 puts an end to the direct attacks and after that they have resorted to other psychotic cunning ways of destroying the society, culture, using other divisive tactics, and all levers of attack.

**AFRICA.**

While the psychotic racial attacks within usa are known to the entire World, in the form of kkk, ku klux klan attacks of 1920 and after, wherein millions were murdered in rouge usa, consideration of psychotic ideologies, and agendas for world countries in Africa, an estimated 50 countries could only be thought out by rouge usa and rouge uk. 625 years after slave trade started from Africa into usa, even to this day the minorities have no basic means of livelihood. With their chosen rouge usa citizenship, after decentralization, they could follow through with the option of life given to them, until the residual minority population ends. However African countries on the planet with separate Independent countries were also considered for 'Total annihilation, murder, organ extraction for termination'. Considered best genetics, African countries also marked for 'eugenics illegally', an illegal objective. This is the rouge grand plan of rouge old world order for the countries. LEADERS of each of the African countries will document and share the true events of their country's abuse in decades to come.

**GULF.**

Gulf, muslim countries. Rouge old world order also have clear agendas of terminating 57 OIC countries. There are citations of Iraq, and Syria, one for governance, regime elimination, to gain control of their oil reserves, other for an all country destruction, chosen for high volume murder, for extracting blood, organs, life, and heart. This is the 'Total annihilation agenda', for 57 OIC countries, depending on whether they have oil reserves or they are a poor country. Their union have the money from oil sales, however have no means of countering direct attacks from rouge usa, rouge uk, and rouge old world order. All their LEADERS will speak of true events of how they were attacked through the last 248 years.

**EUROPE.**

A continent least attacked among the World countries, however threatened, and attacked over the last 248 years. Rouge usa wanted to announce their domination, on Europe, control them, impose caging, and slavery, wherein the attempts would be clearly explained by all the European LEADERS, spanning the last 248 years. The superiority of Europe starts with their innovative work, and early design, and engineering work which started an estimated 100 years even before rouge usa formed. They have also done exceedingly well by way of their union, EU, to mitigate all threats from rouge usa and trash their rouge attempts to dominate them and control them. Rouge usa has copied several technologies from Europe and Asia over the last 248 years, including the design of first motor car. Their plans of 'Total domination on Europe, and controlling European countries' is known and recorded by the entire World.

**SOUTH AMERICA.**

In the name of commonality of the word america, and marked christian countries, the rouge old world order has agenda of 'Total annihilation, by way of highest possible drug usage and experimentation' for their Rouge second life program. This rouge objective is behind the intentional proliferation of drugs, directing them for illegal experiments. 'Total domination, and total control of the countries, to impose slavery' is also part of their agenda. Their country LEADERS will speak of the attacks they were met with over the last 248 years.

**PEURTO RICAN countries.**

Mutatis mutandis like South America, Peurto rican countries were attacked, continuously, relentlessly, struck with war, with the rouge old world order, rouge usa rouge agenda for 'Total annihilation, by way of highest possible drug usage and experimentation, total domination, and total control of the countries, to impose slavery'. Their country LEADERS will speak of the attacks they were met with over the last 248 years.

**CARRIBEAN.**

Island countries that were given direct dictatorial orders, used financial lever when required, ordered, commanded by rouge old world order, rouge usa. They are certainly countries that rouge usa refer as pirates, marked for 'Total usage for their second life program, the population, possibly the islands, for experimentation for blood, organs, life, and heart extraction'. Usage for 'extracting genetics illegally' is also an objective.

**With New World Order going live, immediately after the thumping majority voting of 'Project Earthling©',**

**red cross blood bank.** They are the ones used by WHO to create synthetic blood, factory manufactured, fabricated, lab created blood, and its variants, used to murder target subjects, by delivering poisoned synthetic blood. Another rouge un organization created for murdering 9 billion people across 188 World countries, by using factory manufactured, lab synthesized, synthetic blood, wherein all the counts, e.g., platelet counts are altered including the very basic fluid used in the synthesized blood, e.g., something called blood plasma which is synthesized, filled with serum packages. The rouge variations example includes enriched rbc blood, wherein the rbc counts are altered per liter of blood. There is possible argument, however the strange blood group called 'bombay blood group' is supposed to be a synthesized version with variations of the regular blood groups used across the World.

**Rouge un summits, conferences, conclaves, and meetings.**

All un summits are forums paid in rouge monopolized usd currency forcing their psycho agendas and devious diabolical motives, and rotten objectives on the World countries. E.g., Rouge psycho climate change summit. It is an absolute lie, bogus, fabricated rubbish, and nonsense. In this summit, they are creating an illusion that EARTH'S climate is changing, and forcing the idea by way of using 'serum package counter molecules on citizens of the world'. This climate summit is fabricated, forced on 9 billion citizens by using 'serum technology counter molecules', which I describe in case study 1, 'Serum package to inflict desert conditions in Bangalore winter. Control on body temperature variation.', from my authored copyright work 'Introduction of the dangers of serum technology, an unprecedented threat to mankind©', registration number L-158011/2024, issued by India copyright office, with issue date of 6-12-2024. The copyright and case study are accessible at my website weblink <https://srinivasdevathi.com/medical-council/>. At this rouge monopolized usd paid summit, they would discuss an 'induced subject' attacking citizens across 188 World countries, with induced body temperature variations, induced excessive eye glare by attacking the eyes, and induce a sense of perception of earth climate change, a means of attacking and torturing people, and getting people to volunteer for illogical experimentation that would benefit rouge usa, rouge uk, for their rouge second life program, while supporting saudi and uae, to New World Order desert heat. saudi and uae are involved in financing this summit for experimentation. I have already given treatment to Planet Earth with an estimated timeline, an estimated 4.54 billion years, the climate conditions of the planet would not alter over few years or even decades. The subject will be placed with G 188 Council, and data capture of climate across the World countries, full year climate data, e.g., by month, high and low recorded temperatures, rainfall, snow fall, ice rain metrics through the year would be recorded. A proper interval for next data capture would be at least after 1000 years, data for a comparison to check if 'Earths climate is changing?'. Even this interval of data capture is considered high frequency for declaring statements about 'EARTHS CLIMATE CHANGE'. New World ORDER councils will solve problems and provide Macro Guidance which is intended to protect and guide 188 World countries and their citizens. Another example of rouge un conferences, rouge usa conferences were TED conferences, where I am told that I was a subject in these conferences and that I was attacked and negatively framed by rouge usa citizens in isolation, without my knowledge. Objective seems like they intended to frame me to steal my wealth. Such rouge conferences, conclaves with devious, diabolical, psycho, stealing others work and wealth objectives must be terminated.

Macro Guidance for INDIA and WORLD. | SRINIVAS S. DEVATHI

All 188 world countries must pull out, exit, terminate all their relationships, use termination clause for any residual legal obligations with all the puppet rouge un organs, all the puppet rouge un organizations, and all puppet rouge summits, conferences, conclaves, meetings, organized by rouge usa in monopolized rouge usd currency. I consider that all rouge un organs, and all rouge un organizations are shut down, or will certainly be evacuated by all 188 World countries immediately. And stay with the delegation in what would become one of the New World Order council, World Intellectual Property Organization, where I would introduce the Macro Economic reform and bring it for its decisive voting. Upon thumping majority 'voting in result' of the Macro Economic reform, all the New World Order councils will be organized starting with EARTHLINGS COUNCIL. We will realize the 'World Independence Day', and an equal World, with all councils paid for in EARTHLINGS.

have tried to induce, for their divide and destroy divisive tactic. This must be read and clearly understood by all women, adult women, who were continuously cheated, so that they know their country Men, Men of 188 World countries have the dimensions and there is no need for fights or battles on the subject. Excluding the uneducated, and illiterate, large population of Women do not know about 1998 prescription drug 'sildenafil citrate', with doubling and tripling options for penis dimensions, by consuming double and triple dosages respectively. Women were continuously relentlessly cheated by rouge usa and rouge uk where impotence among their men was highest among the World countries, over the last few centuries. Educate yourself, and live your full life 91-99 years of age. The referred POV'S are accessible at my website weblinks <https://srinivasdevathi.com/right-perspectives-for-the-world/>, and <https://srinivasdevathi.com/right-perspectives-for-the-world-continuation/>.

1998, sildenafil citrate cured impotence of usa, and uk. It also resulted in options of doubling and tripling the PENIS sizes, by doubling and tripling the dosages, using which they attacked families across 188 World countries.

Penis dimension wars were used by rouge usa, and rouge uk to incite Men across the World into fights.  
Penis dimension wars were used by rouge usa, and rouge uk to attack women from 188 World countries, when they were impotent. They used doubling and tripling, showed off to women across 188 World countries whose men used natural erection dimension, and never used doubling and tripling options.  
Women from 188 World countries must educate themselves about this, and not fall prey for rouge tactics of rouge usa and rouge uk, who might attempt showing off dimensions.  
If they could double, triple, so could Men from 188 World countries. 4, 5, 6, 7 inches by using doubling dosages of sildenafil citrate, e.g. 50 mg, will double PENIS lengths to 8, 10, 12, 14 inches and by using tripling dosages of sildenafil citrate, e.g. 75 mg, will triple PENIS lengths to 12, 15, 18, 21 inches respectively.  
World average PENIS dimension at natural erection is supposed to be 5.5 inches. All the World Men, if they consume say 50 mg of 'sildenafil citrate' they can double their PENIS erection dimension to 11 inches, and by consuming 75 mg of 'sildenafil citrate' they can triple their PENIS erection dimension to 16.5 inches.  
I request women across 188 countries to not get cheated in future, terminate ignorance, educate yourself and stay informed.

**INCITED PENIS DIMENSION WARS.** This illustration of PENIS size doubling and tripling, must be read in detail, and clearly understood, by all adults, Men, and Women, living across all 188 World countries.

Stretchability of human skin, and the blood vessels in the PENIS, are supporting tripling dimensions stretchability requirement, and by using these doubling and tripling dosages, the PENIS dimensions indicated in the graph. Women vaginal dimensions and depth of the vaginal bag, before you hit the vaginal wall, are surpassed in these dosages. Stretchability of human skin is comparable with pregnancy time dimension changes of a women, and return to approximate earlier dimensions.

### GUIDANCE for World.

I request that this subject be transmitted to all the 188 World countries, their delegations, and 9 billion citizens, to educate the vast population in the World. In particular Women of all 188 World countries, must become aware of this fact, and know that your country Men are no different from the rest of the World country Men, with reference of PENIS dimensions, and terminate the PENIS size dimension wars. Beware that rouge usa and rouge uk will try to cheat you, your Men, your family and attempt to attack you, destroy your family, destroy your culture, and destroy your country. For genetics considerations, you must access 'ISB, International Sperm Bank', which will be established by EARTHLINGS Council in the near future.

### GUIDANCE for INDIA.

Similar to the World countries, INDIA Men who were performing exceedingly well were cheated by impotent rouges of usa and uk by using tripling dosage and tripling their dimension. The 188 World country Men, including Men from INDIA, were performing with their regular dimension, natural erection, and they are triple 'M' use the tripling dosage of the 1998 prescription drug. That would be the real comparison. The 'ig' of existence of 'sildenafil citrate', Women were cheated for several decades. Daiva Sandesh co-ordinators and network will ensure the Women across INDIA would be informed.

**The show off, of rouge usa and rouge uk.**

The show off, of rouge usa and rouge uk men, with reference of uncontrolled rouge behavior and reckless behavior, between 1958-1998, 40 year trial cycle, and in particular between 1980-2000, has really shown off their impotence and announced with loudest speakers about there impotence spanning several decades possibly centuries. They came to show off to the women of 188 World countries, and have declared their shortcomings without the sildenafil citrate, used with doubling, and tripling dosages, to the Women of 188 World countries. With reference to the graph, and 1998 when sildenafil citrate became prescription drug, all PENIS dimension wars are terminated. Several men from 188 World countries, who where having great family life, with strong sexual performance with their original natural erection PENIS dimension, possibly do not know about 'sildenafil citrate' even today. You must become aware of it, knowledgeable about the drug. Women must educate themselves, stay informed about this, and avoid getting cheated.

The history of planet EARTH, is distorted, unfortunately in the last 248 years, with the rouge self proclaimed leadership of rouge usa, along with the rouge old world order, have distorted the history, attacked, threatened, controlled, commanded, and held hostage the media houses across the World, the media houses across all 188 World countries. They have exercised all the possible levers they could use and apply on the 188 World country media houses, to only write what they dictate them to write, only broadcast what they command them to broadcast. THIS MUST BE TERMINATED. After 248 years of rouge usa control on the world, 80 years after rouge organization of rouge puppet un, their rouge techniques of holding World media houses hostage, by usage of all imposed levers, or financial lever, must be terminated. guages, and also in english. This rouge financing has multiplied, in particular over the previous 150-200 years. The authors in their control, grip, financial lever, and command over the last 248 years have written what is told to them, they have written against their own country, against their own culture, against their own society, and against their own religion. Further they have also, upon rouge instructions from rouge usa and rouge uk, have totally distorted, attacked, destroyed, and misrepresented their own countries history. They have also according to the rouge instructions gone on to create several divided groups, fragments within their country, resulting in the creation of constant internal conflicts, and fights within their country. These negative tactics were in play attacking all 188 World countries. The current rouge usa controlled wikipedia is filled with distorted facts, distorted history about all 188 World countries. RECORDS COUNCIL, in World data architecture, will enable all countries to author and present their history, fearlessly, with true facts without distortion. The New World Order with the INTERNATONAL LAW of non interference, will terminate these illegal threats and illegal financing of authors, and allow your local country authors, and writers to write fearlessly, and without distorting your history.

One example is 'penguin publications', which is illegitimately financed by rouge usa and rouge uk, and through this publishing house, they have relentlessly sponsored, mind polluting, thought coercing, incite internal battles and fights, use divisive tactics and proliferate division, groups, gangs, to incite internal conflicts, resulting in continuous fights, to kill yourself in your country. The sponsoring beyond the publishing house, also includes sponsoring by way of threats and control, select authors who distort your country history, who desecrate your religion, pollute your culture, destroy your society, and sabotage your country. While sponsoring rouge authors on their pay rolls, they attack and murder the genuine real authors in your country. All of this will be terminated in the New World Order, establishing Freedom of authoring, and Freedom of Writing.

Similar to the attacks across 188 World countries, INDIA original authors in a few hundreds were murdered over the last 248 years, by rouge usa, rouge uk, and rouge old world order. In the rouge sponsoring and financing work of rouge usa, rouge uk, and rouge old world order, they have used the rouge technique of rouge authoring work, to severely induce 'divide and destroy' tactics within INDIA, to create internal conflicts, and further have relentlessly worked on attacking the great religion of HINDUISM. The attacks on one of the INDIA languages TELUGU, considered the most popular language across the World, because of movies delivered in last century was also severely attacked. The distortion of HINDUISM, misrepresentation of HINDUISM was continuous during these times, and in FE era all of this would be terminated. All ORIGINAL INDIA authors will fearlessly present the TRUE FACTS, and REAL HISTORY of the country. DAIVA SANSTHA will end all distortions that were fabricated, forced, lies, illogical used to attack the religion, and will be the authority that will give the 'TRUE JIST OF HINDUISM', terminating all rouge tactics of rouge usa, rouge uk, and rouge old world order.

In India, The 'Earthling Foundation Private Trust' will own a publishing house, which will only look for breakeven of costs, and employ authors that will receive all the revenue from their authored work. This will be real, and not sponsored trash and nonsense from rouge usa and rouge uk. INDIA original authors will not communicate with rouge usa and rouge uk authors. For translation work, INDIA original authors will work with other World country authors, by establishing a 'business agreement' with reference of copyright registrations. Hostage 'sahitya akademy' will be freed from the clutches of rouge usa and rouge uk, rebranded and brought into the authors program of 'Earthling Foundation Private Trust'. The future of INDIA, and religion of HINDUISM will, will in FE era, have the right for Freedom of authoring, and Freedom of Writing. Earthling Foundation Private Trust, will have authors, who author in all 24 INDIA languages that have script, and also few that author in english, on their payroll. The rouge britishers brought english to INDIA in 1600, and there are few that author in english. This might stay for few decades to come, eventually settle down for a low number.

**The apocalyptic objectives of the psycho rouge usa, rouge uk, and rouge old world order, for the 9 billion citizens living across 188 World countries, is to cage human subjects, putting them in cubes, cages, acoustical chambers, and mortuary cells, torturing them, and also intruding into the**

These apocalyptic and inhuman techniques are to torture them, experiment on them, impose permanent robotic slavery, and eventually murder them. I cite the following rouge movie references, that include movie cube, matrix series, beautiful mind, and shutter island. The last mentioned ones for inexplicable brain experiments, all induced, for torturing and experimental murder. Marked me in year 2001 for murder and extraction of genetics, blood, organs, and heart.

In year 2001, in INDIA, my father built our own residential home in Bengaluru, my current permanent address, house 63, 11<sup>th</sup> B cross, 3<sup>rd</sup> Main, Prashanthnagar, Bengaluru 560079, INDIA. Here are some factors related to the construction of this house.

He had bought the plot in 1990's for INR 10 lakhs.  
He built the house in a total expense of INR 25 lakhs.  
My contribution for the construction of the house is INR 10 lakhs.  
Since he was busy with shop businesses work, he gave the house construction work to a 'architect and construction engineer' suyogi.

Without my knowledge, that of my parents, suyogi gets phone calls from the psychos listed on left side. Did he install the Nixon technology in this house? YES. The other option of installing the Nixon technology on the other sides of the house walls and using them cannot be ruled out, however it is built in.

Will save all 9 billion people living across 188 countries and terminate all cubes and cages.

The rouge FINANCIAL LEVER lost all control and sanity, went into insane directions, such as starting to bribe the 'construction companies', in that the residential houses, and apartment construction companies, across INDIA and all 187 other World countries. - Total destruction of 188 World countries.
- Total permanent, forever control on all 188 World countries.
- Total and complete caging of 9 billion citizens across 188 World countries.
- Kill men among 9 billion people at will.
- Impose permanent slavery on all women, and residual men among 9 billion people across 188 World countries.
- They have created and induced several diseases, a means of murdering men at will.
- Total sabotage, and death vise grip, to extract blood, organs, life and hearts at will, to source for their rouge second life program.
- A planet in their grip, their control, under the cunning rouge regime, resulting in a planet in slavery.

Their apocalyptic objectives for 188 countries, for 9 billion citizens of the World, for an estimated 4.5 billion men, is primarily cage them, extract sperm for genetics, extract blood, life, organs, eventual murder, and extract heart. Where they consider using them for labor work, menial jobs, they wanted to allow, only for some time, until the time is right for the kill, or their rouge second life program requirements. THEY DESIGN A CUBE, A CAGE, AN ACOUSTICAL CHAMBER, A MORTUARY CELL for men and women for this objective. This integrates highest available technologies with them, unknown for most of the world countries, fragment the society, put men in these designed cages, play artificial sounds, give artificial stimulus, use serum packages, control their lives, and torture to 'extract work' if they consider the man talented, before the eventual murder. What is the need for this apocalyptic urgency, no one knows. With PROJECT EARTHLING©, MEN of 188 World countries will give a befitting reply and response to rouge usa, rouge uk and rouge old world order, and terminate them.

PROJECT EARTHLING© will terminate their apocalyptic objectives. All men from 188 World countries, can freely work for their people, and their country economic objectives.

Rouge threat for humanity, 4.5 billion Women. The cube, acoustical chamber, life cage, and mortuary cell designed for women among the 9 billion citizens, across all 188 World countries. Use for permanent anesthetic sex slavery, permanent sleeping beauty, and while awake labor slavery and consuming food for continued slavery until death.

- The rouge usa and rouge old world order, for inexplicable reasons, out of psychotic, lost their mind conditions, have defined grand 100 years, 1000 years plans. Their apocalyptic, end of world, grand plans, caging schemes of planet EARTH, include.
- Total annihilation of 188 World countries.
- Total destruction of 188 World countries.
- Total permanent, forever control on all 188 World countries.
- Total and complete caging of 9 billion citizens across 188 World countries.
- Kill men among 9 billion people at will.
- Impose permanent slavery on all women, and residual men among 9 billion people across 188 World countries.
- They have created and induced several diseases, a means of murdering men at will.
- Total sabotage, and death vice grip, to extract blood, organs, life and hearts at will, to source for their rouge second life program.
- A planet in their grip, their control, under the cunning rouge regime, resulting in a planet in slavery.

Their apocalyptic objectives for 188 countries, for 9 billion citizens of the World, for an estimated 4.5 billion women, is primarily cage them, and impose never ending continuous and permanent slavery, for as long as they want, and determine when to drop the axe, since you are not primarily considered for extraction of blood, life, organs, and heart. The objective according to the age of the women, and their determination and choice, you would be going through continued phases of sex slavery, or continued phases of sex slavery and labor slavery, or continued phases of only labor slavery, all in combination with serum technology usage, and anesthetic sleep. THEY DESIGN A CUBE, A CAGE, AN ACOUSTICAL CHAMBER, A SLAVERY CELL for women for this objective. This integrates highest available technologies with them, unknown for most of the world countries, fragment the society, put women in these designed cages, play artificial sounds, give artificial stimulus, use serum packages, control their lives, and use them the way they want, for all forms of slavery, before the inflicted death. Why do they have these psychotic apocalyptic objectives?, no one knows. With PROJECT EARTHLINGID, WOMEN of 188 World countries will give a befitting reply and response to rouge usa, rouge uk and rouge old world order, and terminate them. You will live your full life and great life in your country with your family.
